In an alternate universe, a group of students learn that they are being groomed as pilots of

enormous artificial beings called Evangelion and will have to take part in many battles, as they deal with normal teenage issues.  
*Jojo 6251 U of Minnesota*

Press

Part of the Neon Genesis Evangelion phenomenon--the most talked-about anime series of last ten years! New look, a hard cover version for Der Mond! Stylish, delicate, and consistently edgy, Der Mond collects the color illustrations of Yoshiyuki Sadamoto, perhaps the most acclaimed manga and anime artist of all time. The book includes 74 pages of paintings and designs devoted to Neon Genesis Evangelion, plus another 50 pages from

The Wings of Honneamise, Nadia--The Secret of Blue Water, Blue Uru, and other works--including Sadamoto's cover to Eric Clapton's 1998 album, Pilgrim. The Future of the Mind Rockport Publishers Popular in queer communities, anti-war organizations, college campuses and women/gender studies programs, Andrea Gibson's second book of poems, The Madness Vase's topics range from hate crimes to playgrounds, from

international conflict to hometowns, from falling in love to the desperation of loneliness. Gibson's work seizes us by the collar and hauls us inside some of her darkest moments, then releases out the other side. Moments later, we find ourselves inhaling words that fill us with light. Their luminous imagery is a buoy that allows us to resurface from their world, clutching new possibilities of our own, and linger in our psyches and entreat us to action. They challenge us to grow

into our own skin. By the time you finish reading The Madness Vase, you too will believe, "Folks like us/We've got shoulder blades that rust in the rain/But they are still G-sharp/Whenever our spinal chords are tuned to the key of redemption/So go ahead world/Pick us/To make things better."

Matchmaking guru  
Kennedy Pepperdine's life is perfect. Perfect job. Perfect friends. Perfect boyfriend. Except...when she gets trapped in an

elevator with a handsome stranger, she accidentally confesses a secret: maybe her perfect boyfriend, Justin, isn't so perfect for her after all. But a matchmaker should be able to successfully match herself, right? Thankfully, she'll never see the handsome stranger again. Until she heads home with Justin for the holidays and learns that the sexy stranger is none other than Justin's older brother, Matt. Matt Ellis is trying to be on his best behavior for his

mother—it is Christmas, after all. But when he recognizes the beautiful woman from the elevator—the one he hasn't been able to stop thinking about for months—his best behavior is being held by a thread. Matt's always sacrificed for his family, and nothing is more important than their happiness, but the more time he spends around Kennedy, the more he wonders if her supposed "right match" might just be the wrong brother. Each book in the Anyone

But You series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 - Fiance by Fate Book #2 - Wedding Date for Hire Book #3 - Wrong Brother, Right Match *Proceedings of the 34th International MATADOR Conference* Springer Science & Business Media This is the anatomy of our being. This is our flesh, our muscles, our sinews and our limbs all tangled up beside each other. And this, is what they found when we left it all behind. The Comic Storytelling of

Western Japan Doubleday Canada Evolutionary science is not only one of the greatest breakthroughs of modern science, but also one of the most controversial. Perhaps more than any other scientific area, evolutionary science has caused us all to question what we are, where we came from, and how we relate to the rest of the universe. Encyclopedia of Evolution contains more than 200 entries that span modern evolutionary science and the history of

its development. This comprehensive volume clarifies many common misconceptions about evolution. For example, many people have grown up being told that the fossil record does not demonstrate an evolutionary pattern, and that there are many missing links. In fact, most of these missing links have been found, and their modern representatives are often still alive today. The biographical entries represent evolutionary scientists within the

United States who have had and continue to have a major impact on the broad outline of evolutionary science. The biographies chosen reflect the viewpoints of scientists working within the United States. Five essays that explore interesting questions resulting from studies in evolutionary science are included as well. The appendix consists of a summary of Charles Darwin's Origin of Species, which is widely considered to be the foundational work of

evolutionary science and one of the most important books in human history. The five essays include: How much do genes control human behavior? What are the ghosts of evolution? Can an evolutionary scientist be religious? Why do humans die? Are humans alone in the universe

**Encyclopedia of Evolution** Harlequin

A light novel series exploring an alternate ending to one of the most influential anime series of all time! What if reluctant hero Ikari Shinji had saved

the world? Now, at seventeen years old, he is the defacto leader of the EVA team. Under the leadership of Commander Katsuragi Misato, the Evangelion suits have been updated with advanced designs and powers, in preparation for the possible return of the monstrous Angels. Four clones of Ayanami Rei have been tasked with operating a global anti-Angel search-and-destroy program. But when one of these clones goes rogue, it's up to Shinji to stop her.

