“The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.”- The New York Times

From the revered British illustrator, a modern fable for all ages that explores life’s universal lessons, featuring 100 color and black-and-white drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy.

Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book based on his famous quartet of characters. The Boy, the Mole, the Fox, and the Horse explores their unlikely friendship and the poignant, universal lessons they learn together. Radiant with Mackesy’s warmth and gentle wit, The Boy, the Mole, the Fox, and the Horse blends hand-written

narrative with dozens of drawings, including some of his best-loved illustrations (including “Help,” which has been shared over one million times) and new, never-before-seen material. A modern classic in the vein of The Tao of Pooh, The Alchemist, and The Giving Tree, this charmingly designed keepsake will be treasured for generations to come.

 Fourteen-year-old Kathleen is walking home from a concert on a dark Liverpool night in 1974 when she's violently raped. The attacker, unimaginably, is her trusted parish priest. Terrified, Kathleen never tells her pious Catholic mother, and when she discovers she is pregnant, she pays a terrible price for her silence. Her mother believes Kathleen to be a fallen child

and sends her to have her ill-begotten baby in Ireland. Kathleen toils in a notorious Magdalene Laundry, where heartless nuns dole out merciless penance on shamed girls. Kathleen never recovers from her trauma, and years later she's become the overprotective , paranoid mother of a second child. Meanwhile, Faye, a widowed mother of three worries about her teenage son,

Tim. He's increasingly withdrawn, but when several parcels are mysteriously delivered the shocking truth about what is going on in his life is slowly revealed. She turns to an old flame believing he is at the root of Tim's problems and as the couple rekindles their love, Tim's troubles deepen. Faye pours out her sorrows in letters to a friend, and slowly, shocking family secrets and

interwoven relationships reveal themselves. As it turns out, Kathleen isn't the only fallen one in this story of love, forgiveness, and powerful family ties. Every Family Has One is the anticipated sequel to The Catholic Woman's Dying Wish. It can be read as a stand-alone sequel. The True Story of a Modern-Day Child Slave Lcb Publishing This is a comprehensive clinical resource for addiction

counselors who want to learn about the psychological components of the problem, for individual therapists—dynamic, cognitive, and behavioral—who want to understand systems approaches in order to draw on a broader repertoire of useful interventions, and for couple and family therapists who want to learn more about the intrapsychic, biological, and pharmacologic aspects of

addiction. Dr. Jerome D. Levin takes the reader down the parallel paths of addiction treatment and individual and family therapy until they meet on the bridge of actual clinical practice. Practitioner, professor, prolific author, and respected authority in the field, Dr. Levin uses approaches to the treatment of alcoholism as a model for illustrating how theory, research, and flying by the seat of the

professional pants can integrate into a therapeutic style to help substance abusers and their partners and families. You Can Have a Happy Family Dillard Pub. A new edition for the changing landscape of new parenting. As society changes, so do the ways in which we define family. As fewer and fewer families live communally and traditional means of support become less

viable, many parents are left feeling isolated and unsupported. As families evolve, their needs and the responsibilities of those who support them have to be reimagined. Jacqueline Kelleher's second edition of Nurturing the Family is designed to identify the needs of growing families and provide tangible solutions and strategies for the people who serve them. The needs of families and

the profession of doula support have evolved in the years since the first edition. This book reflects those changes and is for doulas, supporting professionals, and everyone else committed to supporting a diversity of families with sensitivity and compassion.

Bethany House Publishers Providing practical information and effective advice, this helpful guidebook helps stepfamilies understand and cope with the special problems and issues that arise in new

family relationships. Simultaneous. *Minimize the Effects of Divorce on Your Children* Doubleday Books What is the real legacy of divorce? To answer this question, Constance Ahrons, Ph.D., interviewed one hundred and seventy-three grown children whose divorcing parents she had interviewed twenty years earlier for her landmark study, the basis of which was the highly

acclaimed book *The Good Divorce*. What she has learned is both heartening and significant. Challenging the stereotype that children of divorce are emotionally troubled, drug abusing, academically challenged, and otherwise failing, Dr. Ahrons reveals that most children can and do adapt, and that many even thrive in the face of family change. Although divorce is never easy for

any family, she shows that it does not have to destroy children's lives or lead to a family breakdown. With the insight of these grown children and the advice of this gifted family therapist, divorcing parents will find helpful road maps identifying both the benefits and the harms to which postdivorce children are exposed and, ultimately, what they can do to maintain

family bonds. *Muggles' New Home* Revell A childless mother faces the hollowing pain of recurrent pregnancy loss and overwhelming disappointment. When her faith plummeted along with the statistics of ever having a child, she refused to accept defeat. Deep within her soul was an undying dream of nurturing children that compelled her to make it a reality. Journey with Tanika, as she

goes from the warm memories of her grandmother's house to the bitter cold of the mortuary in her quest to have a family. You will be captivated by the depth of love that arises from the ashes of pain. You will experience her tears of despair. You will jubilantly celebrate the promise of new beginnings and accompany Tanika in mourning painful endings. Most importantly,

you will be encouraged to live after the pain of loss and to love without restraint.

Building A Family Breaks My Heart will touch your heart, whether you have or have not experienced the unspeakable pain of miscarriage, pregnancy loss, or stillbirth.
