A review article is an article that summarizes the current state of understanding on a topic. A review article surveys and summarizes previously published studies, rather than reporting new facts or analysis. Review articles are sometimes also called survey articles or, in news publishing, overview articles. Academic publications that specialize in review articles are known as review journals.

A Survey of English Literature book. Read reviews from world's largest community for readers.

Frequently a more or less helter-skelter and shallow survey course of English literature has been before students entered college and another such course often fails to stimulate a new enthusiasms. The party known territory traversed may hold out no hope of discoveries because the instruction often falls below the level of college standards.
