### True Stories of Women's Intimate Lives in the Arab World

Randolph Winters  
The Pleiadian Tantric Workbook assists you with healing relationships. This sequel to The Pleiadian Workbook teaches advanced cellular clearing to heal the male/female split, and, with specific exercises and techniques practical for everyday life, shows you how to activate and clear kundalini and sexual channels through tantra.

### Freedoms, Faiths and Futures

Parallax Press  
"A New Look at Love, Karma and Relationships "Uses real-life experiences and love stories to define and illuminate the inner mysteries of the soul.... Candidly explores why we attract certain loves into our lives, and why the most difficult relationship may be the key to the perfect love we've been seeking." —Bodhi Tree Book Review  
Soul Mates and Twin Flames explores the spiritual dimension of relationships. You'll learn the difference between soul mates, twin flames and karmic partners along with practical tips for working on whatever relationship you are in and attracting your highest love."

### Pleiadians, Watchers, and the Spiritual Quickening of Humanity

Open Road Media  
With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and

2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."  
*What Lies Beyond the Stars* Thel Dar Publishing

According to the Bible, Eve was the first to heed Satan's advice to eat the forbidden fruit and thus responsible for all of humanity's subsequent miseries. The notion of woman as the Devil's accomplice is prominent throughout Christian history and has been used to legitimize the subordination of wives and daughters. In the nineteenth century, rebellious females performed counter-readings of this misogynist tradition. Lucifer was reconceptualized as a feminist liberator of womankind, and Eve became a heroine. In these reimaginings, Satan is an ally in the struggle against a tyrannical patriarchy supported by God the Father and his male priests. Per Faxneld shows how this Satanic feminism was expressed in a wide variety of nineteenth-century literary texts, autobiographies, pamphlets, newspaper articles, paintings, sculptures, and even artifacts of consumer culture like jewelry. He details how colorful figures like the suffragette Elizabeth Cady Stanton, gender-bending Theosophist H. P. Blavatsky, author Aino Kallas, actress Sarah Bernhardt, anti-clerical witch

enthusiast Matilda Joslyn Gage, decadent marchioness Luisa Casati, and the Luciferian lesbian poetess Renée Vivien embraced these reimaginings. By exploring the connections between esotericism, literature, art and the political realm, Satanic Feminism sheds new light on neglected aspects of the intellectual history of feminism, Satanism, and revisionary mythmaking.

### *The Lightworker's Way* Simon and Schuster

Imagine reading a book written millions of years ago from within great, walled Lemurian monasteries where narrators look back and forward at the same time, chronicling mankind's journey to Earth from the Pleiades and other planets in the pursuit of unfolding into the ultimate attainment, realization of the timeless, formless, spaceless Self within. Lemurian Scrolls is just that book. This ancient manuscript was not found etched on a cave wall or buried in forgotten ruins, but rather discovered through the practice of an inner archeology, the use of the third eye to read the akashic records. Many books exist in the inner akashic, library, and Satguru Sivaya Subramuniyaswami chose to share the chapters that comprise these Scrolls as a further effort to help us all realize where we came from, where we are going, and how to connect with our innate Divinity.

*Our Divine Destiny* Hay House, Inc  
The New York Times--bestselling author of Fear of Flying celebrates witches in a gorgeously illustrated brew of witchcraft lore, potions, secrets, and myth. With a mix of genuine fascination, passionate enthusiasm, and keen feminist insight, Erica Jong wades through a bog of myths, misinformation, historical hysteria, and contemporary Halloween costumes to offer a generous exploration and celebration of witches. From their origins as descendants of ancient goddesses to

contemporary practitioners of the craft, the evolution of the concept of "witch" has been as changeable as the centuries themselves. From evil crone to sexual seductress, they are the embodiment of both light and dark, fertility and death, divinity and paganism, baleful curses and healing cures. They have been scapegoated as the object of men's worst fears and embraced as heroines of female empowerment. As muses, they have influenced popular culture from Shakespeare and Yeats to Anne Sexton and Ken Russell. With reverence and a hint of mischief, Jong reveals witches' rites, rituals, and magical recipes, including authentic spells and incantations. "A steaming cauldron of beautifully illustrated prose, poetry, love potions and flying lotions" (*Glamour*) from the renowned author of *Fanny, Witches* is "nothing less than a complete transformation of our concept of witches . . . accomplishe[d] with panache in this sumptuously and provocatively illustrated book" (*Publishers Weekly*). This ebook features an illustrated biography of Erica Jong, including rare photos and never-before-seen documents from the author's personal collection.