Yale Younger Poets

Known for her eponymous blog and her confessional style of writing, this is Trista Mateer's second collection of poetry. REVIEW: "The Dogs I Have Kissed is the kind of book you could read in one sitting and the kind of book you want to tuck underneath your pillow for a month. It's gripping and powerful and disturbingly honest. There are poems that are incredibly comforting and others that are so painful. Trista

has the rare talent of writing poems that are both good and true. In terms of literary art, this chapbook is brilliant. Trista weaves together religious overtones with raw sensuality and heartache. She's so purposeful with the imagery, connecting and breaking motifs from each section of the book: how peaches become cherries, how salt is everywhere, the shape of same-different mouths. There is this lovely irony in these poems, how sometimes the speaker of these

poems is the one who is described like a dog: sloppy, rabid, hungry, whining. Maybe that's not an irony at all. The Dogs I Have Kissed is for anyone who has felt the tough underside of love, anyone who has been angry and hurt and still strangely hopeful. One of the most striking lines in the entire book is something I keep thinking about: 'Is this okay, is this okay, is this okay, or does it make me weak?' Do yourself, your heart, and your current/ex/next lover a favor: buy this book.

Devour it immediately." --

The journey from love to  
heartbreak to finding love  
again is personal yet  
universal. Lang Leav's  
evocative love poetry  
speaks to the soul of  
anyone who is on this  
journey. Leav has an  
unnerving ability to see  
inside the hearts and  
minds of her readers. Her  
talent for translating  
complex emotions with  
astonishing simplicity has

won her a cult following of  
devoted modern poetry  
fans from all over the  
world. Forget the dainty,  
delicate love poems of  
yore; these little poems  
pack a mighty punch.

Lang Leav is a poet and  
internationally exhibiting  
artist. Her work expresses  
the intricacies of love and  
loss. Love & Misadventure  
is her first poetry  
collection.

The Collected Poems of  
Chika Sagawa VIZ Media  
LLC

Fully revised and  
expanded, this new work  
is the first major revision

of the liturgical calendar  
of the Episcopal Church in  
more than 40 years! It is  
the official revision of  
Lesser Feasts and Fasts  
and authorized by the  
2009 General Convention.  
All commemorations in  
Lesser Feasts and Fasts  
have been retained, and  
many new ones added.  
Three scripture readings  
(instead of current two)  
are provided for all minor  
holy days. Additional new  
material includes a votive  
mass of the Blessed Virgin  
Mary, many more  
ecumenical  
commemorations, plus a

proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two

readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas. These almost daily

commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other

a two year cycle.  
*Otherwise* Springer  
Science & Business Media  
Patricia Crone's book is about the Iranian response to the Muslim penetration of the Iranian countryside, the revolts subsequently triggered there and the religious communities that these revolts revealed. The book also describes a complex of religious ideas that, however varied in space and unstable over time, has demonstrated a remarkable persistence in Iran across a period of two millennia. The central

thesis is that this complex of ideas has been endemic to the mountain population of Iran and occasionally become epidemic with major consequences for the country, most strikingly in the revolts examined here and in the rise of the Safavids who imposed Shi'ism on Iran. This learned and engaging book by one of the most influential scholars of early Islamic history casts entirely new light on the nature of religion in pre-Islamic Iran and on the persistence of Iranian

religious beliefs both outside and inside Islam after the Arab conquest.

DIVAnatomy of Design dissects fifty examples of graphic design piece by piece, revealing an array of influences and inspirations. These pieces represent contemporary artifacts that are well conceived, finely crafted, and filled with hidden treasures. Some are overtly complex. Others are so simple that it is hard to believe thereâ€™s a storehouse of

inspiration hidden underneath. The selections include all kinds of design work including posters, packages, and more. Each exhibit is selected for its ubiquity, thematic import, and aesthetic significance, and every page shows how great work is derived from various inspirational and physical sources, some well-known, some unknown.

