LILLY DYER

Lake Wobegon Days Zondervan

A critically acclaimed debut from an award-winning writer—an epic family saga set against the magic and the rhythms of the Virgin Islands. In the early 1900s, the Virgin Islands are transferred from Danish to American rule, and an important ship sinks into the Caribbean Sea. Orphaned by the shipwreck are two sisters and their half brother, now faced with an uncertain identity and future. Each of them is unusually beautiful, and each is in possession of a particular magic that will either sink or save them. Chronicling three generations of an island family from 1916 to the 1970s, *Land of Love and Drowning* is a novel of love and magic, set against the emergence of Saint Thomas into the modern world. Uniquely imagined, with echoes of Toni Morrison, Gabriel García Márquez, and the author’s own Caribbean family history, the story is told in a language and rhythm that evoke an entire world and way of life and love. Following the Bradshaw family through sixty years of fathers and daughters, mothers and sons, love affairs, curses, magical gifts, loyalties, births, deaths, and triumphs, *Land of Love and Drowning* is a gorgeous, vibrant debut by an exciting, prizewinning young writer.

It's everyone's dream: to leave behind the rat-race of the working world and start life all over again amidst the cool breezes, sun-drenched colours, and rum-laced drinks of a tropical paradise. This is the story of Norman Paperman, a New York City press agent who, facing the onset of middle age, runs away to a Caribbean island to reinvent himself as a hotel keeper. In an unprecedented literary accomplishment, Herman Wouk, one of America’s most beloved and enduring authors, reflects on his life and times from the remarkable vantage point of 100 years old. Many years ago, the great British philosopher Sir Isaiah Berlin urged Herman Wouk to write his autobiography. Wouk responded, “Why me? I’m nobody.” Berlin answered, “No, no. You’ve traveled. You’ve known many people. You have interesting ideas. It would do a lot of good.” Now, in the same year he has celebrated his hundredth birthday, Herman Wouk finally reflects on the life experiences that inspired his most beloved novels. Among those experiences are his days writing for comedian Fred Allen’s radio show, one of the most popular shows in the history of the medium; enlisting in the US Navy during World War II; falling in love with Betty Sarah Brown, the woman who

would become his wife (and literary agent) for sixty-six years; writing his Pulitzer Prize-winning novel, *The Caine Mutiny*; as well as a big hit Broadway play *The Caine Mutiny Court Martial*; and the surprising inspirations and people behind such masterpieces as *The Winds of War*, *War and Remembrance*, *Marjorie Morningstar*, and *Youngblood Hawke*. Written with the wisdom of a man who has lived through two centuries and the wit of someone who began his career as professional comedy writer, the first part of Wouk’s memoir (“Sailor”) refers to his Navy experience and writing career, the second (“Fiddler”) to what he’s learned from living a life of faith. Ultimately, *Sailor and Fiddler* is an unprecedented reflection from a vantage point few people have lived to experience.

Her vivid descriptions of carnival, the Creole language, gardening and island food, and her insightful observations about minority status, politics, religion and crime, are enlightening reading for anyone curious about life in the Caribbean. The author writes about the islands in general, but specifically her island of St. Croix in the United States Virgin Islands, where driving in the left lane in cars designed to drive on the right is but one of the idiosyncrasies of quirky island style.

Now hailed as a "proto-feminist classic" (Vulture), Pulitzer Prize winner Herman Wouk's powerful coming-of-age novel about an ambitious young woman pursuing her artistic dreams in New York City has been a perennial favorite since it was first a bestseller in the 1950s. A starry-eyed young beauty, Marjorie Morgenstern is nineteen years old when she leaves home to accept the job of her dreams--working in a summer-stock company for Noel Airman, its talented and intensely charismatic director. Released from the social constraints of her traditional Jewish family, and thrown into the glorious, colorful world of theater, Marjorie finds herself entangled in a powerful affair with the man destined to become the greatest--and the most destructive--love of her life. Rich with humor and poignancy, Marjorie Morningstar is a classic love story, one that spans two continents and two decades in the life of its heroine. Last Resorts Harvest Books

A new and expanded edition of Meiselas' 1976 classic, perhaps one of the most important photobooks of the postwar era From 1972 to 1975, Susan

Meiselas spent her summers photographing women who performed striptease for small-town carnivals in New England, Pennsylvania and South Carolina. As she followed the shows from town to town, she captured the dancers on stage and off, their public performances as well as their private lives, creating a portrait both documentary and empathetic: "The recognition of this world is not the invention of it. I wanted to present an account of the girl show that portrayed what I saw and revealed how the people involved felt about what they were doing." Meiselas also taped candid interviews with the dancers, their boyfriends, the show managers and paying customers, which form a crucial part of the book. Meiselas' frank description of these women brought a hidden world to public attention, and explored the complex role the carnival played in their lives: mobility, money and liberation, but also undeniable objectification and exploitation. Produced during the early years of the women's movement, *Carnival Strippers* reflects the struggle for identity and self-esteem that characterized a complex era of change. Featuring largely unpublished additional photos, contact sheets, maps and letters, *Carnival Strippers - Revisited* gives new depth to Meiselas' influential vision. Born in Maryland in 1938, Susan Meiselas has worked as a freelance documentary photographer since joining Magnum Photos in 1976. Her images, particularly those covering the hostilities in Central America during the insurrection, have been widely published and exhibited. Meiselas' many books include *Carnival Strippers* (1976), *Nicaragua* (1981), *Kurdistan: In the Shadow of History* (1997), a project on the 100-year photographic history of Kurdistan, *Pandora's Box* (2001), exploring a New York S&M club, and *Tar Beach* (2020).