[Making Love a Meditation](#) Stonetree Pub  
 Practical exercises to reach higher levels of orgasm, renew relationships, and discover the healing power of sex • Illustrates how to identify and best please the nine male and female genital anatomy types--such as Coyote Man or Buffalo Woman • Provides exercises for greater sexual pleasure and orgasmic intensity, including the Firebreath exercise for full-body orgasm • Explains how to perform powerful healing sexual energetic work with the chakras and light body Based on ancient Mayan, Olmec, and Toltec teachings passed down through the generations by the Twisted Hair Nagual Elders of the Sweet Medicine Sundance Path, the practice of Quodoushka offers practical guidance on sex, intimacy, and relationships as well as how to reach higher levels of orgasm and sexual ecstasy. Working with the healing power of sexual union and orgasm, this practice offers a path to repair emotional wounds and sexual insecurities, revive monotonous relationships, and discover the sweet medicine of sex. Revealing these once-secret teachings for the first time, initiated Quodoushka instructor Amara Charles explains the physical, energetic, and sexual qualities of the nine male and female genital anatomy types--such as Coyote Man or Buffalo Woman--and how to identify and best please each type as well as take pride in your own unique anatomy. Describing the nine

variations of orgasmic expression--from avalanche to forest fire--she provides exercises for greater sexual pleasure and increased orgasmic intensity, including the Firebreath exercise, a method for reaching a full-body orgasm through breathwork. Covering role playing and sexual energetic work with the chakras and the light body as well as ceremonies to bring the sacred back into your lovemaking, the practice of Quodoushka reveals how we can--through pleasure--become more sensitive, creative lovers.

[A True Story of an Unexpected Mystical Journey](#) New World Library

"Something in me knows of a life I was meant to live but for whatever reason, I have not . . ." "Words that ring painfully true for Adam Sheppard, a San Francisco programmer who has spent the vast majority of his 30-something years lost in the dim glow of a computer screen. On the verge of a psychotic break, Adam begins to have a recurring dream of his early childhood and the hauntingly rustic town of Mendocino, California, where he grew up. Convinced he has left something behind there, something vital to his present sanity, Adam walks away from his current life to figure out what that is. One evening, out on the cliffs overlooking the Pacific Ocean, Adam has a chance encounter with a mysterious woman, only to later realize that she may be a long forgotten childhood friend. The coincidence of their reunion only deepens as Adam discovers that the woman has also returned to Mendocino due to a recurring dream, eerily similar to his own. Lost soulmates drawn together through time and space, or perhaps their meeting is only the beginning of a much deeper mystery. As Adam awakens to the possibility that his life could be destined for more than a bleak virtual wasteland, he soon finds himself a crucial pawn in a game that pits forces intent on enslaving the human spirit against those few quixotic souls who still search for meaning, beauty, and magic in the world.

[The Sexual Practices of Quodoushka](#) Lulu Press, Inc

The Pleiadians, a collective of multidimensional beings from the Pleiades star system, have been speaking through Barbara Marciniak since 1988. This long-awaited book shares new inspiration from over nine years of previously unpublished Pleiadian wisdom, and Marciniak offers innovative ideas for changing beliefs, reclaiming one's power, and creating a world of unlimited possibilities. She also presents critical new material on how to deal with the world's increasing chaos and the accelerated pace of life. Consisting of

profound new insights on power, fear, love, desire, health, sexual intimacy, energy, and creativity, this timely text is for those ready and willing to embrace self-empowerment, seek the truth, broaden awareness, and meet the challenges of a world on the brink of major change. Individual chapters include Energy and Frequency — A New Playground of the Mind, Accelerated Energy and Stretching Your Mind in the Nanosecond of Time, and The Intimate Dance of Beliefs and Emotions.

[Pleiadian Principles for Living](#) Simon and Schuster

The Pleiadian Emissaries of Light provide this fascinating chronicle of human spiritual evolution from a galactic perspective. This wider history of our solar system restores the long-forgotten connection of humankind with Venus, Mars, Maldek, and Earth. The truth about our ancient past is uncovered, helping us to remember the experiences that have caused us to function dualistically, and guiding us toward karmic wholeness as unified and divine beings.

