Miscellaneous Percussion Music - Mixed Levels  
*Sticking patterns* Alfred Music

This unique title combines both books 1 and 2 of Alfred's Drum Method. With details on drum care, drum tuning, stick and drumhead selection and introductions to rudimental, corps (by Jay Wanamaker), and orchestral style playing, this comprehensive method book provides everything you need to become a well-rounded percussionist. Each page is designed as a single lesson, complete with a musical solo passage. Exclusive bonus features include the Vic Firth poster of the P.A.S. International Drum Rudiments and SmartMusic availability.

**Jost Nickel's Snare Book** Alfred Music  
(Percussion). Bobby Rondinelli of Rainbow, Black Sabbath and Blue Oyster Cult and master teacher Michael Lauren from the Drummers Collective have put together the most comprehensive text ever written on the subject of double bass drumming. It features hundreds of innovative warm up, beat and fill exercises, tips for getting started, a discography of important double bass recordings, plus a timeline of the most important double bass drummers in history, including photos of their setups. A must for all drummers interested in improving their double bass technique!

*Savage rudimental workshop* Hal Leonard Corporation

Introduction The ideas in this book-written for beginners, professional drummers, and everyone in between-come from my 30 plus years of studying, playing, and teaching drums. As a student, I did

not find one book that covered all of the information I needed to become a proficient drummer; as a veteran teacher of approximately 40 students a week for over 20 years, I wanted to share the methods I have refined in my successful teaching practice. If you are a beginner, this book will help you get started with grip and reading. I present practical applications to show why you are practicing these basic skills and give you advice on how to practice. If you are a professional, the challenging exercises included in here will keep your skills tuned up. I encourage you to build upon the ideas in this book to inspire your playing. Part 1 focuses on grip, technique, and basic reading of rhythms. Part 2 focuses on reading rhythms at all levels proficiently. Part 3 focuses on the 40 standard snare drum rudiments, sticking, and technique exercises. Part 4 focuses on drum set techniques, coordination, grooves, and soloing in different genres of music. Although this book progresses in a logical sequence, I recommend skipping around to work on specific skills. If you can complete this book correctly, you will have a solid foundation and play better at every level. I have also incorporated some of the ideas from great drum books that I've used throughout my years in drumming, which I have named and recommended at the end of this book. Enjoy your process towards better drumming!

Book and Poster Hal Leonard Corporation

This book is based on performances and transcriptions from the DCI music videos Herlin Riley: Ragtime & beyond, and Johnny Vidacovich: Street beats modern applications. Additional interviews and essays on: Baby Dodds, Vernel Fournier, Ed Blackwell, James Black and Freddie Kohlman, Smokey Johnson, David Lee, and bassist Bill Huntington.

The Erskine Method for Drumset Mel Bay Publications

Alan Dawson was a legendary drummer and educator, known for his work with the top artists in jazz as well as for his 18-year association with Berklee College of Music. This new text and online audio combination was put together by John Ramsay, a prominent drummer in his own right and a former student of Dawson's. The book contains all the important techniques and concepts that Alan Dawson embraced in his own playing and subsequently taught to his students. The recordings include some remastered audio examples from actual lessons taught by Dawson himself over the years. This is a highly comprehensive textbook from a jazz master.

Developing Melodic Language on the Drums Modern Drummer Publications

The title Snare Book tells its own tale: Jost Nickel's book is exclusively about snare exercises that will improve your hand technique and your general understanding of rhythm at the same time.

Additionally, playing these exercises using different subdivisions and time signatures will further strengthen your rhythmic understanding and will make the exercises more interesting and less repetitive. "I usually don't enjoy exercises where I have to play the same thing over and over again," says Jost. "My mind wanders off, and I find it a lot harder to keep practicing because of the lack of variation. As much as I agree that practice is repetition, I also never want to get bored when I practice." Chapter 1 offers a wide range of great warm-up exercises that combine well-known stickings with accentuations, subdivisions, or time signatures that are unusual for these stickings. Additionally, you'll find ostinato exercises to strengthen your independence and interlocking exercises to improve your coordination. "My Snare Book is definitely not your typical rudiments book," adds Jost. "I am confident that the exercises in this book are enjoyable and useful because they offer variations on different levels that will keep you engaged. That makes it easier to play the many repetitions you need to get better." The other chapters take a very systematic approach where Jost takes you step by step through different exercises on double-stroke rolls, flams, multiple strokes, ruffs, inverted double-stroke rolls, paradiddles, and more. Once you have understood the book's conceptual approach, you'll be able to create your own exercises. Simply keep the concepts but change the content, either on your snare drum or on your drum pad. A 12-page insert called "Reading Texts" is also included.

#### *Drumset Essentials* Scarecrow Press

This diverse collection of drum charts comes with a CD of accompaniments recorded both with drums for demonstration and without drums for playing along, and includes analyses and performance suggestions. Performance settings like big band, small group, live shows, Broadway, studio work, dance jobs and cruise ships are discussed in terms of responsibilities, challenges, expectations, awareness and problem areas. 72 pages.

