HOUSTON SCARLET

The Dirty Old Man Harper Collins

Millions of viewers know and love Bob Saget from his role as the sweetly neurotic father on the smash hit Full House, and as the charming wisecracking host of America's Funniest Home Videos. And then there are the legions of fans who can't get enough of his scatological, out-of-his-mind stand-up routines, comedy specials, and outrageously profane performances in such shows as HBO's Entourage and the hit documentary The Aristocrats. In his bold and wildly entertaining publishing debut, he continues to embrace his dark side and gives readers the book they have long been waiting for—hilarious and often dirty. Bob believes there's a

time and a place for filth. From his never-before-heard stories of what really went on behind the scenes of two of the most successful family shows of all times, with co-stars like John Stamos and Mary-Kate and Ashley Olsen, to his tales of legendary friends and colleagues like Rodney Dangerfield, Richard Pryor, Don Rickles, and other show business legends, Saget opens up about some of his personal experiences with life and death, his career, and his reputation for sick humor—all with his highly original blend of silliness, vulgarity, humor and heart, and all framed by a man who loves being funny above all else.

Unmasks the tough, street-smart persona of Charles Bukowski—America's "Ultimate Outsider" Amazing letters filled with passionate, literary, and personal observation Insights into the author of Tales of Ordinary Madness, Notes of a Dirty Old

Man, and Run with the Hunted Insights into Sheri Martinelli: the protege of Anais Nin, an accomplished painter, and the mistress of Ezra Pound Charels Bukowski's persona as the Dirty Old Man of American Literature is just that: a persona, a mask beneath which there was a man better read and more cultured than most people realize. Sheri Martinelli was one of the favored few for whom Bukowski dropped the mask and engaged in serious discussion of literature and art, and for that reason the discovery and publication of his letters to her give us a more complete picture of this complicated man.

Sketchbook Harper Collins

Essential uncollected work from one of the most infamous and provocative contemporary American writers.

A Novel City Lights Books

One of Charles Bukowski's best, this beer-soaked, deliciously degenerate novel follows the wanderings of aspiring writer Henry Chinaski across World War II-era America. Deferred from military service, Chinaski travels from city to city, moving listlessly from one odd job to another, always needing money but never badly enough to keep a job. His day-to-day existence spirals into an endless litany of pathetic whores, sordid rooms, dreary embraces, and drunken brawls, as he makes his bitter, brilliant way from one drink to the next. Charles Bukowski's posthumous legend continues to grow. Factotum is a masterfully vivid evocation of slow-paced, low-life urbanity and alcoholism, and an excellent introduction to the fictional world of Charles Bukowski.

Cobweb Castle City Lights Publishers

"It began as a mistake." By middle age, Henry Chinaski has lost more than twelve years of his life to the U.S. Postal Service. In a

world where his three true, bitter pleasures are women, booze, and racetrack betting, he somehow drags his hangover out of bed every dawn to lug waterlogged mailbags up mud-soaked mountains, outsmart vicious guard dogs, and pray to survive the day-to-day trials of sadistic bosses and certifiable coworkers. This classic 1971 novel—the one that catapulted its author to national fame—is the perfect introduction to the grimly hysterical world of legendary writer, poet, and Dirty Old Man Charles Bukowski and his fictional alter ego, Chinaski.

Notes of a Dirty Old Man HarperCollins

This book explores influential designers' sketchbooks as a truer reflection of a designer's thought processes, preoccupations, and problem-solving strategies than can be had by simply viewing finished projects. Highly personal and idiosyncratic, sketchbooks offer an arena for unstructured exploration, a space free from all budgetary and client constraints. Visually arresting objects in their own right, this book aims to elevate sketches from mere ephemera to important documents where the reader can glean valuable insight into the creative process, and apply it to their own practices. Featured designers include Ralph Caplan, Nigel Holmes, Chris Bigg, Eva Jiricna, Jason Munn, Gary Baseman, Marian Bantjes, and many others.

The Life of Charles Bukowski Open Road + Grove/Atlantic

"Genius could be the ability to say a profound thing in a simple way, or even to say a simple thing in a simpler way."—Charles Bukowski In *The Mathematics of the Breath and the Way*, Charles

Bukowski considers the art of writing, and the art of living as a writer. Bringing together a variety of previously uncollected stories, columns, reviews, introductions, and interviews, this book finds him approaching the dynamics of his chosen profession with cynical aplomb, deflating pretensions and tearing down idols armed with only a typewriter and a bottle of beer. Beginning with the title piece—a serious manifesto disguised as off-handed remarks en route to the racetrack—*The Mathematics of the Breath and the Way* runs through numerous tales following the author's adventures at poetry readings, parties, film sets, and bars, and also features an unprecedented gathering of Bukowski's singular literary criticism. From classic authors like Hemingway to underground legends like d.a. levy to his own stable of obscure favorites, Bukowski uses each occasion to expound on the larger issues around literary production. The book closes with a handful of interviews in which he discusses his writing practices and his influences, making this a perfect guide to the man behind the myth and the disciplined artist behind the boozing brawler. Born in Andernach, Germany, and raised in Los Angeles, Charles Bukowski (1920–1994) is the author of over forty-five books of poetry and prose. David Stephen Calonne has written several books and edited four previous volumes of uncollected Bukowski for City Lights.