[Awakening Your Divine Ba](#) Simon and Schuster

We are each so much more than we can imagine. This true story brings you along on the intimate path of spiritual initiation. It evokes Native American and Incan myths, and legends of the lost continent of Lemuria. In Peru, the author discovers that an Andean shaman is her Soul's twin flame. With the help of spirit guides and mystical visions, she brings ancient knowledge and spiritual power to light. You will laugh and cry and learn. Book jacket.

**Pleiadian Initiations of Light** Simon and Schuster

Modern Tantra shows how to practice the ancient Pagan spiritual system of Tantra for greater freedom, health, and happiness. Correcting the many misconceptions that surround Tantra, author Donald Michael Kraig shows that its wisdom can be experienced today, helping you access your natural energy for healing and spiritual advancement. Encouraging growth, experimentation, and personal evolution through exercises and meditations, Modern Tantra is a new look at a time-honored spiritual path. With a non-dogmatic approach, this book shows you how to work with Tantric: • Chakras • Mythology • Herbalism • Healing • Astrology • Divination • Mudras and mantras • Sexuality • Ritual magick • Festivals • Spells • The three gunas and three doshas • Goddesses and gods • Sacred images • And much more

[Tantric Sex for Men](#) Taylor & Francis

How to awaken the Ureaus--the serpent power of spiritual transcendence within each of us--and connect to the superconscious of the universe • Reveals the biochemistry of how the body's melanin provides the template for the subtle energy body or light body • Shows how embracing the dark light consciousness of the awakened Ureaus opens a portal to the sacred darkness of the superconscious • Provides illustrated instructions for meditation practices, breathing exercises, and yoga postures to safely awaken Ureaus/Kundalini energy Within each of us lies the potential to activate a personal connection to the superconscious. Called "Ureaus" in ancient Egyptian texts and "Kundalini" in ancient Hindu yoga traditions, our innate serpent power of spiritual transcendence inhabits the base of the spine in its dormant state. When awakened, it unfurls along the spinal column to the brain, connecting individual consciousness to the consciousness of the universe enfolded within the dark matter of space. At the root of creativity and spiritual genius across innumerable cultures and civilizations, this intelligent force reveals portals that enfold time, space, and the luminous matrix of reality itself. Combining physics, neuroscience, and biochemistry with ancient traditions from Africa and India, Edward Bruce Bynum, Ph.D., explores the ancient Egyptian science of the Ureaus and reveals how it is intimately connected to dark matter and to melanin, a light-sensitive, energy-conducting substance found in the brain, nervous system, and organs of all higher life-forms. He explains how the dark light of melanin serves as the biochemical infrastructure for the subtle energy body, just as dark matter, together with gravity, holds the galaxies and constellations together. With illustrated instructions, he shows how to safely awaken and stabilize the spiritual energy of the Ureaus through meditation practices, breathing exercises, and yoga postures as well as how to prepare the subtle body for transdimensional soul travel. By embracing the dark light of the shining serpent within, we overcome our collective fear of the vast living darkness without. By embracing the dark, we transcend reality to the dimension of light.

**Quantum Physics, Holographic Evolution, and the Destiny of Humanity** Simon and Schuster

The Pleiadian Tantric Workbook assists you with healing relationships. This sequel to The Pleiadian Workbook teaches advanced cellular clearing to heal the male/female split, and, with specific

exercises and techniques practical for everyday life, shows you how to activate and clear kundalini and sexual channels through tantra.

*The Pleiadian Mission* Simon and Schuster In this memoir of upward mobility through an unexpected route, a young black American woman signs up for lessons in yoga and clean eating as signifiers of her new middle class status, little realizing that her new lifestyle will bring her face to face with the inner demons fed by the domestic violence, addiction, and poverty she witnessed as a child. Graduating, getting established in your career, and dating another professional are things many young middle-class women expect to do and take for granted. But when your parents don't support you and you have siblings in prison, those milestones seem monumental. What does growing up poor do to your self-esteem? How do patterns of stress and family violence, poor diet and poor health continue to affect you even after you escape to a higher income bracket? And what can one woman do to turn around the cycle of racism, poverty, and intergenerational suffering? Hafiz gives a frank account of the anxiety and rewards of becoming "middle class" through a complete change of diet and adopting habits such as traveling and doing yoga. While her peers pursue one kind of African American dream by climbing the corporate ladder, Hafiz finds meaning in learning to cook macrobiotic food and practice meditation. By doing so, she recovers from chronic health conditions and heals from the family trauma she has inherited.

