Here is a powerful testimony of God's ability to turn around even the most desperate of lives. Going from violent drug addict, prisoner and a thief to a bike-riding, God-filled evangelist, Steve Amos was miraculously taken from the pit of hell. Only a near-death experience convinced him that God was real. 'From the Pit of Hell' tells the true story of a man addicted to drugs, of a God who saved and transformed this life, and continues to change and transform lives today. This book is for teenagers, youth leaders and those who have lost their way. It is also a very helpful resource for those working with youth offenders, with a tremendous impact in prisons and drug rehabilitation centres.
