*West's Law of
Dilapidations*

Oxford
University
Press, USA
This work
combines
wide-ranging
case law from
a number of

different areas, with a focus upon the underlying common principles. It covers both civil and criminal contempt in detail, and includes the increasing significance of the European Convention on Human Rights; the growing recognition of the role of the media, with particular reference to court reporting and the protection of journalists' sources; and the need to compare English and Scottish law,

especially for those publishing in both jurisdictions. **West & Smith's Law of Dilapidation** s John Wiley & Sons Discusses the legal principles governing dilapidated premises. This book examines the express implied and statutory repairing obligations of landlord and tenants. It looks at the remedies which are available to both parties to a lease if a

repairing obligation is broken. It is useful for both professionals and students in the dilapidations field. National Union Catalog Workplace Law Group This book provides guidance on building survey work for typical residential, commercial and industrial buildings, with advice on how to diagnose a wide range of defects. It considers both modern and older construction methods,

together with new and traditional materials. The particular problems of alteration and renovation work are discussed, with guidance on how to carry out measured surveys. A separate chapter covers survey problems after flood and fire damage, and the legal section takes account of recent developments in case law relating to inspections and surveys of properties. This new edition continues to provide a thorough treatment of all the key issues relating to surveying buildings, dealing with the problems that surveyors are likely to encounter when inspecting buildings. Changes for the new edition include: Examples and references have been updated Evaluation of condition rating systems for domestic and commercial buildings A new section on the home condition reports More information on slate defects Bibliography revised and expanded, to make it more comprehensive Additional appendix showing the home condition report format Annual Survey of Commonwealth Law CRC Press "First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company."-- Provided by

<p>publisher. <i>Catalogue of the New York State Library: 1855</i> John Wiley & Sons This book deals with structural surveys for all types of building - domestic industrial and commercial - and includes diagnosis of a wide range of defects. It considers both modern and older construct ion methods, and deals with the particular problems of alterations and restoration work. Guidance is given on how</p>	<p>to carry out measured surveys and on report writing. The third edition covers the latest definitions of types of property surveys, more informati on on report writing and a range of detail updates. * Covers all types of building - commercial, industrial and historical - not just domestic * Deals with particular problems of conversion and renovation work-</p>	<p>increasingly important today * New edition features latest definitions of survey types, more on report writing and a range of other updates * 'a valuable reference book' - ASI Journal <u>Building Surveys, Reports and Dilapidations</u> Albany [N.Y.] : C. Van Benthuysen "This is an excellent and comprehensiv e book which can be recommended without reservation." - Conveyancer and Property</p>

Lawyer* "An intelligent book... the book's simple and concise style makes it easy to read and a worthy and lively addition to the existing volumes of the agricultural lawyers' library." - Journal of Environmental Law* "Up to date, practical and relevant...should be bought by all agricultural lawyers, land agents and those concerned with land management. Comprehensive and understandable, it is an invaluable source of reference on agricultural tenancies, subsidy payments, dairy quotas and rural environmental issues." - Agricultural Law Association Bulletin* *Reviews of previous editions The fourth edition of Agricultural Law covers all aspects of the law governing agricultural property. This unique book gives detailed coverage of both farm tenancy law and the law governing land use in one easy-to-read and accessible text. The latest edition of this acclaimed text is just as practical, readable and straightforward as the first three editions, and is now even more comprehensive. The text takes account of major changes since the third edition, such as: The General Permitted Development Order 2015 and changes

<p>to agricultural development rights The Conservation of Habitats and Species Regulations 2010, and their impact on agricultural land use Environmental permits under the Environmental Permitting (England and Wales) Regulations 2010 The introduction in 2015 of the Basic Payment Scheme, changes in the law of the EU's common agricultural policy, and their impact on farming in the UK The</p>	<p>2015 changes to farm tenancy law recommended by the Tenancy Reform Industry Group (TRIG) The 2015 Model Clauses on the maintenance and repair of fixed equipment for farm tenancy agreements All recent case law and tribunal decisions relevant to agricultural holdings and farm business tenancies Agricultural Law, Fourth Edition is essential reading for all</p>	<p>professionals involved in agricultural property work, be they lawyers, land agents, agricultural valuers or surveyors, and for students of estate management and property law.</p> <p><i>Catalogue of the New York State Library: 1855</i> London ; New York : Bowker-Saur A clear, readable, scholarly account of land law, set in the context of its historical foundations.</p> <p>Bookseller and the Stationery</p>