Notes of a Dirty Old Man City Lights Publishers

Literary Nonfiction. Memoir. There are many books about Charles Bukowski, but none like this one. Linda King's *LOVING & HATING CHARLES BUKOWSKI* looks at Bukowski from the other side of the mirror. It is raw, it is raucous, it is a no-holds-barred account of their five-year, on-again off-again relationship, a relationship so

intense and passionate, so deep and so tender, that it makes your heart ache to watch it flame up and then flame out. This is not a scholarly examination of Bukowski but it deepens and enriches our understanding of the man and his world, written from the heart with love. It is funny, it is tragic, it is exuberant, it is heartbreaking, it is an important addition to our knowledge not only of the poet laureate of the underclass, but of the whole underground literary scene in LA and elsewhere in the 1970s, told from the perspective of a strong, liberated woman, an artist in her own right, who gave as good as she got.

Charles Bukowski Harper Collins

A cultural history of the last forty years, *The Age of American Unreason* focuses on the convergence of social forces—usually treated as separate entities—that has created a perfect storm of anti-rationalism. These include the upsurge of religious fundamentalism, with more political power today than ever before; the failure of public education to create an informed citizenry; and the triumph of video over print culture. Sparing neither the right nor the left, Jacoby asserts that Americans today have embraced a universe of “junk thought” that makes almost no effort to separate fact from opinion.

A Memoir Canongate Books Limited

In this new interpretation of the life and work of the American poet, short story writer and novelist Charles Bukowski, David Stephen Calonne examines Bukowski's writings, colourful life and the desperate conditions of his lifestyle, looking at the literary traditions that influenced him and discussing his unique place in world literature.

South of No North City Lights Books

Traces the life of the controversial American poet, describes his experiences wandering across the country, and discusses his major writings

Bukowski in Pictures Yale University Press

The definitive collection of works on a subject that inspired and haunted Charles Bukowski for his entire life: alcohol Charles Bukowski turns to the bottle in this revelatory collection of poetry and prose that includes some of the writer's best and most lasting work. A self-proclaimed "dirty old man," Bukowski used alcohol as muse and as fuel, a conflicted relationship responsible for some of his darkest moments as well as some of his most joyful and inspired. In *On Drinking*, Bukowski expert Abel Debritto has collected the writer's most profound, funny, and memorable work on his ups and downs with the hard stuff—a topic that allowed Bukowski to explore some of life's most pressing questions. Through drink, Bukowski is able to be alone, to be with people, to be a poet, a lover, and a friend—though often at great cost. As Bukowski writes in a poem simply titled "Drinking," "for me/it was or/is/a manner of/dying/with boots on/and gun/smoking and a/symphony music background." *On Drinking* is a powerful testament to the pleasures and miseries of a life in drink, and a window into the soul of one of our most beloved and enduring writers.

Hank Harper Collins

Opening with the exotic Lady Death entering the gumshoe-writer's seedy office in pursuit of a writer named Celine, this novel demonstrates Bukowski's own brand of humour and realism, opening up a landscape of seamy Los Angeles.

Ask a Manager Notes of a Dirty Old Man

SOON TO BE A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review), now in paperback for the first time. For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. *Where the Crawdads Sing* reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Where the Crawdads Sing Harper Collins

With Bukowski, the votes are still coming in. There seems to be no middle ground—people seem either to love him or hate him. Tales of his own life and doings are as wild and weird as the very stories he writes. In a sense, Bukowski was a legend in his time . . . a madman, a recluse, a lover . . . tender, vicious . . . never the same . . . these are exceptional stories that come pounding out of his violent and depraved life . . . horrible and holy, you cannot read them and ever come away the same again. Bukowski . . . "a

professional disturber of the peace . . . laureate of Los Angeles netherworld [writes with] crazy romantic insistence that losers are less phony than winners, and with an angry compassion for the lost." —Jack Kroll, Newsweek "Bukowski's poems are extraordinarily vivid and often bitterly funny observations of people living on the very edge of oblivion. His poetry, in all its glorious simplicity, was accessible the way poetry seldom is – a testament to his genius." —Nick Burton, PIF Magazine Charles Bukowski (1920-1994) published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first book of poetry was published in 1959; he went on to publish more than forty-five books of poetry and prose, including books published by City Lights Publishers such as *Notes of a Dirty Old Man*, *More Notes of a Dirty Old Man*, *The Most Beautiful Woman in Town*, *Tales of Ordinary Madness*, *Portions from a Wine-Stained Notebook*, *Absence of the Hero* and *The Bell Tolls for No One*. *Loving & Hating Charles Bukowski* Vintage

