Learn the fast and simple way to whittle in this fun introduction to woodcarving. Discover how to whittle in less time while you have more fun! One of the joys of whittling with a pocketknife is that you can do it just about anywhere. You don't need any fancy equipment, and you don't even need much spare time. Author Tom Hindes demonstrates his easy-to-learn, quick-cut method for whittling expressive little figures from wood in just 20 minutes or less. With his friendly instructions and step-by-step photos, you'll learn to carve an endless array of charming wizards, gnomes, gargoyles, ornaments, dogs, leprechauns, and more. These super-short whittling projects are perfect for learning basic woodcarving skills. They also make wonderful little gifts for random acts of kindness. Leave one along with your tip at the local restaurant, or give one to your favorite cashier. Children especially enjoy receiving them as souvenirs.

Flower Children Schiffer Craft

Published originally in 1910, this charming collection of flower poems and full-color illustrations animates the 82 flowers included in the book. From Crocus to Holly, the flowers are ordered in the book as each would appear throughout the year in a garden. Each illustration is half child and half flower, creating a wonderful way for children to see themselves in the natural world.