#### Your Complete Guide to Better Drumming Alfred Publishing Company, Incorporated

The ultimate guide to drumming styles by the co-author of the best-selling instructional book *The Best Beginner Drum Book*. Brandon Toews and Drumeo present... **THE DRUMMER'S TOOLBOX!** The Drummer's Toolbox presents drummers of all skill levels with the most comprehensive introduction to 100 different drumming styles from the past century. This ultimate guide includes more than 900 groove examples, as well as listening suggestions for 1000 recommended recordings. Throughout the book, drummers will also learn about the history of each drumming style, effective techniques for playing them, and how to break down different grooves limb-by-limb. The Drummer's Toolbox is for any drummer who's serious about expanding their musical vocabulary and becoming more versatile behind the drum-set. You will learn how to play: - Rock: Surf Rock, Progressive Rock, Punk Rock... - Jazz: 4/4 Swing, Up-Tempo Swing, Contemporary Jazz... - Blues: Texas Blues, Chicago Blues, Flat Tire Shuffle... - Country: Train Beat, Two-Step, Rockabilly... - Soul & Funk: Motown, Neo-Soul, New Orleans Funk... - Metal: Death Metal, Progressive Metal, Metalcore... - Electronic: Hip-Hop, Drum and Bass, Trap... - Afro-Cuban: Mambo, Nanigo, Songo... - Afro-Brazilian: Samba, Marcha, Bossa Nova... - Afro-Caribbean: Merengue, Reggae, Zouk... - And many more!

#### Alfred's Beginning Drumset Method Modern Drummer

Learn from the master! *Drumset Essentials, Volume 3*. World-famous performer and educator Peter Erskine takes you step-by-step through fundamental concepts, techniques and exercises that will

greatly improve your drumming.

#### *The ultimate drumset reading anthology* Drumeo

(Percussion). Mark presents a complete system to answer these questions. The book follows a system entitled D.R.O.P.: Dynamics, Rate, Orchestration and Phrasing. Mark pulls apart and addresses each of these building blocks individually, presenting rhythmic concepts that will expand your ability to call on different rhythmic rates and subdivisions on command, move them around the kit freely, and ultimately be able to phrase them in exciting and sometimes complex ways that sound like "polyrhythms" and "metric modulations" but are actually constructed upon a solid foundation of drumming basics. This material will give you the confidence to make a personal statement on the drumset. Adding to this package is live footage of Mark playing with two of his longtime collaborators, Tim Lefebvre (bass) and Jason Lindner (keys). Having played together for years, these three musicians most recently formed the rhythm section for David Bowie's final album, *Blackstar*. Watch Mark interact with these world-class musicians in electric and acoustic settings as they apply Mark's concepts in inspiring performances. The book comes packaged with a full-length DVD, and the video is also available for download using a code contained in the book.

#### *The new breed II* Alfred Publishing Company

*Linear Drum Fills* is a book designed to help you grasp the essential skills and ideas necessary for creating and performing musical, interesting, and exciting drum fills in the linear style. The linear style of drumming is most commonly used in R&B, funk, and gospel music.

#### *The Drummer's Complete Vocabulary as Taught by Alan Dawson* Cherry Lane Music

This innovative method is a practical approach to playing the drumset. Students start their first lesson by actually playing a beat! The book is divided into two sections: Rock and Jazz. Students will learn how the hi-hat, ride cymbal, snare, and bass drum are used in each style. A play-along CD corresponding to the drum charts is included.

#### *The Drumset Musician (Music Instruction)* Mel Bay Publications

George Lawrence Stone's *Stick Control* is the original classic, often called the bible of drumming. In 1993, *Modern Drummer* magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.

#### **Snare Drum for Beginners (Music Instruction)** Alfred Music Publishing

Miscellaneous Percussion Music - Mixed Levels

#### Snare Drum Rudiments Alfred Music Publishing

Voted second on *Modern Drummer's* list of 25 Greatest Drum Books in 1993, *Progressive Steps to Syncopation for the Modern Drummer* is one of the most versatile and practical works ever written for drums. Created exclusively to address syncopation, it has earned its place as a standard tool for teaching beginning drummers syncopation and strengthening reading skills. This book includes many accented eighths, dotted eighths and sixteenths, eighth-note triplets and sixteenth notes for

extended solos. In addition, teachers can develop many of their own examples from it.

Tommy Igoe - Groove Essentials Hudson Music Limited

(DVD). In this book/video/audio package, Stanton Moore presents transcriptions and performances of some of the most important drum grooves in history, breaks them down to their basic elements, describes the way they developed, and shows you how to learn from the past and develop your own complete vocabulary for creating new funk grooves and patterns. There is a unique download code provided in this book for streaming or downloading every musical example, recorded by Stanton, showing how each is played. The entire Groove Alchemy DVD is also included online, for streaming and downloading. This package contains over 600 audio examples as well as 3 hours of video examples all online for you to stream or download.

*Groove Alchemy* Alfred Music Publishing
