## RAIDEN FOLEY

*Introduction to Production* Macmillan + ORM

A sweeping historical novel in the grand tradition of Russian literature that imagines what happens to the characters of Fiddler on the Roof after the curtain falls. The world knows well the tale of Tevye, the beloved Jewish dairyman from the shtetl Anatevka of Tsarist Russia. In stories originally written by Sholem Aleichem and then made world-famous in the celebrated musical Fiddler on the Roof, Tevye, his wife Golde, and their five daughters dealt with the outside influences that were encroaching upon their humble lives. But what happened to those remarkable characters after the curtain fell? In *After Anatevka*, Alexandra Silber picks up where Fiddler left off. Second-eldest daughter Hodel takes center stage as she attempts to join her Socialist-leaning fiancé Perchik to the outer reaches of a Siberian work camp. But before Hodel and Perchik can finally be together, they both face extraordinary hurdles and adversaries—both personal and political—attempting to keep them apart at all costs. A love story set against a backdrop of some of the greatest violence in European history, *After Anatevka* is a stunning conclusion to a tale that has gripped audiences around the globe for decades.

*Topol in Fiddler on the Roof* Hal Leonard Corporation

**Fiddler on the Roof (CD)**. Hal Leonard Corporation  
Introduction to Production: Creating Theatre Onstage, Backstage, & Offstage defines the collaborative art of making theatre and the various job positions that go into realizing a production. Beginning with an overview of the art and industry of theatre, the book shows how theatre has evolved through history. The book then breaks down the nuts and bolts of the industry by looking at each professional role within it: from the topmost position of the producer down to the gopher, or production assistant. Each of these positions are defined along with their respective duties, rules, and resources that figure in obtaining these jobs. Each chapter offers exercises, links to videos and websites, review quizzes, and suggested readings to learn more about the creation and production of theatre.

Fiddler on the Roof continues to charm audiences worldwide with its captivating music and delightful characters. Calvin Custer's medley for young band features several of the show's memorable songs including: Fiddler on the Roof; Tradition; Sunr  
**Fiddler on the Roof**

Our Musicals, Ourselves is the first full-scale social history of the American musical theater from the imported Gilbert and Sullivan comic operas of the late nineteenth century to such recent musicals as The Producers and Urinetown. While many aficionados of the Broadway musical associate it with wonderful, diversionary shows like The Music Man or My Fair Lady, John Bush Jones instead selects musicals for their social relevance and the extent to which they engage, directly or metaphorically, contemporary politics and culture. Organized chronologically, with some liberties taken to keep together similarly themed musicals, Jones examines dozens of Broadway shows from the beginning of the twentieth century to the present that demonstrate numerous links between what played on Broadway and what played on newspapers' front pages across our nation. He reviews the productions, lyrics, staging, and casts from the lesser-known early musicals (the *Ògunboat* musicals of the Teddy Roosevelt era

and the "Cinderella shows" and "leisure time musicals" of the 1920s) and continues his analysis with better-known shows including *Showboat*, *Porgy and Bess*, *Oklahoma*, *South Pacific*, *West Side Story*, *Cabaret*, *Hair*, *Company*, *A Chorus Line*, and many others. While most examinations of the American musical focus on specific shows or emphasize the development of the musical as an art form, Jones's book uses musicals as a way of illuminating broader social and cultural themes of the times. With six appendixes detailing the long-running diversionary musicals and a foreword by Sheldon Harnick, the lyricist of *Fiddler on the Roof*, Jones's comprehensive social history will appeal to both students and fans of Broadway.

[Fiddler on the Roof, Part III \(includes "Wedding Dance"\)](#)

A sparkling and eye-opening history of the Broadway musical that changed the world. In the half-century since its premiere, *Fiddler*

on the Roof has had an astonishing global impact. Beloved by audiences the world over, performed from rural high schools to grand state theaters, *Fiddler* is a supremely potent cultural landmark. In a history as captivating as its subject, award-winning drama critic Alisa Solomon traces how and why the story of Tevye the milkman, the creation of the great Yiddish writer Sholem-Aleichem, was reborn as blockbuster entertainment and a cultural touchstone, not only for Jews and not only in America. It is a story of the theater, following Tevye from his humble appearance on the New York Yiddish stage, through his adoption by leftist dramatists as a symbol of oppression, to his Broadway debut in one of the last big book musicals, and his ultimate destination—a major Hollywood picture. Solomon reveals how the show spoke to the deepest conflicts and desires of its time: the fraying of tradition, generational tension, the loss of roots. Audiences

everywhere found in *Fiddler* immediate resonance and a usable past, whether in Warsaw, where it unlocked the taboo subject of Jewish history, or in Tokyo, where the producer asked how Americans could understand a story that is "so Japanese." Rich, entertaining, and original, *Wonder of Wonders* reveals the surprising and enduring legacy of a show about tradition that itself became a tradition. *Wonder of wonders, miracle of miracles.*
