THE NEW YORK TIMES BESTSELLER 'Insightful, thought-provoking and profound. I can't recommend highly enough' Sunny Singh 'A revolutionary work of beauty, brilliance, compassion and ultimately, hope' Robin DiAngelo The consequences of racism can be found in our bodies - in skin and sinew, in bone and blood. In this ground-breaking, inspiring work, therapist Resmaa Menakem examines the damage, the physical consequences of discrimination, from the perspective of body-centred psychology. He argues that until we learn to heal and overcome the generational anguish of white supremacy, we will all continue to bear its scars. My Grandmother's Hands is an extraordinary call to action for all of us to recognize that racism affects not only the mind, but also the body, and introduces an alternative view of what we can do to grow beyond our racial divides.

A hardened cynic and a hopeless romantic teach each other about love in this swoony and heartfelt romance that's perfect for

fans of Tweet Cute and The Upside of Falling. Harper works in her mom's wedding shop, altering dresses for petulant and picky brides who are more focused on hemlines than love. After years of watching squabbles break out over wedding plans, Harper thinks romance is a marketing tool. Nothing more. Her best friend Theo is her opposite. One date and he's already dreaming of happily-ever-afters. He also plays the accordion, makes chain mail for Ren Festers, hangs out in a windmill-shaped tree house, cries over rom-coms, and takes his word-of-the-day calendar very seriously. When Theo's shocked to find himself nursing his umpteenth heartbreak, Harper offers to teach him how not to fall in love. Theo agrees to the lessons, as long as Harper proves she can date without falling in love. As the lessons progress and Theo takes them to heart, Harper has a harder time upholding her end of the bargain. She's also checking out her window to see if Theo's home from his latest date yet. She's even watching rom-coms. If she confesses her feelings, she'll undermine everything she's taught him. Or was he the one teaching her?

NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. "A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way."—*Glamour* (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging

them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past

few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Extra Large Address Book Penguin UK

Valuable flea market finds... A peeling, antique vanity in muted sea green... An elegant, cracked chandelier... An enormous, slipcovered sofa with deep, cushions... Comfort, the beauty of imperfections, the allure of time-worn objects, and the appeal of

simple practical living: these are the cornerstones of what has come to be known as the Shabby Chic style. Like the cozy familiarity of a well-worn pair of faded jeans, the dilapidated elegance of an Italian villa, or the worn grandeur of faded velvets and mismatched floral china handed down from your grandmother's attic, the Shabby Chic style is a revived appreciation for what is used, well-loved, and worn. It is a respect for natural evolution and a regard for what is easy and sensible. The hundreds of lavish photographs in this book invite you inside the unique world of Shabby Chic. Rachel Ashwell, founder of the Shabby Chic home decor stores, for the first time provides her invaluable and much-sought-after advice on how to re-create Shabby Chic style in your own home. With engaging text and easy-to-follow instructions, Rachel details the Shabby Chic basics in a way that will put even the most apprehensive or novice decorators at ease. From flowers to fabrics to lighting, Rachel illuminates all of the elements essential to this unpretentious yet truly exquisite style. A behind-the-scenes look at a flea market lets readers in on Rachel's personal secrets of how to cull hidden treasures from flea market trash--an old trunk, its paint peeling around the edges, can be given new life as a coffee table, while a chipped white iron salvage piece becomes the perfect frame for a vintage mirror. This book tells you not only how to restore these pieces but how to find the perfect place for them in your home. Gorgeous color photographs and accompanying text reveal how this relaxed look works with a variety of different styles, from Victorian to Mediterranean to contemporary.

Restrictive Language Policy in Practice Good Night Books

When you're little, the night can be big and scary. It's full of shadows and strange sounds from creatures lurking in hidden places. But, as Little Fox finds out, there's really no need to be afraid of the dark at all. This delightful, dimly lit story will show every little reader the fun that can be had after the sun has set, and the moonlit magic of the world at nighttime.
