A tweed suit, pipe, umbrella, and hat; a large dose of British humor and no sports --well, except for cricket. The Chap is the modern English gentleman, and he's out to conquer the world. How to be Chap explores the roots of the English gentleman and follows them to the present day. Today's chaps live according to their own rules --with hats, pipes, and, of course, British humor. Inspired by men such as Beau Brummell and Lord Byron, they maintain proper English ideals and virtues. By stepping back to tradition, they're advancing a lifestyle revolution. In this book, chap expert Gustav Temple explains how a chap dresses, where he goes on vacation, which sports he plays (cricket) and which ones he doesn't (everything else). From the historical foundations of British gentlemen's culture to today's dos and don'ts, How to be Chap provides thorough answers to chap-related questions and plenty of cultivated laughs.
