*Schools of Thought* Little, Brown

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Meis that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective Peoplet to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

**Chronicles** Simon and Schuster

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

*A History of the United States* Mark Twain Media

Kagero Nikki, translated here as The Gossamer Years, belongs to the same period as the celebrated Tale of Genji by Murasaki Shikuiibu. This remarkably frank autobiographical diary and personal confession attempts to describe a difficult relationship as it reveals two tempestuous decades of the author's unhappy marriage and her growing indignation at rival wives and mistresses. Too impetuous to be satisfied as a subsidiary wife, this beautiful (and unnamed) noblewoman of the Heian dynasty protests the marriage system of her time in one of Japanese literature's earliest attempts to portray difficult elements of the predominant social hierarchy. A classic work of early Japanese prose, The Gossamer Years is an important example of the development of Heian literature, which, at its best, represents an extraordinary flowering of realistic expression, an attempt, unique for its age, to treat the human condition with frankness and honesty. A timeless and intimate glimpse into the culture of ancient Japan, this translation by Edward Seidensticker paints a revealing picture of married life in the Heian period.

*The American Journey* Good Press

Inspired by ancient Greek city states, Rousseau searched for a way which states of his day could be equally representative Holding men in wretched subservience, feudalism--alongside religion--was a powerful force in the eighteenth century. Self-serving monarchic social systems,

which collectively reduced common people to servitude, were now attacked by Enlightenment philosophers, of whom Rousseau was a leading light. His masterpiece, The Social Contract, profoundly influenced the subsequent development of society and remains provocative in a modern age of continuing widespread vested interest. This is the most comprehensive paperback edition available, with introduction, notes, index and chronology of Rousseau's life and times.

**Gossamer Years** Infobase Publishing

The Chronicles of Froissart (1337-1410) are one of the greatest contemporary records of fourteenth-century England and France. Depicting the great age of Anglo-French rivalry from the deposition of Edward II to the downfall of Richard II, Froissart powerfully portrays the deeds of knights in battle at Sluys, Crecy, Calais and Poitiers during the Hundred Years War. Yet they are only part of this vigorous portrait of medieval life, which also vividly describes the Peasants' Revolt, trading activities and diplomacy against a backdrop of degenerate nobility. Written with the same sense of curiosity about character and customs that underlies the works of Froissart's contemporary, Chaucer, the Chronicles are a magnificent evocation of the age of chivalry.

A Tale of Today Bloomsbury Publishing

Taken from "The Talented Tenth" written by W. E. B. Du Bois: The Negro race, like all races, is going to be saved by its exceptional men. The problem of education, then, among Negroes must first of all deal with the Talented Tenth; it is the problem of developing the Best of this race that they may guide the Mass away from the contamination and death of the Worst, in their own and other races. Now the training of men is a difficult and intricate task. Its technique is a matter for educational experts, but its object is for the vision of seers. If we make money the object of man-training, we shall develop money-makers but not necessarily men; if we make technical skill the object of education, we may possess artisans but not, in nature, men. Men we shall have only as we make manhood the object of the work of the schools--intelligence, broad sympathy, knowledge of the world that was and is, and of the relation of men to it--this is the curriculum of that Higher Education which must underlie true life. On this foundation we may build bread winning, skill of hand and quickness of brain, with never a fear lest the child and man mistake the means of living for the object of life.

Mayan, Incan, and Aztec Civilizations, Grades 5 - 8 W. W. Norton & Company

"State of the Union Addresses" by Franklin D. Roosevelt. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. **The Definitive Chronicle of the Ancient Peoples of Central America and Mexico Including the Aztec, Maya, Olmec, Mixtec, Toltec and Zapotec** Peter Lang

The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for

herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.

**Three Minutes in Poland** Vintage

The Disney Interviews is a collection of one-on-one conversations with Imagineers, artists, actors, musicians, magic-makers, and Mousketeers who worked for and with Walt Disney and the Walt Disney Company in the creation of the Disney parks, movies, television series, and legacy, or were instrumental in helping to preserve his legacy and history, including: Julie Andrews, Marty Sklar, George McGinnis, Lonnie Burr, Alice Davis, Dave Smith, Al Konetzni, Bill "Sully" Sullivan, Richard M. Sherman, and more!This book is a compilation of just some of the interviews conducted by Lou Mongello since he started podcasting in early 2005 for his WDW Radio show (WDWRadio.com). Lou carefully selected these interviews to be included in this book, not only because they were some of his personal favorites, or true Disney Legends, but also because each of them personally knew and worked for or with Walt Disney. They all share individual stories of how Walt influenced their lives, through his trust, guidance, and friendship. About the Author:Lou Mongello is a former attorney who left the practice to pursue his passion for Disney. He is the author of multiple books and audio tours about the Disney Parks, and is the host of WDWRadio.com, an award-winning podcast, live video and community about the Disney Parks, Marvel, and Star Wars. He is a speaker who also provides mentoring and consulting to individuals and organizations looking to build their businesses and brands by sharing the magic of Disney, as well as social media, podcasting, live video, and community.

