Saunders Comprehensive Review for the NCLEX-PN® Examination - E-Book W B Saunders Company

More than 1,340 classroom-tested, NCLEX-style questions—including more than 440 alternate-item-format questions—reflect the latest advances in medical technology as well as the most recent guidelines and standards of care for nursing practice.

Saunders Q & A Review Cards for the NCLEX-RN Examination Elsevier Health Sciences

This unique review book organizes questions according to Client Needs, the areas covered in the latest NCLEX examination test plan. Rationales are provided for all answer choices, plus test-taking strategies, and references to Elsevier nursing textbooks. This review includes many critical thinking and alternate item formats, plus a comprehensive exam consisting of 300 questions.

Saunders Q & A Review for the NCLEX-PN® Examination E-Book Lippincott Williams & Wilkins

Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items—more than the maximum of 205 questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.

Saunders Q&A Review for the NCLEX-RN® Examination - E-Book Elsevier Health Sciences

The best way to prepare for the NCLEX-PN Exam is practice, practice, practice! And with over 5,000 NCLEX-style review

questions reflecting the most current clinical updates and test plan, Saunders Q&A Review for the NCLEX-PN® Examination, 5th Edition delivers all the practice you need to pass this all-important exam and so much more! Testlets feature case studies with review questions to further hone users critical thinking skills. NEW & UNIQUE! Priority Nursing Action tips are provided for each question to clarify the most important nursing considerations and interventions for each scenario.

Hesi/Saunders Online Review for the NCLEX-RN Examination (1 Year) Elsevier Health Sciences

A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by

the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

An Nclex Examination Review Game Elsevier Health Sciences
With more than 1,000 study and review questions, Saunders Q&A Review for the Physical Therapist Assistant Board Examination provides the practice you need to succeed on the National Physical Therapy Examination (NPTE) for Physical Therapist Assistants. Questions simulate the format of the NPTE, in terms of content and the proportional breakdown of topics, and include rationales along with page references to physical therapy textbooks. Written by physical therapy specialist Brad Fortinberry, this book also includes a companion website offering unlimited test-taking practice plus instant feedback. 1,385 multiple-choice questions reflect the format, content, and proportional question breakdown of the National Physical Therapy Examination (NPTE) from the Federation of State Boards of Physical Therapy (FSBPT) as well as the terminology from the Guide to Physical Therapist Practice. Review and study features address the role of the Physical Therapist Assistant, focusing on the clinical application of knowledge, concepts, and principles necessary in providing safe and effective patient care consistent with best practice, and include system-specific questions on the musculoskeletal, neuromuscular, cardiovascular/pulmonary, integumentary, and other systems. Practice tests mimic the NPTE, helping you prepare for the NPTE with confidence. Electronic test-taking option enables students to create an unlimited number of unique practice tests, and receive instant feedback for answers. Rationales for correct answers include textbook references to help in preparing for the certification exam. Timed format for sample tests simulates the actual examination experience and strengthens your prioritization and time-management skills. Content experts provide knowledge and insight across every specialty area covered on the exam, for a reliable, well-rounded review.

HESI Comprehensive Review for the NCLEX-PN® Examination - E-Book Elsevier Health Sciences

With more review cards than any other product on the market, you'll have the perfect tool for study groups or on-the-go review, and with a new chapter focusing on pharmacology, you'll be more prepared than ever before. This edition features over 1,200 questions with alternate item-format and integrated content questions organized by clinical area and body system. These cards contain several practice questions on the front, with answers, rationales for correct and incorrect options, cognitive levels, nursing process steps, and NCLEX test plan categories on the back. You'll also receive an overview of the latest NCLEX-RN test plan, and valuable test-taking tips. UNIQUE! Provides more practice questions than any other card set with over 1,200 review questions on portable cards. An introductory section on test taking offers helpful strategies for improving your test-taking skills and managing test anxiety. Questions are logically organized by body system within each clinical area section. Plenty of alternate item-format questions, including multiple response, fill-in-the-blank, and illustrated questions, offer valuable preparation for the newer question formats appearing on the NCLEX-RN examination. Each question is classified by cognitive level, nursing process step, and NCLEX test plan client needs area to help you identify areas where more review may be required. A section on integrated concepts includes questions on

leadership, management of patient care, cultural competence, and community-based practice, addressing the integrated concepts covered in the NCLEX-RN examination. UNIQUE! A separate section on pharmacology reflects the increased focus on this subject in the NCLEX examination and enables you to concentrate on the most frequently tested content. Rationales for incorrect options are now included to help you understand the faulty thought processes that lead to selecting the wrong answers. Double the number of alternate item questions and the new chart exhibit format ensure you have ample practice with the newest question formats.

