God's Library Harvard University Press  
Scott Gibson and Matthew Kim, both experienced preachers and teachers, have brought together four preaching experts-- Bryan Chapell, Kenneth Langley, Abraham Kuruvilla, and Paul Scott Wilson--to present and defend their approaches to homiletics. Reflecting current streams of thought in homiletics, the book offers a robust discussion of theological and hermeneutical approaches to preaching and encourages pastors and ministry students to learn about preaching from other theological traditions. It also includes discussion questions for direct application to one's preaching.

### **A Summary of Christian Doctrine** John Wiley & Sons

Here, a team of award-winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies. This "first book" provides students of any religious tradition with the foundational skills, vocabulary, conceptual understanding, and research abilities that they need to succeed in theology and religious studies. Theological Foundations provides the following: Ten chapters that introduce the major sub-disciplines of theology creating a well-rounded source for understanding the discipline as a whole Contributions that are clear, accessible, and steeped in content A strong basis for vigorous intellectual and personal exploration of life

and our relation to God Flexibility that allows the instructor to assign readings in any order that fits his or her syllabus A one-of-a-kind, integrated library research component, "From the Reference Librarian," which teaches students the foundational skills needed for successful study in theology and in any academic discipline

### **Charts of Christian Theology and Doctrine** Saint Mary's Press

The Foundations of Theology in Everyday Language Dallas Seminary professors Nathan Holsteen and Michael Svigel are passionate about the key doctrines of Christianity. They want readers to know why they're important and why they matter. This volume includes two parts: · How Firm a Foundation: Revelation, Scripture, and Truth · God in Three

Persons: Father, Son, and Holy Spirit The authors explore these important topics in a concise and highly readable style that makes sense--whether you're a student of the Bible, a pastor, or someone who simply wants to know God better. For each topic you'll find · An introduction, overview, and review of the key points · Several applicable Bible texts, including verses to memorize · A quick-paced history of the doctrine · Distortions to be aware of and avoid · Reading lists for further study · A glossary of theological terms "Exploring Christian Theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect. . . . A great way to get acquainted with key biblical theological themes." --Darrell Bock, Senior Research Professor, Dallas Theological Seminary

**Gods and the One God** Abingdon Press It is because we believe the Bible is God's Word to his people that we have worked together to create this volume. All the contributors affirm the complete veracity and total authority of the Bible. Since this is the case, we believe it is important that the Bible be studied and applied properly.

All of us, like the readers of this volume, face the challenge of what it means to hear and obey God's Word, to learn it, and to put it into practice. In order to interpret the Bible correctly we recognize the need to understand historical background material, cultural issues and contexts, ancient languages, hermeneutical practices, and the theological significance of the biblical text. This book is intended to be an introductory textbook for beginning students in college and seminary, but it can also serve as an update for ministers and Bible teachers as well. - Preface.

Christian Theology Wm. B. Eerdmans Publishing

Ten leading Christian scholars examine the biblical and philosophical basis for the doctrine of the Trinity. This well reasoned book answers current questions about the reality of a personal God, the divinity of Christ, and the ongoing work of the Holy Spirit \*\*\*oreword by Wolfhart Pannenberg.

**Library Research Guide to Religion and Theology** Trieste Publishing

Originally published in 1958, Introduction to Christianity considers the nature of Christianity as a life shared in an

historical, continuing community. Divided into five parts, the book is a comprehensive interpretation of Christianity as a people created by God's activity in history, with a focus on the proclamation of the Gospel. It highlights and examines the relevance of Christian doctrine to reflections on the meaning of life, and considers the significance of this at a time in which attitudes towards religion are increasingly ambiguous. Introduction to Christianity is ideal for those with an interest in the history of Christianity, Christian theology, and religious philosophy.

**A Journey Through Christian Theology** Baker Academic

Asian Christian Theology provides a survey of contextually reflective, robustly evangelical theology for students to engage with the core doctrines of Christianity and their outworking in different cultures across Asia. The contributors of the chapters come from all corners of Asia to systematically examine traditional doctrinal themes and contemporary concerns for the Asian church. Ideal for use as a companion textbook in Asian seminaries and

institutions, this book will also provide excellent further reading for those outside of Asia seeking global theological perspectives, and for those in contexts of significant Asian diaspora. Many excellent books surveying theology exist, but this book is a major step forward for students and scholars seeking to understand the dynamic environment of evangelical theology in Asia.

The Divine Trinity Fortress Press

"A Plain Account of Christian Perfection", by John Wesley. John Wesley was an anglican cleric and Christian theologian (1703-1791).

**Asian Christian Theology** Trieste Publishing

T.F. Torrance is widely recognized as one of our most important twentieth-century theologians. And scholars of Torrance suggest 'Reality & Scientific Theology' is one of his most accessible works. Torrance's insights on Christian epistemology are remarkably relevant in light of recent discussions on realism and antirealism in philosophy and theology. Torrance brilliantly sets forth no naive or even critical realism, but rather an evangelical realism - knowledge grounded

in the revelation of God in Jesus Christ. He not only constructively argues the case for an evangelical realism but compares and contrasts theological knowledge with natural scientific knowledge, and shows how the Bible can function authoritatively in a fragmented church. This edition of 'Reality and Evangelical Theology' includes an in-depth foreword that contextualizes Torrance's seminal theological work in light of recent debates over postmodern and postcritical hermeneutics to Scripture. It will handsomely repay engagement (or reengagement) by theologians, philosophers, students and thoughtful pastors.

