Everyone's
story begins

somewhere...
 For Linda Sue Park, it was a trip to the ocean, a brand-new typewriter, and a little creative license. For Jarrett J. Krosoczka, it was a third grade writing assignment that ignited a creative fire in a kid who liked to draw. For Kwame Alexander, it was a loving poem composed for Mother's Day—and perfected through draft after discarded draft. For others, it was

a teacher, a parent, a beloved book, a word of encouragement. It was trying, and failing, and trying again. It was a love of words, and pictures, and stories. Your story is beginning, too. Where will it go? [The Body in the Woods](#) Penguin

Experience the extraordinary story that inspired the *Choose Kind*

movement, like never before. August Pullman was born with a facial difference that, up until now, has prevented him from going to a mainstream school. Starting 5th grade at Beecher Prep, he wants nothing more than to be treated as an ordinary kid--but his new classmates can't get past Auggie's extraordinary face. *WONDER*, now a #1 New York Times bestseller and a blockbuster

hit, begins from Auggie's point of view, but soon switches to include his classmates, his sister, her boyfriend, and others. These perspectives converge in a portrait of one community's struggle with empathy, compassion, and acceptance. This beautiful, color illustrated edition includes over twenty-five pieces of original art from Tad Carpenter, the artist behind the original cover. It also

includes an essay from R.J. Palacio reflecting on ten years of Wonder and an introduction by Dina Zuckerberg, director of family programs at myFace, a non-profit dedicated to supporting the craniofacial difference community.  The idea of "The Green Book" is to give the Motorist and Tourist a

Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of

business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race. *Four Wonder Notebooks* Dragonfly Books

My problem is that everything’s

different since he’s been coming to my school. The kids are different. I’m different. And it sucks big-time.
