Anise Wynford stumbled down her porch steps in 21st century Massachusetts into a raging medieval battle. She finds herself trapped between the royal houses of York and Lancaster in the final days of the Wars of the Roses. As she navigates the complex rules of politics and etiquette in the king's court, Anise falls in love with Richard III but she knows Richard is soon destined to die. If Anise chooses to save his life, she will alter the course of history.

Dramas históricos. Teatro completo de William Shakespeare III  
Publicaciones Mala letra Internacional

[In this book, the author's] analysis of the effects and causes of capitalist underdevelopment in Latin America present [an]

account of ... Latin American history. [The author] shows how foreign companies reaped huge profits through their operations in Latin America. He explains the politics of the Latin American bourgeoisies and their subservience to foreign powers, and how they interacted to create increasingly unequal capitalist societies in Latin America.-Back cover.

Ricardo II by William Shakespeare

*La tragedia del rey Ricardo III* NYU Press

This Portuguese translation of Shakespeare's Richard III is a classic work of literature. The play is a historical drama that explores the rise to power of the infamous King Richard III of England. Shakespeare's writing is masterful, and this translation captures the power and intensity of the original. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and

possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*Ricardo III. ... Version Al Castellano de G. Macpherson* Editorial Norma

Escrita entre 1591 y 1592 y estrenada ante el público en el verano de 1594, William Shakespeare (1564-1616) retrata en Ricardo III al personaje probablemente más violento y controvertido de sus dramas históricos, inmerso en el clima de extrema violencia que fue la Guerra de las Rosas, periodo en el cual Inglaterra se desangra como consecuencia del enfrentamiento entre las casas Lancaster y York. Prologo, traducción y notas de Cristina Pina

**Ricardo II** Springer Science & Business Media

Since the 1990s, critics and curators have broadly accepted the notion that participatory art is the ultimate political art: that by encouraging an audience to take part an artist can promote new emancipatory social relations. Around the world, the champions of this form of expression are numerous, ranging from art historians such as Grant Kester, curators such as Nicolas Bourriaud and Nato Thompson, to performance theorists such as Shannon Jackson. *Artificial Hells* is the first historical and theoretical overview of socially engaged participatory art, known in the US as "social practice." Claire Bishop follows the trajectory

of twentieth-century art and examines key moments in the development of a participatory aesthetic. This itinerary takes in Futurism and Dada; the Situationist International; Happenings in Eastern Europe, Argentina and Paris; the 1970s Community Arts Movement; and the Artists Placement Group. It concludes with a discussion of long-term educational projects by contemporary artists such as Thomas Hirschhorn, Tania Bruguera, Paweł Althamer and Paul Chan. Since her controversial essay in *Artforum* in 2006, Claire Bishop has been one of the few to challenge the political and aesthetic ambitions of participatory art. In *Artificial Hells*, she not only scrutinizes the emancipatory claims made for these projects, but also provides an alternative to the ethical (rather than artistic) criteria invited by such artworks. *Artificial Hells* calls for a less prescriptive approach to art and politics, and for more compelling, troubling and bolder forms of participatory art and criticism.

Ricardo II pertenece a la serie de dramas históricos ingleses escritos por Shakespeare. Narra los acontecimientos que tuvieron lugar a raíz de la usurpación del trono por Ricardo en 1399 y el consiguiente advenimiento de la dinastía de los Lancaster. El drama gira en torno a la pérdida, conservación y conquista del poder, pero, a diferencia de las anteriores obras históricas, Shakespeare va más allá de los avatares del juego político e indaga en la condición humana del rey, en el comportamiento de los hombres y en las razones de sus actos. Su estilizado lenguaje, reflejo de la ceremonia y la pompa de la corte medieval, al dejar un resquicio para expresar el lamento, coexiste con el tono elegíaco y personal tan característico de este drama. Ángel-Luis

Pujante, catedrático de la Universidad de Murcia y reconocido especialista en la obra de Shakespeare, es autor de esta excelente traducción, que ofrece arropada por un riguroso análisis de la base histórica del drama y de sus singulares características literarias.

