## COLON WARREN

*A Teacher's Guide to The Alchemist* Samaira Book Publishers  
When Ravin first said 'I love you . . .' he meant it forever. The world has known this through Ravin's bestselling novel; I Too Had a Love Story. But did Ravin's story really end on the last page of that book? On Valentine's Day; a radio station in Chandigarh hosts a very special romantic chat show. Ravin and his three best friends are invited as guests to talk about Ravin's love story. But surprisingly everyone apart from Ravin turns up. As the show goes live; there is only one question in every listener's mind: what has happened to Ravin? To answer this question the three friends begin reading from a handwritten copy of Ravin's incomplete second book—the entire city listens breathlessly; unable to believe the revelations that follow.

**The Winner Stands Alone** Harper Collins

Paulo's writing is a visionary blend of spirituality, magical realism and folklore. His stories are simple and direct, yet they have the power to change lives and inspire you with the courage to follow your dreams...

**The Valkyries** CreateSpace

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

*Siddhartha* Vanguard Press

A breathtaking collection of reflections from one of the world's best loved storytellers, Paulo Coelho.

**Brief Answers to the Big Questions** Createspace Independent Publishing Platform

The Prophet is a book of 26 prose poetry fables written in English by the Lebanese-American poet and writer Kahlil Gibran. It was originally published in 1923 by Alfred A. Knopf. It is Gibran's best known work. The Prophet has been translated into over 100 different languages, making it one of the most translated books in history, and it has never been out of print. The prophet, Al Mustafa, has lived in the city of Orphalese for 12 years and is

about to board a ship which will carry him home. He is stopped by a group of people, with whom he discusses topics such as life and the human condition. The book is divided into chapters dealing with love, marriage, children, giving, eating and drinking, work, joy and sorrow, houses, clothes, buying and selling, crime and punishment, laws, freedom, reason and passion, pain, self-knowledge, teaching, friendship, talking, time, good and evil, prayer, pleasure, beauty, religion, and death. Among the most significant works Kahlil Gibran: "Broken Wings", "The Madman", "The Earth Gods", "The Garden of the Prophet".

**By the River Piedra I Sat Down and Wept** Harper Collins

INTERNATIONAL BESTSELLER • 1.5 MILLION+ COPIES SOLD WORLDWIDE "Workers looking for more fulfilling positions should start by identifying their ikigai." —Business Insider "One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life." —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days.

"Only staying active will make you want to live a hundred years." —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day?

**The Alchemist** Penguin UK

Chetan Bhagaot is author of one blockbuster book, "One Indian Girl." The New York times did not call him anything yet, USA detains him in airport every time he visits USA, Bhagaot got fired from an "Investment Bank" and trying to make a living out of writing books, Chetan Bhagaot is currently double timing his two Half Girlfriends Panusha and Ranusha. She is dating various marriage prospects, will she get her dream guy?

*The Devil and Miss Prym* Penguin

“The book casts a curiously sweet spell.” – Entertainment Weekly  
Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that “love is a terrible thing that will make you suffer.” A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria’s despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

*Life Lessons from the Monk Who Sold His Ferrari* HarperCollins UK  
Renaissance comedy, first produced in 1610. Includes modernized English text, critical and explanatory notes and Introduction. From the Yale Ben Jonson edition.

#### **The 5AM Club** The Alchemist

#### **Like the Flowing River** A&C Black

Ptolemy's *Almagest* is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy. This translation, based on the standard Greek text of Heiberg, makes the work accessible to English readers in an intelligible and reliable form. It contains numerous corrections derived from medieval Arabic translations and extensive footnotes that take account of the great progress in understanding the work made in this century, due to the discovery of Babylonian records and other researches. It is designed to stand by itself as an interpretation of the original, but it will also be useful as an aid to reading the Greek text.

#### *The Alchemist* Strelbytskyy Multimedia Publishing

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

#### *Ikigai* Harper Collins

*The Alchemist - A Comedy* by Ben Jonson. *The Alchemist* is a

comedy by English playwright Ben Jonson. First performed in 1610 by the King's Men, it is generally considered Jonson's best and most characteristic comedy; Samuel Taylor Coleridge claimed that it had one of the three most perfect plots in literature. The play's clever fulfilment of the classical unities and vivid depiction of human folly have made it one of the few Renaissance plays (except the works of Shakespeare) with a continuing life on stage (except for a period of neglect during the Victorian era). *The Alchemist* premiered 34 years after the first permanent public theatre (*The Theatre*) opened in London; it is, then, a product of the early maturity of commercial drama in London. Only one of the University wits who had transformed drama in the Elizabethan period remained alive (this was Thomas Lodge); in the other direction, the last great playwright to flourish before the Interregnum, James Shirley, was already a teenager. The theatres had survived the challenge mounted by the city and religious authorities; plays were a regular feature of life at court and for a great number of Londoners. The venue for which Jonson apparently wrote his play reflects this newly solid acceptance of theatre as a fact of city life. In 1597, the Lord Chamberlain's Men (aka the King's Men) had been denied permission to use the theatre in Blackfriars as a winter playhouse because of objections from the neighbourhood's influential residents. Some time between 1608 and 1610, the company, now the King's Men, reassumed control of the playhouse, this time without objections. Their delayed premiere on this stage within the city walls, along with royal patronage, marks the ascendance of this company in the London play-world (Gurr, 171). *The Alchemist* was among the first plays chosen for performance at the theatre. Jonson's play reflects this new confidence. In it, he applies his classical conception of drama to a setting in contemporary London for the first time, with invigorating results. The classical elements, most notably the relation between Lovewit and Face, are fully modernised; likewise, the depiction of Jacobean London is given order and direction by the classical understanding of comedy as a means to expose vice and foolishness to ridicule.