**Exploring Christian Theology : Volume 1** Langham Publishing

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Essentials of Christian Theology Baker Books

Regarded as the leading text in Christian theology for the last 25 years, Alister E. McGrath's *The Christian Theology Reader* is now available in a new 5th edition featuring completely revised and updated content. Brings together more than 350 readings from over 200 sources that chart 2,000 years of Christian history. Situates each reading within the appropriate historical and theological context with its own introduction, commentary, and study questions. Includes new readings on world Christianity and feminist, liberation, and postcolonial theologies, as well as more selections by female theologians and theologians from the developing world. Contains additional pedagogical features, such as new discussion questions and case studies, and a robust website with new videos by the author to aid student learning. Designed to function as a stand-alone volume, or as a companion to *Christian Theology: An Introduction*, 6th edition, for a complete overview of the subject.

**Confessions of S. Augustine** Routledge  
Orthodox Christian theology is often

presented as the direct inheritor of the doctrine and tradition of the early Church. But continuity with the past is only part of the truth; it would be false to conclude that the eastern section of the Christian Church is in any way static. Orthodoxy, building on its patristic foundations, has blossomed in the modern period. This volume focuses on the way Orthodox theological tradition is understood and lived today. It explores the Orthodox understanding of what theology is: an expression of the Church's life of prayer, both corporate and personal, from which it can never be separated. Besides discussing aspects of doctrine, the book portrays the main figures, themes and developments that have shaped Orthodox thought. There is particular focus on the Russian and Greek traditions, as well as the dynamic but less well-known Antiochian tradition and the Orthodox presence in the West.

**Calvin** Westminster John Knox Press Originally published in 1949 and then revised in 1979, this comprehensive introduction to systematic theology has well served countless students and pastors for more than half a century. In this

paperback edition it will continue to instruct serious students of the Bible and theology. Following two introductory chapters delineating the nature, necessity, possibility, and divisions of theology, Henry Clarence Thiessen systematically address a wide range of subjects in eight major sections -- Theism, Bibliology, Theology, Anthropology, Soteriology, Ecclesiology, Angelology, and Eschatology. Also included are two specialized indexes for further study -- an Index of Subjects and an Index of Scriptural References that includes over 4,000 entries.

**The Trinity** Westminster John Knox Press Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from

that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

**The Culture of Theology** Zondervan

### Academic

Christianity has always been a "creedal" religion in that it has always been theological. It was rooted in the theological tradition of ancient Israel, which was unified by its historical credos and declaratory affirmations of faith. No pre-theological era has been discovered in the New Testament or in the history of the Christian community. From the beginning Christianity has been theological, involving men in theological reflection and calling them to declarations of faith. A non-theological Christianity has simply never endured, although such has been attempted, for instance, by individual seers in the sixteenth century and also by collaborators with totalitarian ideologies in the twentieth century. The creeds presented here range from the ancient faith of the Hebrews and the creed-like formulas of the New Testament to the Barmen declaration of 1934 (framed by the Christians in Germany who faced the threat of Nazism) and the Batak Creed of 1951 (in which Indonesian Christians gave authentic expression to their religious belief in the idiom of their own culture. All the creeds are in some sense "official,"

and every major division of Christendom is represented, including the Younger Churches. The volume ends with the messages of the most important assemblies dealing with the Ecumenical Movement. This single volume, containing all the major theological affirmations of the Christian community, is a source book for the study of Christian theology. It comprises a record of the Church's interpretation of the Bible in the past and an authoritative guide to its interpretation on the present. Indeed, it is a guide to an understanding of the Christian interpretation of life.

*New Testament Theology* Kregel Academic  
Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook, now substantially updated and revised throughout. This edition takes into account feedback from professors and students and reflects current theological conversations, with added material on the atonement, justification, and divine foreknowledge. Erickson's comprehensive introduction is biblical, contemporary, moderate, and fair to various positions, and it applies doctrine to Christian life and ministry.

### *The Doctrine of the Church in Scottish Theology* Trieste Publishing

"The history of Christian theology can be a daunting, even forbidding field for the novice, who sees neither the need for nor pertinence of rummaging around dusty old texts. This people-friendly volume, a full-scale reader in the history of Christian theology, offers an easy, non-threatening, occasionally humorous yet quite thorough entry into Christianity's central texts from the Apostolic Fathers to Mary Daly. It is also enlivened by dozens of cartoons by Rich Diesslin. Highly accessible introductions to five periods precede brief introductions to and texts from more than fifty key thinkers. The texts highlight perennial themes and questions in Christian tradition, especially the meaning and importance of Jesus, challenges to the institutional church, tensions of faith and reason, spirituality, and the Christian quest for social justice. The new edition, half again as large as the original, adds significant work from the Cappadocian Fathers and the Christological controversialists, the Franciscan tradition, the Radical and English reforms, and deeper coverage of twentieth-century

theologians. With learning aids, research-paper suggestions and guide, and glossary" -- Publisher description.
