When You Were Mine AuthorHouse From USA Today bestselling author comes a brand-new novel. Know what happens when you don't bother dating all through college because you're much too busy trying to stay on top of your classes? I'll give you a

little hint... It starts with the letter V and ends with virginity. Ding, ding, ding... nailed it. Well... at least something got nailed. Because it certainly wasn't me. Just to be clear, it's not like I've been holding out all these years, waiting around for Mr. Perfect to ride in and sweep me off my feet. Nor did I take a sacred vow of chastity. It just kind of happened... or didn't happen, as the case may be. Know

what's even worse than that? Wait for it... Having the bad boy of the NFL, who also happens to be one of my brother's teammates, offer to take care of that pesky little problem for me. Which is downright laughable, because if there's one person I'm barely able to tolerate- it's JT Higgins. He may be amazing out on the field, but he's even more notorious for his bar brawls, drunken antics, and

the women
 who flock to
 him in droves.
 It goes
 without saying
 that he's
 keeping some
 clinic in
 business with
 swab tests
 and penicillin.
 I've had three
 long years of
 practice
 shutting down
 his every
 advance. So
 ignoring him
 should be a
 piece of cake,
 right? Wrong.
 JT was given
 an ultimatum
 at the end of
 last season-
 clean up his
 act or get
 traded. For
 some odd
 reason, my
 brother Liam
 has decided to

take him
 under his
 wing. So now
 the golden
 haired, green
 eyed
 mountain of
 muscle is
 around all the
 time. Sitting
 across from
 me during
 Thursday
 night family
 dinners.
 Knocking on
 the door and
 pushing his
 way inside
 when I'm
 babysitting
 my niece and
 nephews.
 Showing up at
 the shop
 where I get
 coffee on my
 way to school.
 If all that
 weren't bad
 enough, he
 has this

annoying
 habit of
 watching me.
 What I'd like
 to know is
 when exactly
 did his gaze
 start to feel
 like a physical
 caress? It's
 enough to
 make me
 scream. It's
 also enough to
 send my pulse
 skittering and
 my resolve to
 the brink of
 shattering.
 Because this
 new and
 improved JT...
 the one who
 doesn't whore
 around or
 drink, well-
 he's more
 difficult to
 resist.
 Especially
 when all that
 sexy attention

is focused solely on me. - -- "I loved this book! All her books really!" -Andrea, GoodReads "There's just something about a bad boy and a brother's best friend that sucks you in. Computer engineer Dwight's anger at the world is offset by the compassion of Leland, a gay psychiatrist whose clients make him question why God ever invented sex. But after five years, the once-strong bonds of friendship are weakening, and the group must handle challenges of work, lost love, and a stranger in

their midst. As the group members confront their true feelings toward each other, resentments and long-held secrets surface, and the stability of the group begins to disintegrate. Is their past friendship strong enough to survive the future?

The Barnett Bulldogs

Series Red Adept Publishing, LLC From USA Today bestselling author Jennifer Sucevic comes a steamy,

enemies-to-lovers, forced proximity, new adult sports romance collection that is laugh out loud funny featuring three strong heroines and the cocky football players who fall first and hard for them. King of Campus Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. People, by which I mean grown women, actually stalk

him on the internet. And around campus. Apparently, he's god's gift to both football and the ladies (I'm using that term loosely). All he has to do is smile and girls fall right onto their backs before spreading their legs wide. I've heard that he's already plowed his way through half the female population at Barnett. My guess is that he'll work his way through the second

half before he gets drafted to the NFL later this year. Yeah...I don't plan to be one of them. The guy is nothing more than a conceited player. You know the type—a steroid infused meathead coasting through college on his football prowess. Ugh. I have three words for you—avoid, avoid, avoid. Friend Zoned Sam Harper is my best friend and has been since we were fourteen years old.

Unfortunately, he sees himself as my unofficial big brother. Which is to say that the guy is a major cock block. I swear he has a sixth sense when it comes to me getting laid. It's frustrating how I can be on the verge of sealing the deal when Sam will appear out of nowhere, and suddenly my night is going up in a big ball of sexually frustrated flames. I think the guy enjoys messing with me. Why else would he take such perverse

pleasure in
doing it?
Exactly. I'm
thinking he
needs a
girlfriend.
Someone to
preoccupy
him. Maybe
then he'd stop
trying to get
in my way all
the time.
Except...I'm
starting to
notice things
about Sam
that I
definitely
shouldn't be
noticing. Like
those piercing
blue eyes that
pin me in
place. Or his
short blond
hair that I
want to drag
my fingers
through. Not
to mention
those killer

abs that I
sometimes
catch a
fleeting
glimpse of
when he
stretches next
to me in class.
The strange
feelings that
have sprung
up in me are
definitely
starting to
freak me out. I
mean, we're
friends. We've
always been
just friends.
And I don't
want that to
change. One
Night Stand
Liam The
moment she
stepped foot
through the
door, she was
on my radar.
How could she
not be? The
woman is