NCLEX-PN Q&A Plus! Made Incredibly Easy! Elsevier Health Sciences

Practice makes perfect with Saunders Q&A Review for the NCLEX-RN(R) Examination, 8th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN examination! Each question enhances review by including a test-taking strategy and rationale for correct and incorrect answers. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on the Evolve companion website, with many study and testing options - including an option to select practice questions by health problem/medical diagnosis. From the most trusted names in NCLEX review, Linda Anne Silvestri and Angela Silvestri, this resource is part of the popular Saunders Pyramid to Success. Detailed test-taking strategies for each question provide clues for analyzing and selecting the correct answer. Comprehensive rationales are provided for both correct and incorrect answer options. Chapters organized by Client Needs reflect the latest NCLEX-RN test plan. Evolve companion website includes more than 6,000 questions with robust study and self-testing options. A 75-question pre-test generates a study calendar to guide your exam preparation. Questions on the Evolve companion site may be sorted by cognitive ability, NCLEX client needs area, content area, integrated process, health problem, priority concept, strategy, or alternate item format to help you focus on the question types you find most difficult. A 75-question post-test helps you evaluate your progress. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, questions incorporating audio, case studies, and Next-Generation NCLEX-style question types. A Priority Nursing Tip for each question highlights need-to-know patient care information. Introductory chapters cover preparation guidance for the NCLEX-RN and the computerized adaptive testing (CAT) format, nonacademic preparation, test-taking strategies, and the NCLEX-RN from a new graduate's perspective. Three audio reviews on the Evolve companion website cover acid-base balance, fluids and electrolytes, and pharmacology. Appropriate for all test takers in the US and Canada - includes metric, SI, and imperial units, as applicable. Questions written at higher cognitive levels (applying, analyzing, synthesizing, evaluating, and creating) correspond to the NCLEX, where most items are written at the application level or higher. NEW! Thoroughly updated questions reflect the latest NCLEX-RN test plan. NEW! Clinical Judgment Situations include unfolding Next-Generation NCLEX-style case studies and question types with answer guidelines on the Evolve companion website. NEW! Clinical Judgment/Cognitive Skills labels help you recognize the new clinical judgment thought process behind Next-Generation NCLEX-style questions. NEW and UNIQUE! A tear-out bookmark insert allows you to cover the answer column and includes a list of the top 10 test-taking strategies.

Lippincott NCLEX-RN Alternate-Format Questions Elsevier India

Looking for an NCLEX® exam review alternative that is effective, engaging, and (dare we say) fun? Then look no further than RNtertainment! RNtertainment: The NCLEX® Review Game, 2nd Edition is a revolutionary board game that offers a fun and challenging change of pace from standard review options. Perfect for nursing students and practicing nurses looking to sharpen their nursing knowledge, this game offers 800 different clinical questions and scenarios that cover all the major nursing categories on the latest NCLEX® test plan - including Safe and Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. Test-Taking Tips and Test-Taking Traps are also incorporated into game play to fully prepare you for every facet of the exam process. Whether you want to challenge your friends or challenge yourself, effective exam preparation has never been this entertaining! The aim of the game is to answer nursing questions correctly and navigate through tricky Tips and Traps to be the first to reach NCLEX® exam success. Game play format for 2-6 people gives you the option of creating a competitive group atmosphere with fellow students or colleagues in addition to reviewing on your own. Category cards enable you to review all NCLEX® exam material or narrow your question bank to those categories in which you need the most practice. Hundreds of challenging questions and rationales from student-favorite NCLEX® exam expert Linda Silvestri reflect content on the latest NCLEX® test-plan. 800 questions are divided evenly among the four major client needs categories found on the NCLEX® exam: Safe and Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. A variety of question formats and difficulty levels allows you to encounter the wide spectrum of questions you will find on the NCLEX® exam. Rationales help you understand the reasoning or data related to the correct answer for each question. Test-Taking Tip and Traps provide successful test-taking strategies in one category (Flying High) and pitfalls to avoid in another category (Flying Low).