### **El Rey Ricardo II** Grupo Planeta Spain

Encenada pela primeira vez entre 1592 e 1593, com enorme sucesso, 'Ricardo III' se passa no final da Guerra das Rosas, conflito sucessório pelo trono da Inglaterra ocorrido entre 1455 e 1485. No início do primeiro ato, Eduardo IV, yorkista, é rei; mas seu irmão Ricardo, Duque de Gloucester, planeja usurpar o trono, nem que para isso tenha de provocar intrigas, matar aliados, amigos e parentes e faltar com a própria palavra. Trata-se de uma peça de incrível vitalidade, sobre a maldade que desafia a compreensão, a cobiça pelo poder e os bastidores das disputas políticas; a estrela máxima é inegavelmente a figura de Ricardo, Duque de Gloucester - que de fato governou a Inglaterra de 1483 a 1485. Aqui ele é pintado pelo virtuosismo verbal de Shakespeare (1564-1616) como um ser imoral e inescrupuloso ao extremo, cuja megalomania beira a licenciosidade, que horroriza o leitor ao mesmo tempo em que o seduz - e que, em última análise, representa toda a hipocrisia do mundo da política. No quesito de vilão shakespeariano mais bem-acabado e mais fascinante, Ricardo rivaliza com Iago, o vingativo personagem de Otelo.

### *Ricardo III* Austral

Una obra construida alrededor de una figura fascinante y monstruosa seducida por el poder. «Mi reino por un caballo», una de las citas más conocidas de Shakespeare, pertenece a Ricardo

III. La obra, escrita probablemente en 1592, cuando el dramaturgo tenía veintiocho años, culmina su primera tetralogía de dramas históricos ingleses, iniciada con las tres partes de su Enrique VI. Su acción se centra en acontecimientos de los doce años del reinado de Eduardo IV y los dos del de Ricardo III, y cierra el ciclo dedicado a la Guerra de las Dos Rosas. Sin embargo, Ricardo III no es una mera continuación de la trilogía precedente. Apoyándose en un argumento muy estructurado, Shakespeare crea en ella su primer personaje memorable: un ser de gran magnetismo diabólico entregado a la conquista criminal del poder que ha llegado a convertirse en mito teatral y literario. Ángel-Luis Pujante, catedrático de Filología Inglesa de la Universidad de Murcia y traductor y estudioso de Shakespeare, nos ofrece en su introducción un estudio completo de los personajes de la obra y nos ayuda a comprender las diferentes fases de la acción.

### Ricardo II. Ricardo III Legare Street Press

(abridged and revised) This reference grammar offers intermediate and advanced students a reason ably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official language of twenty-one countries,} and it is set fair to overtake English by the year 2000 in numbers 2 of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the

Real Academia Española, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed in the *Nuevas normas de prosodia y ortografía*, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.

*A tragédia do Rei Ricardo III* Verso Books

Las obras aquí contenidas responden a inquietudes creativas, no a homenajes, tienen sus propias búsquedas y teatralidades. Hablamos de teatro mexicano contemporáneo, hablamos del presente. No se trata de un Shakespeare tropicalizado, cada uno de estos proyectos tiene una forma distinta de apropiárselo y en todos hay canibalismo. Esta antología muestra un autor vivo con quien se discute, no una tumba con ofrendas. Y resulta que Shakespeare siempre estuvo aquí, nuestro contemporáneo, que

no estando, es.

*Richard III*.

La presente edición reúne los diez dramas históricos compuestos por William Shakespeare. En ella se recogen las traducciones de Ángel-Luis Pujante, reconocido especialista en Shakespeare, publicadas en la colección Austral, y se incluyen cinco traducciones inéditas: Enrique VI. Primera parte (de Ángel-Luis Pujante), Enrique VI. Segunda parte y Enrique VI. Tercera parte (de Alfredo Michel), El rey Juan (de Salvador Oliva) y Enrique VIII (de Ángel-Luis Pujante y Salvador Oliva), junto con la traducción de Enrique V (de Salvador Oliva), que apareció por primera vez en la edición del Teatro selecto de William Shakespeare publicada en 2008.