*The Spanish Conquest of America* Penguin UK

'I am a woman's rights. I have plowed and reaped and husked and chopped and mowed, and can any man do more than that? I am as strong as any man that is now' A former slave and one of the most powerful orators of her time, Sojourner Truth fought for the equal rights of Black women throughout her life. This selection of her impassioned speeches is accompanied by the words of other inspiring African-American female campaigners from the nineteenth century. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

The Monroe Doctrine Everyman Paperback

A leading economic historian traces the evolution of American capitalism from the colonial era to the present—and argues that we've reached a turning point that will define the era ahead. "A monumental achievement, sure to become a classic."—Zachary D. Carter, author of The Price of Peace In this ambitious single-volume history of the United States, economic historian Jonathan Levy reveals how capitalism in America has evolved through four distinct ages and how the country's economic evolution is inseparable from the nature of American life itself. The Age of Commerce spans the colonial era through the outbreak of the Civil War, and the Age of Capital traces the lasting impact of the industrial revolution. The volatility of the Age of Capital ultimately led to the Great Depression, which sparked the Age of Control, during which the government took on a more active role in the economy, and finally, in the Age of Chaos, deregulation and the growth of the finance industry created a booming economy for some but also striking inequalities and a lack of oversight that led directly to the crash of 2008. In Ages of American Capitalism, Levy proves that capitalism in the United States has never been just one thing. Instead, it has morphed through the country's history—and it's likely changing again right now. "A stunning accomplishment . . . an indispensable guide to understanding American history—and what's happening in today's economy."—Christian Science Monitor "The best one-volume history of American capitalism."—Sven Beckert, author of Empire of Cotton

**The Walt Disney World Trivia Book** Chronicles

Messiah Jesus: Christology in His Day and Ours argues that Jesus is a complex Messiah in a second

Temple Jewish context. This book describes Jesus in his many roles: King, Healer, Teacher, superior Scribe of the Law, Disciple, Sage, Judge, Prophet, Martyr example, atoning Sacrifice, Priest, and mystical Leader in resurrection. Douglas W. Kennard examines how Jesus became realized as God revealing Himself and how it is this full realization of who Jesus is that became the Biblical gospel. The book is a critical realist Biblical and systematic theologic statement that deepens awareness of Jesus.

**Ender's Game** John Wiley & Sons

Provides lessons and activities on the history, literature, music, geography, and art of the three ancient civilizations.

[More Secrets, History and Fun Facts Behind the Magic](#) McGraw-Hill

Judaism, Christianity and Islam: An Introduction to Monotheism shows how a shared monotheistic legacy frames and helps explain the commonalities and disagreements among Judaism,

Christianity and Islam and their significant denominations in the world today. Taking a thematic approach and covering both historical and contemporary dimensions, the authors discuss how contemporary geographic and cultural contexts shape the expression of monotheism in the three religions. It covers differences between religious expressions in Israeli Judaism, Latin American Christianity and British Islam. Topics discussed include scripture, creation, covenant and identity, ritual, ethics, peoplehood and community, redemption, salvation, life after death, gender, sexuality and marriage. This introductory text, which contains 30 images, a map, a timeline, chapter afterthoughts and critical questions, is written by three authors with extensive teaching experience, each a specialist in one of the three monotheistic traditions.

The classic Gothic suspense novel by Daphne du Maurier -- winner of the Anthony Award for Best Novel of the Century -- is now a Netflix film starring Lily James and Armie Hammer. Last night I

dreamt I went to Manderley again . . . The novel begins in Monte Carlo, where our heroine is swept off her feet by the dashing widower Maxim de Winter and his sudden proposal of marriage.

Orphaned and working as a lady's maid, she can barely believe her luck. It is only when they arrive at his massive country estate that she realizes how large a shadow his late wife will cast over their lives--presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. "Daphne du Maurier created a scale by which modern women can measure their feelings." -Stephen King
