Borden

Whenever words come to me in the middle of the night, I embrace them. I get up, grab the notepad from my nightstand, and scribble everything down fast. For FLYING HIGH: The Story of Gymnastics Champion Simone Biles, I was immersed in research about Simone's life for several months. And one night, these words came to me: "Tip, top, trampoline, jump toward the sky, one little girl wants to fly, fly, fly."
