LEWIS JESSIE

Shipwrecked Knopf Books for Young Readers

A shipwreck has left you stranded on a mysterious island packed with traps, wild animals, and adventure. The right choices will lead to rescue, but the wrong move could leave you lost forever! In this graphic novel/text hybrid, the reader decides the path through a story set on a not-so-deserted island filled with weird scientists and weirder creatures.

D Stewart

Shipwrecked in 1757 on an iceberg in the Arctic seas with only an orphaned polar bear cub for companionship, seventeen-year-old Allan begins a seemingly hopeless struggle for survival.

En Route from Honolulu Shore Pub

The author describes how he and his family survived after a shipwreck in the South Pacific, while friends and fellow yachters attempted to launch a rescue mission

Shipwrecked with Mr. Wrong Simon and Schuster

Author's experiences on north east coast of Greenland, 1920-22, when shipwrecked aboard the schooner Dagny.

The Iceberg Hermit Orion

Five years have passed, and the story begins in a dark period within the Star Watch saga. Captain Jason Reynolds, Omni of the U.S. Space Fleet, along with his now sixteen-year-old daughter, Mollie, are en route to the Dacci System to attend the memorial service for none other than Boomer, his other daughter.

Information on her death had been sketchy at best--an attack by the Sahhrain on Harpaign, during the Goldwon graduation trials. It had been a massacre. The Blues have since declared war on the Sahhrain, and there is a good chance the U.S. Fleet and the Alliance will be dragged into the fray as well. Once on the planet Harpaign, Jason conducts a preliminary investigation--one that soon reveals things are not what they seem. Information is being withheld and clues indicate there is a slim possibility that Boomer did not die on the sandy dunes battlefield of Capital City after all--setting in motion the most riveting, non-stop action, Star Watch novel yet. So grab ahold your multi-guns and affix your Enhancement shields, because this is going to be one hell of a wild, rollercoaster ride!

A Novel Houghton Mifflin Harcourt

In the bestselling tradition of Hampton Sides's *In the Kingdom of Ice*, a "gripping adventure tale" (The Boston Globe) recounting Dutch polar explorer William Barents' three harrowing Arctic expeditions—the last of which resulted in a relentlessly challenging year-long fight for survival. The human story has always been one of perseverance—often against remarkable odds. The most astonishing survival tale of all might be that of 16th-century Dutch explorer William Barents and his crew of sixteen, who ventured farther north than any Europeans before and, on their third polar exploration, lost their ship off the frozen coast of Nova Zembla to unforgiving ice. The men would spend the next year fighting off ravenous polar bears, gnawing hunger, and endless winter. In *Icebound*, Andrea Pitzer masterfully combines a gripping tale of survival with a sweeping history of the great Age of Exploration—a time of hope, adventure, and seemingly unlimited geographic frontiers. At the story's center is William Barents, one of the 16th century's greatest navigators whose larger-than-life ambitions and obsessive quest to chart a path through the deepest, most remote regions of the Arctic ended in both tragedy and glory. Journalist Pitzer did extensive research, learning how to use four-hundred-year-old navigation equipment, setting out on three Arctic expeditions to retrace Barents's steps, and visiting replicas of Barents's ship and cabin. "A resonant meditation on human ingenuity, resilience, and hope" (The New Yorker), Pitzer's reenactment of Barents's ill-fated journey shows us how the human body can function at twenty degrees below, the history of mutiny, the art of celestial navigation, and the intricacies of building shelters. But above all, it gives us a firsthand glimpse into the true nature of courage.

Four Against the Arctic Ship Wrecked Lord of the Flies

Sir Ernest Shackleton and his expedition team's journey to the Antarctic continent in 1914 goes terribly wrong after their boat is trapped and crushed by ice, leaving them stranded in the most harsh conditions and fighting for their very lives with every step they took. Reprint.

Help Is On the Way and Love Is Already Here Scholastic Inc.

The wreck of the Nottingham Galley on Boon Island and the resultant rumors of insurance fraud, mutiny, treason, and cannibalism was one of the most sensational stories of the early 18th century. Shortly after departing England with Captain John

Deane at the helm, his brother Jasper and another investor aboard, and a skeleton crew, the ship encountered French privateers on her way to Ireland, where she then lingered for weeks picking up cargo. They eventually headed into the North Atlantic later in the season than was reasonably safe and found themselves shipwrecked on the notorious Boon Island, just off the New England coast. Captain Deane offered one version of the events that led them to the barren rock off the coast of Maine; his crew proposed another. The story contains mysteries that endure to this day, yet no contemporary non-fiction account of the story exists. In the hands of skilled storytellers Andrew Vietze and Stephen Erickson, this becomes a historical adventure-mystery that will appeal to readers of *South* and *The Perfect Storm*.