#### *The Lucifer Effect* Harper Collins

New York Times Bestseller “In *Brida*, my third novel, which I wrote just after *The Alchemist*, I tell the story of a young woman who dives into sorcery and her experiences with different magical traditions. I explore many themes that are dear to me, such as the Great Mother, pagan religions, and the perceptions of love.” -- Paulo Coelho  
This is the spellbinding tale of *Brida*, a beautiful young Irish woman, and her quest for knowledge. On her journey, she meets a wise man who teaches her about overcoming her fears, and a woman who teaches her ancient rituals. They see in her a gift, but must let *Brida* make her own voyage of discovery.

#### *Aleph* Mind Power Corporation

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

#### *Can Love Happen Twice?* Random House Trade Paperbacks

#1 NEW YORK TIMES BESTSELLER • “This book delivers completely new and refreshing ideas on how to create value in the world.”—Mark Zuckerberg, CEO of Meta “Peter Thiel has built

multiple breakthrough companies, and Zero to One shows how.”—Elon Musk, CEO of SpaceX and Tesla The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In Zero to One, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we’re too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won’t make a search engine. Tomorrow’s champions will not win by competing ruthlessly in today’s marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

**One Indian Girl** Harper Collins

From the #1 best-selling author of *The Alchemist* comes an inspiring story about a young man seeking wisdom from an elder, and the practical lessons imparted along the way. Includes stunning illustrations by Christoph Niemann. “A novelist who writes in a universal language.” —The New York Times In *The Archer* we meet Tetsuya, a man once famous for his prodigious gift with a bow and arrow but who has since retired from public life, and the boy who comes searching for him. The boy has many questions, and in answering them Tetsuya illustrates the way of the bow and the tenets of a meaningful life. Paulo Coelho's story suggests that living without a connection between action and soul cannot fulfill, that a life constricted by fear of rejection or failure is not a life worth living. Instead one must take risks, build courage, and embrace the unexpected journey fate has to offer. With the wisdom, generosity, simplicity, and grace that have made him an international best seller, Paulo Coelho provides the framework for a rewarding life: hard work, passion, purpose, thoughtfulness, the willingness to fail, and the urge to make a difference.

**Amelia to Zora** Yale University Press

I want to change. I need to change. I'm gradually losing touch with myself. *Adultery*, the provocative new novel by Paulo

Coelho, best-selling author of *The Alchemist* and *Eleven Minutes*, explores the question of what it means to live life fully and happily, finding the balance between life's routine and the desire for something new.

**The Fifth Mountain** HarperCollins UK

#1 NEW YORK TIMES BESTSELLER • The world-famous cosmologist and author of *A Brief History of Time* leaves us with his final thoughts on the biggest questions facing humankind. “Hawking’s parting gift to humanity . . . a book every thinking person worried about humanity’s future should read.”—NPR NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Forbes • The Guardian • Wired Stephen Hawking was the most renowned scientist since Einstein, known both for his groundbreaking work in physics and cosmology and for his mischievous sense of humor. He educated millions of readers about the origins of the universe and the nature of black holes, and inspired millions more by defying a terrifying early prognosis of ALS, which originally gave him only two years to live. In later life he could communicate only by using a few facial muscles, but he continued to advance his field and serve as a revered voice on social and humanitarian issues. Hawking not only unraveled some of the universe’s greatest mysteries but also believed science plays a critical role in fixing problems here on Earth. Now, as we face immense challenges on our planet—including climate change, the threat of nuclear war, and the development of artificial intelligence—he turns his attention to the most urgent issues facing us. Will humanity survive? Should we colonize space? Does God exist? These are just a few of the questions Hawking addresses in this wide-ranging, passionately argued final book from one of the greatest minds in history. Featuring a foreword by Eddie Redmayne, who won an Oscar playing Stephen Hawking, an introduction by Nobel Laureate Kip Thorne, and an afterword from Hawking’s daughter, Lucy, *Brief Answers to the Big Questions* is a brilliant last message to the world. Praise for *Brief Answers to the Big Questions* “[Hawking is] a symbol of the soaring power of the human mind.”—The Washington Post “Hawking’s final message to readers . . . is a hopeful one.”—CNN “Brisk, lucid peeks into the future of science and of humanity.”—The Wall Street Journal “Hawking pulls no punches on subjects like machines taking over, the biggest threat to Earth, and the possibilities of intelligent life in space.”—Quartz “Effortlessly instructive, absorbing, up to the minute and—where it matters—witty.”—The Guardian “This beautiful little book is a fitting last twinkle from a new star in the firmament above.”—The Telegraph

**The Archer** Penguin UK

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love