This essential guide features over 1,200 practice questions and rationales to help you tackle anything from a routine quiz to the NCLEX. It also includes a wealth of proven tips and real-world hints to help you confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. Plus, additional questions on the Evolve website gives you even more preparation material! 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills Increased focus on critical thinking uses different strategies to help you develop clinical judgment skills, and the ability to question data, and client abnormalities. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX® exam. Practice questions coded for the beginning, intermediate, or experienced student, making this book a useful tool throughout your nursing school career. Clearly defined cognitive levels help if you are unfamiliar with this terminology and its significance. Coverage of Interprofessionalism discussed where appropriate throughout text. Priority concepts for each question help you to link your concept-based classes and NCLEX® prep. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Clinical Judgment Situations and Next Generation NCLEX® (NGN) practice questions included on Evolve site let you apply strategies from the text in a realistic electronic testing environment.

A Course Review Applying Critical Thinking to Test Taking W B Saunders Company

A comprehensive, all-in-one review of the information you need to know to pass your nursing exams! Updated with the latest test plan and written in an easy-to-read outline format, HESI Comprehensive Review for the NCLEX-PN® Examination, 6th Edition prepares you for success on both the HESI exit exam and the NCLEX-PN®. This trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-PN® exam, so you can easily search for various topics to review.

Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 750 practice questions, including alternate item formats, in both study and exam modes to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-PN® exam. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-PN® exam. 750 NCLEX practice questions on the companion Evolve website include alternate item formats to provide a testing experience similar to the HESI exit exam and the NCLEX-PN® exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-PN® exam. Critical thinking study questions with rationales reinforce key concepts and content. Chapters organized by clinical area enable you to easily search for various topics to review. Consistent format and chapter organization make it easy to move between topics when reviewing. NEW! Thoroughly updated content incorporates clinical updates and reflects the latest NCLEX-PN® test plan. EXPANDED! 200 additional NCLEX practice questions on the Evolve site assist you with practice.

Saunders Q & A Review for the Nclex-Rn(r) Examination: Second South Asia Edition - E-Book Saunders

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

Mosby's Rntertainment Elsevier Health Sciences

Lippincott NCLEX-RN Alternate-Format Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

Psychiatric Mental Health Nursing Success Elsevier Health Sciences

With over 1,200 multiple choice review questions written to parallel the content and format of the National Physical Therapy Board Examination (NPTE), Saunders' Q&A Review for the Physical Therapy Board Examination provides more NPTE practice than any other review resource available. Strengthen your understanding of core principles across the full spectrum of physical therapy practice with comprehensive exam practice from specialty experts. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,200 multiple-choice questions test your understanding of key content across a variety of practice environments, including schools, hospitals, and communities. Organized by topic, it parallels the content and proportional question breakdown of the board examination to familiarize you with the testing format. Correct answers, detailed

rationales, and specific references help you get more out of your study time.

Practice Exercises for the NCLEX Examination Elsevier Health Sciences

All of the ingredients for NCLEX-RN® success are here! Just follow Sally Lambert Lagerquist's study plan and you'll join the thousands who have passed their exams with her guidance.

Saunders Q & A Review for the Nclex-Rn(r) Examination Elsevier Health Sciences

This new NCLEX-PN review book provides both a succinct Content Review and more Q&A than any other NCLEX-PN review book. Each chapter opens with a Content Refresher, providing an overview of key information on each topic---it summarizes what is really important for NCLEX review. This is followed by high-quality Q&A, answers, and detailed Rationales, fully updated with the latest NCLEX-PN test plan. The book opens with a discussion of studying and test-taking strategies and describes the exam format in detail. Subsequent sections cover adult care, psychiatric care, maternal-neonatal care, care of the child, and coordinated care. The book also includes comprehensive examinations with answers, rationales, and client-needs information at the end of each answer. The new Graphic Option questions and Audio questions are also included. The online site provides 1,000 questions and answers in an interactive format that mirrors the NCLEX-PN exam. All the material is presented in the proven format of the Incredibly Easy series. Students will discover the stress-free way to study for NCLEX-PN. The format helps them actually enjoy learning, stay motivated, and improve their performance. Content, strategies, and Q&A---everything a student could want in an NCLEX review.