Island I: Shipwreck Rossiter & Banks

Reframing the American story from the vantage point of the nation's watery edges, Jamin Wells shows that disasters have not only bedeviled the American beach—they created it. Though the American beach is now one of the most commercialized, contested, and engineered places on the planet, few people visited it or called it home at the beginning of the nineteenth century. By the twentieth century, the American beach had become the summer encampment of presidents, a common destination for millions of citizens, and the site of rapidly growing beachfront communities. *Shipwrecked* tells the story of this epic transformation, arguing that coastal shipwrecks themselves changed how Americans viewed, used, and inhabited the shoreline. Drawing on a broad range of archival material—including logbooks, court cases, personal papers, government records, and cultural ephemera—Wells examines how shipwrecks laid the groundwork for the beach tourism industry that would transform the American beach from coastal frontier to oceanfront playspace, spur substantial state and private investment alongshore, reshape popular ideas about the coast, and turn the beach into a touchstone of the American experience.

Beyond Courage Feiwel & Friends

AN INSTANT NEW YORK TIMES BESTSELLER The "lively" (The New Yorker), "convincing" (Forbes), and "riveting pick-me-up we all need right now" (People) that proves humanity thrives in a crisis and that our innate kindness and cooperation have been the greatest factors in our long-term success as a species. If there is one belief that has united the left and the right, psychologists and philosophers, ancient thinkers and modern ones, it is the tacit assumption that humans are bad. It's a notion that drives newspaper headlines and guides the laws that shape our lives. From Machiavelli to Hobbes, Freud to Pinker, the roots of this belief have sunk deep into Western thought. Human beings, we're taught, are by nature selfish and governed primarily by self-interest. But what if it isn't true? International bestseller Rutger Bregman provides new perspective on the past 200,000 years of human history, setting out to prove that we are hardwired for kindness, geared toward cooperation rather than competition, and more inclined to trust rather than distrust one another. In fact this instinct has a firm evolutionary basis going back to the beginning of *Homo sapiens*. From the real-life Lord of the Flies to the solidarity in the aftermath of the Blitz, the hidden flaws in the Stanford prison experiment to the true story of twin brothers on opposite sides who helped Mandela end apartheid, Bregman shows us that believing in human generosity and collaboration isn't merely optimistic—it's realistic. Moreover, it has huge implications for how society functions. When we think the worst of people, it brings out the worst in our politics and economics. But if we believe in the reality of humanity's kindness and altruism, it will form the foundation for achieving true change in society, a case that Bregman makes convincingly with his signature wit, refreshing frankness, and memorable storytelling. "The *Sapiens* of 2020." —The Guardian "Humankind made me see humanity from a fresh perspective." —Yuval Noah Harari, author of the #1 bestseller *Sapiens* Longlisted for the 2021 Andrew Carnegie Medal for Excellence in Nonfiction One of the Washington Post's 50 Notable Nonfiction Works in 2020

Shipwrecked 1848, Stranded 1931 Graphic Universe™

It was against all Mogs! The incredible true story of a modern day Australian family shipwrecked on the tiny island of Mogmog in Micronesia. 'It all ended with a shipwreck. ten years of planning, dreaming, plotting and scheming - gone in one night. Who even heard of shipwrecks these days? this is the 21st century, not the 1800s. But, happen it did, to a modern, mostly normal family from Western Australia. Now, home is a remote island in Micronesia that Lonely Planet states is inhabited by some of the world's most remote people - and us. Our beloved boat, Windrider, is now seated indecorously on the coral beach with her bum ripped out, rudders bent through ninety degrees, engines out and systems

largely rendered useless. the morning after, we sat on the beach looking at our boat. Was this the end? Could something be salvaged? Andrew has a saying - actually he has lots - but this one is that it is possible to eat an elephant as long as you do it one bite at a time. So we set about our elephant, hoping we weren't going to get stomped on.' With a combined boating experience of sixty-five years, Jennifer Barrie and her husband Andrew were confident that they were unlikely to hit any major snags after setting out on their dream voyage - sailing their beloved Windrider around the Pacific. In early 2010, Jennifer and Andrew, along with their two young daughters, washed up - literally - on the tiny island of Mogmog in Micronesia. Fortunately for the Barrie family, Mogmog is inhabited by a bunch of very friendly locals...or at least that's what they initially thought! this is the true story of a modern day Swiss Family Robinson who lived to tell the tale of surviving a shipwreck and months stranded on one of the world's most remote islands. In Marooned on Mogmog, you'll see that paradise isn't always what it seems...