absolutely
gorgeous.
Thick, inky
black hair and
a sweetly
curved body.
Although I
have to admit,
this hole-in-
the-wall dive
bar doesn't
exactly seem
like her scene.
For one, she's
wearing too
much clothing.
Two, she's
shooting down
every guy that
sniffs around
her table like
it's her sole
mission in life.
Casualties are
scattered
across the
beer-stained
floor as we
speak. And
three, my
guess is that
she's a little

older than the usual college-aged crowd that hangs out here looking for a hookup to stumble home with at the end of the night. After a careful assessment of the situation, my current plan of action is to keep my sights firmly locked on the target as I bide my time nursing a beer. Luckily, it doesn't take long for some drunken idiot to give me the perfect opportunity to step in and run interference. If You Were

Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character-but it feels too good to stop.

And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.
While You Were Mine
 HarperCollins
 From the USA
 Today bestselling author of Reel comes a

powerful, "achingly beautiful" (A.L. Jackson) novel of one woman on the brink of making a decision that will change her life forever. Kerris Moreton knows how to make things work. Bounced from foster home to foster home as a kid, she adapted; when opportunity arose, she thrived. Now, about to open her own business and accept a marriage proposal, Kerris is ready to build the

life she's always wanted. The only thing missing? A passionate connection with her would-be fiancée, Cam. Kerris wants to believe that sparks are overrated—until Walsh Bennett lights her up like the Fourth of July. As one of the East Coast's most eligible bachelors, Walsh enjoys financial independence, fulfilling work with his family's nonprofit, and plenty of female attention. But

lately he's been distracted by the one woman he can't have. Lovely to look at and even sweeter to know, Kerris is the soul mate Walsh never thought he would find. The problem is, his best friend found her first. *Before You Were Mine* HarperCollins UK As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition

allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a

serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable

career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light

in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic! **When You Are Mine** Loveswept St. Cyril of Jerusalem wrote: The dragon sits by the side of the road, watching those who pass. Beware lest he devour you. The late author Flannery O'Connor

suggested that no matter the particular manifestation of the dragon, it is of this mysterious passage past him, or into his jaws, that stories of any depth will always be concerned to tell. If You Were Mine deals gently and compassionately with a very painful consequence of falling into sexual temptation from the perspective of a young woman's experience. It is a love story

turned tragic, as the protagonist fails to listen to her heart in her own defining moment before the dragona story told simply and sweetly, offering eventual hope, healing and release from the dragons jaws. **As Though You Were Mine** Siren Publishing Susannah and Rob were childhood sweethearts. But as with most early love affairs, they broke up, moved on and now find

themselves in very different places. And not entirely happy - who is? A chance meeting between them sends shockwaves through their lives. What happens when your first love makes a surprise reappearance ? *Amores* Simon and Schuster "An electrifying family drama that shows the dark side of adoption, *You Were Always Mine* is the kind of book you will want to finish in one sitting."

—Bustle The acclaimed author of *Little Broken Things* returns with another “race-to-the-finish family drama” (People) about a single mother who becomes embroiled in a mystery that threatens to tear apart what’s left of her family. Jessica Chamberlain, newly separated and living with her two sons in a small Iowa town, can’t believe that a tragedy in another state could have anything to do with her. But

when her phone rings one quiet morning, her world is shattered. As she tries to pick up the pieces and make sense of what went wrong, Jess begins to realize that a tragic death is just the beginning. Soon she is caught in a web of lies and half-truths—and she’s horrified to learn that everything leads back to her seven-year-old adopted son, Gabriel. Years ago, Gabe’s birth mother

requested a closed adoption and Jessica was more than happy to comply. But when her house is broken into and she discovers a clue that suggests her estranged husband was in close contact with Gabe’s biological mother, she vows to uncover the truth at any cost. A harrowing story of tenacious love and heartbreaking betrayal, *You Were Always*

Mine is about the wars we wage to keep the ones we love close, perfect for fans of Liane Moriarty and Jodi Picoult. If You Could Be Mine Forever Growing up in privileged, Manhattan social circles, Caggie's life should be perfect, and it almost was until the day that her younger sister drowned when Caggie was supposed to be watching her. Stricken by grief, Caggie pulls away from her friends and

family, only to have everyone misinterpret a crucial moment when she supposedly saves a fellow classmate from suicide. Now she's famous for something she didn't do and everyone lauds her as a hero. But inside she still blames herself for the death of her sister and continues to pull away from everything in her life, best friend and perfect boyfriend included. Then Caggie meets

Astor, the new boy at school, about whom rumours are swirling and known facts are few. In Astor she finds someone who just might understand her pain, because he has an inner pain of his own. But the more Caggie pulls away from her former life to be with Astor, the more she realises that his pain might be darker, and deeper, than anything she's ever felt. His pain might be enough to end his life...and Caggie's as

well.
