Satyajit Ray, one of the greatest auteurs of twentieth century cinema, was a Bengali motion-picture director, writer, and illustrator who set a new standard for Indian cinema with his Apu Trilogy: Pather Panchali (Song of the Little Road) (1955), Aparajito (The Unvanquished) (1956), and Apur Sansar (The World of Apu) (1959). His work was admired for its humanism, versatility, attention to detail, and skilled use of music. He was also widely praised for his critical and intellectual writings, which mirror his filmmaking in their precision and wide-ranging grasp of history, culture, and aesthetics. Spanning forty years of Ray's career, these essays, for the first time collected in one volume, present the filmmaker's reflections on the art and craft of the cinematic medium and include his thoughts on sentimentalism, mass culture, silent films, the influence of the French New Wave, and the experience of being a successful director. Ray speaks on the difficulty of adapting literary works to screen, the nature of the modern film festival, and the phenomenal contributions of Jean-Luc Godard and the Indian actor, director, producer, and singer Uttam Kumar. The collection also features an excerpt from Ray's diaries and reproduces his sketches of famous film personalities,

such as Sergei Eisenstein, Charlie Chaplin, and Akira Kurosawa, in addition to film posters, photographs by and of the artist, film stills, and a filmography. Altogether, the volume relays the full extent of Ray's engagement with film and offers extensive access to the thought of one of the twentieth-century's leading Indian intellectuals.

He was silently managing the crisis in India's banking sector then. Now he shares these stories in his memoir. It began from a modest house in one of the narrowest lanes of the old city of Meerut. From being a probationary officer in the State Bank of India (SBI) in 1980 to its Chairman in 2017, Rajnish Kumar had an amazingly interesting journey in which he saw the many changes in India's banking sector that greatly impacted the country and its economy. As the Chairman of SBI, Kumar recounts, his term was rather momentous as the period-from 2017 to 2020-during which he shouldered this responsibility was rather unique under any circumstances. The Indian banking sector was going through one of its most tumultuous phases. The problem of non-performing loans (NPLs) had severely impacted the balance sheet and profitability of banks, especially those in the public sector. In the aftermath of demonetization, the YES Bank fiasco, the crisis in Jet Airways and NPLs, among others, *The Custodian of Trust* is a candid memoir by the former Chairman of India's largest commercial bank. Anecdotal, engaging and evocative, this book is an unputdownable memoir of a former banker.

In this hard-hitting novel, first published in 1924, the murky personal relationship between an Englishwoman and an Indian doctor mirrors the troubled politics of colonialism. Adela Quested and her fellow British travelers, eager to experience the "real" India, develop a friendship with the urbane Dr. Aziz. While on a group outing, Adela and Dr. Aziz visit the Marabar caves together. As they emerge, Adela accuses the doctor of assaulting her. While Adela never actually claims she was raped, the decisions she makes ostracize her from both her countrymen and the natives, setting off a complex chain of events that forever changes the lives of all involved. This intense and moving story asks the listener serious questions about preconceptions regarding race, sex, religion, and truth. A political and philosophical masterpiece

**A Biography of Soumendu Roy** Satyajit Ray *The Inner Eye*

In this unusual book, Satyajit Ray, the internationally renowned filmmaker, is seen on the sets and at home through the lens of contemporary film director Shyam Benegal. In conversation with a fellow artist for whom he has considerable respect, Ray opens up in a manner rarely seen, reminiscing about his childhood and growing years, discussing his oeuvre, responding to questions on his craft and exploring memories immortalized in his films. The result is a discovery of the private person as much as a look at his work a close up of a major figure in world cinema. Conceived around Shyam Benegal's two-hour long film on Satyajit Ray, this volume brings together the script of the film, selections from Benegal's extensive interviews with Ray, and a rare selection of visual material documenting Ray as designer, illustrator, film director and scriptwriter.
