"Trend following is the largest sub-category of managed futures, driven by the market

environment of price persistence. Andreas has taken a complicated topic and provided an

insightful viewpoint." Mark H. Melin, Author, High-Performance Managed Futures / Editor,

Opalesque Futures Intelligence

It's very far from easy to trade trend following managed futures. You will lose on up to 70% of all

trades. Often you will have big losses. The day to day volatility can be severe at times. Sometimes

you get periods of a year or more when you just keep losing. If you don't properly understand the

nature of trend following you will not succeed.