Everyone's favorite Dirty Old Man returns with a new volume of uncollected work. Charles Bukowski (1920-1994), one of the most outrageous figures of twentieth-century American literature, was so prolific that many significant pieces never found their way into his books. *Absence of the Hero* contains much of his earliest fiction, unseen in decades, as well as a number of previously unpublished stories and essays. The classic Bukowskian obsessions are here: sex, booze, and gambling, along with trenchant analysis of what he calls "Playing and Being the Pet." Among the book's highlights are tales of his infamous public readings ("The Big Dope Reading," "I Just Write Poetry So I Can Go to Bed with Girls"); a review of his own first book; hilarious

installments of his newspaper column, *Notes of a Dirty Old Man*, including meditations on neo-Nazis and driving in Los Angeles; and an uncharacteristic tale of getting lost in the Utah woods ("Bukowski Takes a Trip"). Yet the book also showcases the other Bukowski—an astute if offbeat literary critic. From his own "Manifesto" to his account of poetry in Los Angeles ("A Foreword to These Poets") to idiosyncratic evaluations of Allen Ginsberg, Robert Creeley, LeRoi Jones, and Louis Zukofsky, *Absence of the Hero* reveals the intellectual hidden beneath the gruff exterior. Our second volume of his uncollected prose, *Absence of the Hero* is a major addition to the Bukowski canon, essential for fans, yet suitable for new readers as an introduction to the wide range of his work. "He loads his head full of coal and diamonds shoot out of his finger tips. What a trick. The mole genius has left us with another digest. It's a full house--read 'em and weep."—Tom Waits "This second volume of Bukowski's uncollected stories and essays offers all that Bukowski is known for—wry obscenity, smutty wisdom, seeming ramblings whose hidden smarts catch you unaware--but in addition there are moments here in which he takes off the mask and strips away the bravado to show himself at his most vulnerable and human. A must for Bukowski aficionados."—Brian Evenson, author of *Last Days* and *The Open Curtain* "Like a brass-rail Existentialist or a skid-row Transcendentalist, [Bukowski] is candid, unblinking, leaving it to his readers to cast their own judgment about his mishaps, his drinking, his sexual appetite or his own pessimism. He is Ralph Waldo Emerson as a Dirty Old Man, not lounging in the grape-arbor of Concord, Massachusetts, but bent-over a table in an L.A. flophouse scribbling in pencil to the strains of Sibelius."—Paul

Maheer Jr., Phawker "[Bukowski] could be generous and mean-spirited, heroic and defensive, spot-on and slanted, but he became the world-class writer he had set out to be; he has joined the permanent anti-canon or shadow-canon whose denizens had shown him the way. Today the frequent allusions to him in both popular and mainstream culture tend more to respect than mockery. If scholarship has lagged, this book would indicate that this situation is changing."—Gerald Locklin, *Resources for American Literary Study* "The pieces range over nearly half a century, and include a story about a baseball player seized by a sudden bout of existential paralysis, along with early, graphically sexual (and masterfully comic) stories published in such smut mags as *Candid Press*."—Penthouse "An absolute must for fans of Charles Bukowski's work, *Absence of a Hero* is also a welcome addition to public and college library literary studies shelves."—Midwest Book Review

Notes on a Dirty Old Man. Charles Bukowski von A bis Z. The New Press

In Victorian London, filth was everywhere: horse traffic filled the streets with dung, household rubbish went uncollected, cesspools

brimmed with "night soil," graveyards teemed with rotting corpses, the air itself was choked with smoke. In this intimately visceral book, Lee Jackson guides us through the underbelly of the Victorian metropolis, introducing us to the men and women who struggled to stem a rising tide of pollution and dirt, and the forces that opposed them. Through thematic chapters, Jackson describes how Victorian reformers met with both triumph and disaster. Full of individual stories and overlooked details--from the dustmen who grew rich from recycling, to the peculiar history of the public toilet--this riveting book gives us a fresh insight into the minutiae of daily life and the wider challenges posed by the unprecedented growth of the Victorian capital.

Stories HarperCollins

This collection gathers previously uncollected entries from the author's autobiographical column.

Beerspit Night and Cursing City Lights Books

This collection of previously unpublished poems offers the author's take on squabbling neighbours, off-kilter lovers, would-be hangers-on, and the loneliness of a man afflicted with acute powers of observation. The tone is gritty and amusing, spiralling out towards a cock-eyed wisdom.