Story of a Shipwrecked Sailor Feiwel & Friends

In 1841, rescued by an American whaler after a terrible shipwreck left him and his companions castaways on a remote island, Manjiro learned new ways when he became the first Japanese person to set foot in the United States.

Book 4 of the Shipwreck Island Series UNC Press Books

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Shipwrecked on Mad Island Scholastic Inc.

Stan is a man who thought he "had it made". He was from a good family and had a sound Christian upbringing. However, Stan rebelled, turning away from all that he had been taught; he ran from God. After high school he took off on his own, with an "I'll do it my way" attitude. For awhile "his way" worked; but, that was all about to come to an abrupt end. He'll go from "standing high" on his own merit, to lying face down in the sand, on an isolated island, with nothing: all in one big "leap". He'll lose everything, and his only way back will be through an unlikely source: a "barrel of monkeys". Come laugh and cry, as we follow Stan through his adventures on this "one of a kind" island. During our travel with Stan, we will learn some valuable life lessons and godly principles. *Relief for Shipwrecked American Seamen from Fishing and Whaling Vessels* Rowman & Littlefield
Life is turbulent. On that, we can all agree. Disappointed dreams, broken relationships, identity crises, vocational hang-ups, wounds from the past—there are so many ways life can send us crashing up against the rocks. In this deeply personal book, Jonathan Martin draws from his own stories of failure and loss to find the love that can only be discovered on the bottom. How to Survive a Shipwreck is an invitation to trust the goodness of God and the resilience of your soul. Jonathan's clarion call is this: No matter how hard you've fallen, no matter how much you've been hurt, help is on the way—just when you need it most. With visionary artistry and pastoral wisdom, Jonathan Martin reveals what we'll need to make it through those uncharted waters, how we can use these defining experiences to live out of our depths, and why it will then become impossible to go back to the half-life we once lived.

Shipwrecked at the Edge of the World Scholastic Paperbacks

Fourteen-year-old Hakon goes to sea as a ship's boy in 1849, and soon finds his ship commandeered by pirates and then wrecked, leaving him stranded on an island with treasure for company.

Shipwrecked on Mad Island WestBow Press

Marooned in paradise with a beautiful woman... ...is surely the only way for a truly committed playboy to get shipwrecked! Ideally, however, Rob Dalton would have chosen a slightly friendlier companion! Prickly conservationist Honor Brier clearly just wants to be left alone with her birds and turtles. Honor's had more than her fair share of heartbreak, and the isolated island has been a perfect place to recover in peace. She has no time for accidental tourists. Yet Rob is charming and infuriatingly attractive—his sheer passion for life is difficult to resist. Slowly Honor is discovering that even playboys may have their good points...

The True Adventures of a Japanese Boy Feiwel & Friends

An action-packed survival suspense from bestselling and award-winning author Gordon Korman. Six kids. One shipwreck. One desert island. They didn't want to be on the boat in the first place. They were sent there as punishment, or as a character-building experience. Now the adults are gone, and the quest for survival has begun.

The Remarkable Shipwrecked, Marooned, Maritime Adventures, and Tragic Fate of an American Original
Rowman & Littlefield

AVAILABLE FOR THE FIRST TIME IN eBook! In 1955, Garcia Marquez was working for El Espectador, a newspaper in Bogota, when in February of that year eight crew members of the Caldas, a Colombian destroyer, were washed overboard and disappeared. Ten days later one of them turned up, barely alive, on a deserted beach in northern Colombia. This book, which originally appeared as a series of newspaper articles, is Garcia Marquez's account of that sailor's ordeal. Translated by Randolph Hogan.

True-life Adventures of a Danish-born Canadian Shipwrecked and Stranded on the World's Last Land of the Ice Age Scholastic Inc. Follows the author's reconstruction of the survival story of four eighteenth-century Russian sailors who were shipwrecked on the barren Arctic island of Svalbard for six years, discussing the events of the ice wrecking, the four survivors' minimal provisions, their dependence on driftwood for fire, and their near-death experiences in the wake of polar bear attacks. Reprint. 25,000 first printing.
