Time, Talent, Energy Charisma Media

Eckhardt takes your prayer life to a whole new level, and shows you want to pray when you need God's attention. These prayers guarantee that you will have God's ear and get victory over stubborn demons and strongholds in your life.

Prayers That Move Mountains Skyhorse

Ella Reynolds knew from the first moment she walked into the old house someone or something was watching her. Waiting. Her husband's violent murder sent her spiraling into a world of grief and isolation, but Ella isn't alone. Who or what is responsible for her husband's death is still with her. Darkness has engulfed the past year of Ella's life. Everyday reality slips a little more between her fingers as she struggles to break free from her memories. She must look deeper into her past as well as the present to discover truth of her husband's homicide. A string of uncanny events takes place and practical explanations run thin as Ella follows the terrifying road to closure. As the past and present come to a head, Ella must decipher who or what the murderer is before it takes her as well.

You Can Have What You Want S. Chand Publishing

Managing Your Scarcest Resources Business leaders know that the key to competitive success is smart management of scarce resources. That's why companies allocate their financial capital so carefully. But capital today is cheap and abundant, no longer a source of advantage. The truly scarce resources now are the time, the talent, and the energy of the people in your organization--resources that are too often squandered. There's plenty of advice about how to manage them, but most of it focuses on individual actions. What's really needed are organizational solutions that can unleash a company's full productive power and enable it to outpace competitors. Building off of the popular Harvard Business Review article "Your Scarcest Resource," Michael Mankins and Eric Garton, Bain & Company experts in organizational design and effectiveness, present new research into how you can liberate people's time, talent, and energy and unleash your organization's productive power. They identify the specific causes of organizational drag--the collection of institutional factors that slow things down, decrease output, and drain people's energy--and then offer a pragmatic framework for how managers can overcome it. With practical advice for using the framework and in-

depth examples of how the best companies manage their people's time, talent, and energy with as much discipline as they do their financial capital, this book shows managers how to create a virtuous circle of high performance.

Extraction of Nonferrous Metals Harvard Business Review Press

As a former top CBS celebrity interviewer, Arnie Warren posed a question to himself, "How can you believe in that which you do not know?" His first book "The Great Connection" found its title reflective of the gift this book imparts; the reader finally understanding who they are, thus making the Great Connection! "The Great Connection," is an uplifting and relatable short story designed to be read and reread as we grow through the seasons of our lives. It is a part auto-biographical story whose characters reflect one of the four DISC behavioral styles. As you read this fast moving story, you will see yourself, friends, family, colleagues or bosses interacting in multiple situations and finally begin to understand who you are, as well as others. Life long learners, entrepreneurs, human development professionals, leaders, as well as spiritual and life coaches have found this book to be a great resource to solidify a person's understanding of self, strengthen one's confidence, move through one's fears or insecurities to become the best they can be.

Dark Corners Harlequin / SB Creative

Stranded With A Spy 1 American Education Publishing

Ludwig van Beethoven wrote numerous piano pieces to teach to his pupils. Still, today, his works are an integral part of piano lessons. My first Beethoven is perfect for pianists of every age to become acquainted with these works. This volume contains Beethoven's most popular and easiest piano pieces - from the frequently played Sonatinas in G and F major to Für Elise and the famous Moonlight

Sonata. Ideal for music lessons and music-making at home! Great works for little masters!

Summer Link Math, Grades 1-2 Schott Music

Considered by Ty Cobb as "the finest natural hitter in the history of the game," "Shoeless Joe"

Jackson is ranked with the greatest players to ever step onto a baseball diamond. With a career .356 batting average—which is still ranked third all-time—the man from Pickens County, South Carolina, was on his way to becoming one of the greatest players in the sport's history. That is until the "Black Sox" scandal of 1919, which shook baseball to its core. While many have sympathized with Jackson's ban from baseball (even though he hit .375 during the 1919 World Series), not much is truly known about this quiet slugger. Whether he participated in the throwing of the World Series or not, he is still considered one of the game's best, and many have fought for his induction into the National Baseball Hall of Fame. From the author of *Turning the Black Sox White* (on Charles Comiskey) and *War on the Basepaths* (on Ty Cobb), *Shoeless Joe* tells the story of the incredible life of Joseph Jefferson Jackson. From a mill boy to a baseball icon, author Tim Hornbaker breaks down the rise and fall of "Shoeless Joe," giving an inside look during baseball's Deadball Era, including Jackson's personal point of view of the "Black Sox" scandal, which has never been covered before. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
