The Gnostic Gospels
Crossway
The role of women in

positions of worship
and church leadership
is one of the most
divisive and
inconclusive biblical
debates. Two Views on
Women in Ministry
furnishes you with a

clear and thorough presentation of the two primary exegetical arguments so you can better understand each one's strengths, weaknesses, and complexities.

Egalitarian - equal ministry opportunity for both genders (represented by Linda L. Belleville and Craig S. Keener)

Complementarian - men and women fill distinctive ministry roles (represented by Craig L. Blomberg and Thomas R. Schreiner)

This revised edition brings the exchange of ideas and perspectives into the traditional

Counterpoints format. Each author states his or her case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare

and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Episcopalians newly discovering their church home or long-time members who

may have forgotten why they love the church will appreciate Unabashedly Episcopalian. Bishop Andy Doyle has mined the Baptismal Covenant and his own experiences leading the Diocese of Texas. The result is a heartfelt, smart and practical book that calls Episcopalians to wake up to the church's unique gifts and story, and equips them to share that witness in their neighborhoods and out in the world." *Bridges: Ministering to Those Who Question* Harrison House
An acolyte resource for the 21st-century Episcopal Church
Despite the changing landscape of the Episcopal Church, one ministry that continues but gets little attention is that of acolytes.

Whether second graders or adults, the mentoring and training of acolytes is a formational experience. I Serve at God's Altar offers a simplified theology of how God is met in worship and how it affects the lives of those most engaged in it, a visual exploration of the Episcopal liturgy and its history through extensive illustrations, how acolytes fit into the work of the church in worship, and how worship affects the acolyte's discernment for ministry and Rule of Life. Illustrations include a visual exploration of church artifacts (crosses, candles, Eucharistic vessels, etc.), holds, and processes to set a standard of expectation and expertise in service

according to Episcopal practice and tradition. There is a section of reproducible handouts for organizing an acolyte ministry at every size church, including scheduling, communications, installation liturgies, recruitment plans, and training outlines.

From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the

Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God’s love. Now, in Wm. Paul Young’s first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we’ve presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the “Papa” portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about

important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God's deep and abiding love.

Is There a Man in the House? London : Church Association
Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their

faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that

the "good news" is much, much better than we ever imagined. Love wins.

The Protestantism of the Prayer Book Spirit and Truth Sanctuary Hanegraaff attacks the Faith movement as contradictory to Biblical teaching, including numerous well-known megachurch leaders and televangelists, as well as Creative Visualization and New Thought.

I Don't Know... the way of Knowing [Second Edition]

Through their constant television broadcasts, mass video distributions, and printed publications, African American religious broadcasters have a seemingly ubiquitous presence in popular culture. They

are on par with popular entertainers and athletes in the African American community as cultural icons even as they are criticized by others for taking advantage of the devout in order to subsidize their lavish lifestyles. For these reasons questions abound. Do televangelists proclaim the message of the gospel or a message of greed? Do they represent the "authentic" voice of the black church or the Christian Right in blackface? Does the phenomenon reflect orthodox "Christianity" or ethnocentric "Americanity" wrapped in religious language? Watch This! seeks to move beyond such polarizing debates by critically delving into the

dominant messages and aesthetic styles of African American televangelists and evaluating their ethical implications.

For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. • This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul

and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication.

This volume originated from a seminar organised by Richard H. Popkin in Marsh's Library on July 7-8, 1994. It was one of the

most stimulating events held in the Library in recent years. Although we have hosted many special seminars on such subjects as rare books, the Huguenots, and Irish church history, this was the first time that a seminar was held which was specifically related to the books in our own collection. It seems surprising that this type of seminar has never been held before although the reason is obvious. Since there is no printed catalogue of the Library scholars are not aware of its contents. In fact the collection of books by late seventeenth and early eighteenth century European authors on, for example, such subjects as biblical criticism, political and religious

controversy, is one of the richest parts of the Library's collections. Some years ago we were informed that of the 25,000 books in Marsh's at least 5,000 English books or books printed in England were printed between 1640 and 1700.