NCLEX-PN Prep Plus Lippincott Williams & Wilkins

Prioritization, Delegation, and Assignment: Practice Exercises for the NCLEX® Examination is the only review book on the market with a focus on prioritization and management of care---just like the current NCLEX Examination itself! The workbook's unique approach establishes your foundational knowledge and then provides exercises of increasing difficulty to help you build confidence in your prioritization, delegation, and patient assignment skills. It offers unique preparation for the NCLEX Examination and effectively equips you to practice in today's fast-paced healthcare environment. The only workbook available that provides in-depth practice with prioritization, delegation, and assignment questions similar to those you'll see on the NCLEX Examination, including questions in alternate item formats Unique three-part organization that (1) equips you with foundational skills to make sound decisions, then helps you apply those skills (2) in straightforward scenarios and (3) then in complex health scenarios In-depth Answer Key at the back of the book that provides not only the correct answer but also a detailed rationale and an indication of the focus of the question, whether prioritization, delegation, supervision, or patient assignment. Expanded content focus to include psychiatric/mental health, OB/maternity, and pediatrics along with med-surg areas New chapters on infection control and obstetrics and maternity Greater emphasis on questions involving core body systems and related health problems, such as diabetes and cancer, to best prepare you for the conditions you are most likely to encounter on the NCLEX Examination and in clinical practice Four new unfolding cases addressing long-term care, pediatrics, psychiatric/mental health nursing, and OB/maternity Additional emphasis on medication safety equips you to take appropriate actions to prevent or remediate medication errors Multiple-select questions revised to include at least 5 response choices each, keeping you up to date with the full range of NCLEX Examination item formats

Davis's NCLEX-RN® Success Elsevier Health Sciences
With Saunders Q & A Review Cards for the NCLEX-RN® Examination, 2nd Edition, you can study anytime and anywhere! The ideal companion to Saunders Comprehensive Review for the NCLEX-RN Examination, Linda Silvestri's review cards contain 1,200 practice questions — each including test-taking strategies and detailed rationales for both correct and incorrect answers. Practice questions, organized by clinical area, appear on the front of each card with an icon indicating client need. The reverse side shows answers and rationales, along with Silvestri's unique test-taking strategies and priority nursing action tips. 1,200 practice questions include detailed rationales for both correct and incorrect answers. Alternate item format questions include multiple response, prioritizing, fill-in-the-blank, chart/exhibit, and figure/illustration to prepare you for the prioritizing, decision-making, and critical thinking skills needed to pass the NCLEX-RN. UNIQUE! Test-taking strategies for each question provide direction and hints to the correct answer. UNIQUE! Highlighted keywords or phrases in each answer identify a recommended

review topic related to the question. Numerous pharmacology questions reflect the heavy emphasis on pharmacology on the NCLEX-RN. NEW! Organization of questions by clinical area lets you focus on weak areas and also use the cards as study aids in your course exams. UPDATED content reflects the most recent NCLEX-RN test plan. Increased coverage of pharmacology, prioritization, delegation, and triage/disaster management reflects the increased emphasis on these topics on the NCLEX-RN. NEW! Attractive, full-color design makes it quick and easy to locate questions in the various content areas.

Saunders Q&A Review for the NCLEX-RN® Examination, 5/e
Elsevier Health Sciences

This popular book/CD-ROM review package has been revised and updated to reflect changes in the new NCLEX-RN exam. Chapters in the book are organized according to the client needs categories and the integrated concepts and processes identified in the 2001 NCLEX-RN test plan. It features practice questions, answers, and detailed rationales on the same page to provide immediate feedback on students' responses.