**The Pleiadian Tantric Workbook** Red Wheel/Weiser

The Indian state of West Bengal is home to one of the world's most vibrant traditions of goddess worship. The year's biggest holidays are devoted to the goddesses Durga and Kali, with lavish rituals, decorated statues, fireworks, and parades. In *Offering Flowers, Feeding Skulls*, June McDaniel provides a broad, accessibly written overview of Bengali goddess worship. McDaniel identifies three major forms of goddess worship, and examines each through its myths, folklore, songs, rituals, sacred texts, and practitioners. In the folk/tribal strand, which is found in rural areas, local tribal goddesses are worshipped alongside Hindu goddesses, with an emphasis on possession, healing, and animism. The tantric/yogic strand focuses on ritual, meditation, and visualization as ways of experiencing the power of the goddess directly. The devotional or bhakti strand, which is the most popular form, involves the intense

love and worship of a particular form of the goddess. McDaniel traces these strands through Bengali culture and explores how they are interwoven with each other as well as with other forms of Hinduism. She also discusses how these practices have been reinterpreted in the West, where goddess worship has gained the values of sexual freedom and psychological healing, but lost its emphases on devotion and asceticism. *Offering Flowers, Feeding Skulls* takes the reader inside the lives of practicing Shaktas, including holy women, hymn singers, philosophers, visionaries, gurus, ascetics, healers, musicians, and businessmen, and offers vivid descriptions of their rituals, practices, and daily lives. Drawing on years of fieldwork and extensive research, McDaniel paints a rich, expansive portrait of this fascinating religious tradition.

*Oneness* Simon and Schuster

The Pleiadians call this time the New Dawning, a time for us to renounce our fear-based, three-dimensional illusions and consciously align with the new fourth- and fifth-dimensional energies that are anchoring on our planet. Are you ready? How can we live by Pleiadian principles and use them to assist us in our enlightenment process? This second major title channeled by Christine Day is a spiritual but practical roadmap that will show you how to navigate through these challenging, changing times, to understand the roles presaged by our conscious choice. With the clarity offered by *Pleiadian Principles for Living*, you will learn: To understand the current changes facing Earth and what is to come To activate pre-agreements made to support us in our mission How to use tools and sacred sounds that provide opportunities to work with the energetic matrix of crop circles, providing knowledge and activations How to use step-by-step tools for harnessing the energy of the Earth's natural forces through telepathic communion and communication with the Spiritual realms and all energetic alliances within the Universe *Pleiadian Principles for Living* offers unique access to a wide variety of online audio files, featuring unlimited journeys of light initiations to support all readers in their individual awakening and evolution to their Spiritual home.

*Family of Light* Red Wheel/Weiser

How do contemporary teenagers experience and understand religious, spiritual, gender and sexual diversity? How are their experiences mediated by where they go to school, their faith and their geographic location? Are their outlooks

materialist, religious, spiritual, or do they have hybrid identities? *Freedoms, Faiths and Futures: Teenage Australians on Religion, Sexuality and Diversity* offers powerful insight into how teenagers make sense of the world around them. Drawing on rich data from a major national study, this book creates new ways of understanding the complexity of young people's lives and how school education covering diversity best addresses their world. This book argues that school education focused on worldviews is founded on ways of thinking about young people that do not reflect the complexities of Generation Z's everyday experiences of diversity and their interactions with each other. It argues that certain kinds of education in schools can play a significant role in developing religious literacy, tolerance and positive attitudes to diversity.

*Lemurian Scrolls* CreateSpace

The Pleiades are a mystifying cluster of stars believed by many to be a source of spiritual wisdom. James Carwin serves as a medium who delivers messages from his Pleiadian spirit guide, Deltavash. This compilation of channeled writings features astounding information told from an extraterrestrial perspective. Learn about the true history of Earth, extraterrestrial races, the nature of good and evil, ascension into the 4th dimension, world predictions and the future of humanity as we approach a window of opportunity leading up to the year 2020 that can forever change our world and affect the entire universe.

*Pleiadian Tales and Lessons in Living*

Simon and Schuster