The Gospel of Peter and Early Christian Apologetics

Church Publishing, Inc. Selected by the Modern Library as one of the 100 best nonfiction books of all time The Gnostic Gospels is a landmark study of the long-buried roots of Christianity, a work of luminous scholarship and wide popular appeal. First published in 1979 to critical acclaim, winning the National Book Award and the National Book Critics Circle Award,

The Gnostic Gospels has continued to grow in reputation and influence over the past two decades. It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time. In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels, thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament. In this spellbinding book, renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity

today. With insight and passion, Pagels explores a remarkable range of recently discovered gospels, including the Gospel of Thomas and the Gospel of Mary Magdalene, to show how a variety of “Christianities” emerged at a time of extraordinary spiritual upheaval. Some Christians questioned the need for clergy and church doctrine, and taught that the divine could be discovered through spiritual search. Many others, like Buddhists and Hindus, sought enlightenment—and access to God—within. Such explorations raised questions: Was the resurrection to be understood symbolically and not literally? Was God to be envisioned only in masculine form, or

feminine as well? Was martyrdom a necessary—or worthy—expression of faith? These early Christians dared to ask questions that orthodox Christians later suppressed—and their explorations led to profoundly different visions of Jesus and his message. Brilliant, provocative, and stunning in its implications, *The Gnostic Gospels* is a radical, eloquent reconsideration of the origins of the Christian faith.

Dissolve the distractions of ego to find our authentic selves in God In his bestselling book *Falling Upward*, Richard Rohr talked about ego (or the False Self) and how

it gets in the way of spiritual maturity. But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond, buried deep within us, formed under the intense pressure of our lives, that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense True Self must, like Jesus, be resurrected, and that process is not resuscitation but transformation. Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves Written by Father Richard Rohr, the bestselling author of *Falling*

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus

ushered in? Why, then, isn't it the same with Christianity today?
Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our

faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

Hope After Faith

Harper Collins

An important and respected voice for liberal American Christianity for the past twenty years, Bishop John Shelby Spong integrates his often controversial stands on the Bible, Jesus, theism, and morality into an intelligible creed that speaks to today's thinking Christian. In this compelling and heartfelt book, he sounds a rousing call for a Christianity based on critical thought rather than blind faith, on love rather than judgment, and that focuses on life more than religion.

Second Edition, with a new chapter on ministering to and within mixed-faith marriages and families. With the advancement of the internet, changing worldviews, and the rising generation of

millennials, Latter-day Saints today face unique challenges to faith on an unprecedented scale. Unlike most books written to help those struggling with their testimonies, *Bridges: Ministering to Those Who Question* is geared at helping local leaders and family members better understand the sources of these challenges and how to minister to those affected by them. This ministering is done through building bridges of love, empathy, and trust regardless of whether or not someone retains their belief or continues to participate. Author David B. Ostler, a former mission president, utilizes surveys with local leaders and disaffected

members, research from social science and religious studies, and teachings from Church leaders to show how Latter-day Saints can work to better support those who have questions and create church environments where all can feel welcome.

I Serve at God's Altar

McClelland & Stewart

Fourth-generation fundamentalist Carlton Pearson, a Christian megastar and host, takes a courageous and controversial stand on religion that proposes a hell-less Christianity and a gospel of inclusion that calls for an end to local and worldwide conflicts and divisions along religious lines. In *The Gospel of Inclusion*, Bishop Carlton Pearson explores the exclusionary doctrines in mainstream religion and concludes that, according to the evidence of the Bible and irrefutable logic, they cannot be true. Bishop Pearson argues that the controlling dogmas of religion are the source of much of the world's ills and that

we should turn our backs on proselytizing and holy wars and focus on the real good news: that we are all bound for glory, everybody is saved, and if we believe God loves all mankind, then we have no choice but to have the same attitude ourselves. Bishop Pearson tells the story of how he had gone from a powerful religious figure, once preaching to an audience of over 6,000 people, to watching everything he had built crumble around him due to a scandal. Why? He

didn't steal money nor did he have inappropriate sexual relationships. Following a revelation from God, he began to preach that a loving God would not condemn most of the human race to hell because they are not Christian. He preaches that God belongs to no religion. The Gospel of Inclusion is the inspiring journey of one man's quest to preach a new truth.
