Bob Miller's fail-safe methodology helps students grasp basic math and pre-algebra. All of the courses in the junior high, high school, and college mathematics curriculum require a thorough grounding in the fundamentals, principles, and techniques of basic math and pre-algebra, yet many students have difficulty grasping the necessary concepts. Utilizing the author's acclaimed and patented fail-safe methodology for making mathematics easy to understand, Bob Miller's Basic Math and Pre-Algebra for the Clueless enhances students' facility in these techniques and in understanding the basics. This valuable new addition to Bob Miller's Clueless series provides students with the reassuring help they need to master these fundamental techniques, gives them a solid understanding of how basic mathematics works, and prepares

them to perform well in any further mathematics courses they take.

Basic Math & Pre-Algebra Super Review

John Wiley & Sons

Need help with Basic Math and Pre-Algebra? Want a quick review or refresher for class? This is the book for you! REA's Basic Math and Pre-Algebra Super Review gives you everything you need to know! This Super Review can be used as a supplement to your high school or college textbook, or as a handy guide for anyone who needs a fast review of the subject.

- Comprehensive, yet concise coverage - review covers the material that is typically taught in a beginning-level math and pre-algebra course. Each topic is presented in a clear and easy-to-understand format that makes learning easier.
- Packed with practice - each review lesson is packed with practice questions and answers for each topic. Practice what you've learned and build your basic math and pre-algebra skills, so you'll be ready for any problem you encounter on your next quiz or test.
- Detailed answers - our practice problems come with step-by-

step detailed solutions to help you understand the material and sharpen your skills. Whether you need a quick refresher on the subject, or are prepping for your next exam, we think you'll agree that REA's Super Review provides all you need to know!
