In *Out of Africa*, author Isak Dinesen takes a wistful and nostalgic look back on her years living in Africa on a Kenyan coffee plantation. Recalling the lives of friends and neighbours—both African and European—Dinesen provides a first-hand perspective of colonial Africa. Through her obvious love of both the landscape and her time in Africa, Dinesen's meditative writing style deeply reflects the themes of loss as her plantation fails and she returns to Europe. The Music of James Bond Hal Leonard
 “This is a gorgeous, lyrical, hilarious, important book. . . . Read this and you may find yourself instinctively beginning to heal old wounds: in yourself, in others, and just maybe in the cathedral of the wild that is our true home.”—Martha Beck, author of *Finding Your Own North*

Star Boyd Varty had an unconventional upbringing. He grew up on Londolozi Game Reserve in South Africa, a place where man and nature strive for balance, where perils exist alongside wonders. Founded more than eighty years ago as a hunting ground, Londolozi was transformed into a nature reserve beginning in 1973 by Varty’s father and uncle, visionaries of the restoration movement. But it wasn’t just a sanctuary for the animals; it was also a place for ravaged land to flourish again and for the human spirit to be restored. When Nelson Mandela was released after twenty-seven years of imprisonment, he came to the reserve to recover.

Cathedral of the Wild is Varty’s memoir of his life in this exquisite and vast refuge. At Londolozi, Varty gained the confidence that emerges from living in Africa. “We came out strong and largely unafraid of life,” he writes, “with the full knowledge of its dangers.” It was there that young Boyd and his equally adventurous sister learned to track animals, raised leopard and lion cubs, followed their larger-than-life uncle on his many adventures filming wildlife, and became one with the land. Varty survived a harrowing black mamba encounter, a debilitating bout with malaria, even a vicious crocodile attack, but his biggest challenge was a personal

crisis of purpose. An intense spiritual quest takes him across the globe and back again—to reconnect with nature and “rediscover the track.” *Cathedral of the Wild* is a story of transformation that inspires a great appreciation for the beauty and order of the natural world. With conviction, hope, and humor, Varty makes a passionate claim for the power of the wild to restore the human spirit.

Praise for *Cathedral of the Wild*

“Extremely touching . . . a book about growth and hope.”—*The New York Times*

“It made me cry with its hard-won truths about human and animal nature. . . .

Both funny and deeply moving, this book belongs on the shelf of everyone who seeks healing in wilderness.”—*BookPage*

Film Music at the Piano Rowman & Littlefield

Arguably the most important popular British composer of the 20th century, John Barry (1933-2011) enjoyed a career that spanned over fifty years, in which time he won five Academy Awards for pictures including *Born Free*, *Out of Africa* and *Dances with Wolves*. His reputation was further gilded by his soundtracks for a dozen James Bond films between 1962 and 1987. Barry’s career reflects the evolution of post-war British music from big band to rock and roll and the birth of pop. In the cultural foment of Swinging Sixties London he became an iconic figure and an inspiration to countless musicians. Written with Barry’s cooperation and including insights from close friends, Eddi Fiegel’s *John Barry: A Sixties Theme* celebrates a life of stunning creativity, recreates an unforgettable era in British culture, and reveals how John Barry came to write his music and why.

#1 *New York Times* bestseller “Barry will

teach you almost everything you need to know about one of the deadliest outbreaks in human history."—Bill Gates "Monumental... an authoritative and disturbing morality tale."—Chicago Tribune The strongest weapon against pandemic is the truth. Read why in the definitive account of the 1918 Flu Epidemic. Magisterial in its breadth of perspective and depth of research, *The Great Influenza* provides us with a precise and sobering model as we confront the epidemics looming on our own horizon. As Barry concludes, "The final lesson of 1918, a simple one yet one most difficult to execute, is that...those in authority must retain the public's trust. The way to do that is to distort nothing, to put the best face on nothing, to try to manipulate no one. Lincoln said that first, and best. A leader must make whatever horror exists concrete. Only then will people be able to break it apart." At the height of World War I, history's most lethal influenza virus erupted in an army camp in Kansas, moved east with American troops, then exploded, killing as many as 100 million people worldwide. It killed more people in twenty-four months than AIDS killed in twenty-four years, more in a year than the Black Death killed in a century. But this was not the Middle Ages, and 1918 marked the first collision of science and epidemic disease. THE SUNDAY TIMES BESTSELLER '... a compelling memoir. Breezy and unpretentious, *The Sanest Guy in the Room* is a delightful collection of memories, insider information and after-dinner anecdotes' The Times 'Brilliant stories and wonderful behind-the-scenes glimpses of a life and career in show-business... It's bloody brilliant... Read it!' Michael Ball Don Black is the songwriter's songwriter, a composer's dream collaborator, and the man behind some of the twentieth century's greatest musical numbers. Black made his first foray into the glittering world of showbiz as a stand-up, before realising his error and focusing on his lifelong passion instead - music. Shirley Bassey, Michael Jackson, Quincy Jones, Henry Mancini and Barbra Streisand are just some of the artists Black has worked with over the years - not to mention his frequent collaborator, West End legend Andrew Lloyd Webber - in what can only be described as a remarkable musical career. Yet, never one to court fame, Black has always remained what Mark Steyn coined as 'the sanest guy in the room'. Interwoven with the stories behind songs such as 'Diamonds are Forever' and 'Born Free' are vignettes of Black's life with his beloved wife Shirley, who died in March 2018, after almost sixty years of marriage. Black writes movingly about how the enormity of his grief changed his life, and how the dark

days are slowly turning into dark moments. *The Sanest Guy in the Room* is a rich and delightful paean to a life lived through song. It reveals the essence of Black's craft, looks at those who have inspired him and allows us to understand what made those icons tick. It is also a poignant tribute to Shirley, his biggest inspiration. Told with wit, warmth and great humour, this is Don Black's astonishing musical journey and an insight into a life behind the lyrics.