Winner of the PEN Award for Poetry in Translation • The electrifying collected works of “one of the most innovative and prominent avant-garde poets in early twentieth-century Japan” (The New Yorker).  
Translated by and with an introduction by Sawako Nakayasu An important and daringly experimental voice in Tokyo’s avant-garde poetry scene, Chika Sagawa broke with the gender-bound traditions of Japanese poetry. Growing up in isolated rural Japan, Sagawa

moved to Tokyo at seventeen, and began publishing her work at eighteen. She was immediately recognized as a leading light of the male-dominated Japanese literary scene; her work combines striking, unique imagery with Western influences. The results are short, sharp, surreal poems about human fragility and the beauty of nature from Japan’s first female Modernist poet. The Modern Library Torchbearers series features women who wrote on their own terms,

with boldness, creativity,  
and a spirit of resistance.

**I Wrote This for You:**  
**2007-2017** Univ of  
California Press  
From one of the most-  
viewed spoken word poets

of all time, a poetry  
collection exploring  
themes of loneliness,  
anxiety and longing, while  
also celebrating the gifts  
that come with being  
alone—the chance to live  
on your own terms, to  
learn to love yourself  
without any distractions,  
and to become your own  
biggest champion. Over  
the past few years,  
Sabrina Benaim toured  
nonstop across North  
America and beyond in  
support of her first book,  
Depression & Other Magic  
Tricks, performing,  
connecting with readers,

and leading writing  
workshops. People  
constantly thank Sabrina  
for giving them the  
confidence and language  
they needed to  
acknowledge their own  
mental health struggles  
and ask for help, as well  
as for providing them with  
a safe refuge. Then,  
suddenly, Sabrina's long-  
term relationship ended,  
the world went into  
lockdown, and her mother  
fell ill. Living alone in a  
different country, with  
nowhere else to go,  
Sabrina returned to the  
page. Unfurling over the

course of July 2020—a blisteringly hot month spent in isolation—and in 75 original poems, *I Love You, Call Me Back* dares to embrace loneliness in all its permutations: the sorrow of getting your mother's voicemail when you call to say "I love you"; the bittersweetness when your dog takes up your ex's side of the bed; the joy of eating ice cream for dinner and singing badly, loudly. Here, Sabrina attempts to work out who she is when nobody else is around, and she comes out the

other side with a whole new sense of strength and self-worth. *I Love You, Call Me Back* is an ode to Sabrina's mom, a celebration of life in the face of so many unknowns, and the cathartic, healing balm we all need right now and for years to come. In her words, "Sometimes self-care is just surviving." And that's okay. Sabrina shows us that there's beauty and courage in that, too.

Anchor

With the popularity of Pokemon still far from waning, Japanese animation, known as anime to its fans, has a firm hold on American pop culture. However, anime

is much more than children's cartoons. It runs the gamut from historical epics to sci-fi sexual thrillers. Often dismissed as fanciful entertainment, anime is actually quite adept at portraying important social and cultural issues like alienation, gender inequality, and teenage angst. This book investigates the ways that anime presents these issues in an in-depth and sophisticated manner, uncovering the identity conflicts, fears over rapid technological

advancement, and other key themes present in much of Japanese animation.

For decades, Juran's Quality Handbook has been the one essential reference in quality management and engineering—the ultimate authoritative source of answers on quality applications, procedures, techniques, and strategies. Now this Fifth Edition—a major revision and the first new edition of Juran's Quality

Handbook in more than 10 years—forges a new standard in tools for quality. Bringing managers and engineers the most up-to-date methods, research, and theory, under the guidance of a team of the world's top experts, Juran's shows you how to plan for quality, achieve quality control, and ensure quality results. Packed with new methods, research, and thought on quality, and emphasizing the need for quality software and quality software

development methods, this completely updated classic also gives you new information, new techniques, and new applications. Broad in scope and inclusive in methodology, Juran's Quality Handbook is the reference of choice for anyone concerned with quality in business, manufacturing, or engineering. Whether you're just beginning your journey or a longtime traveler on the quality path, this book is the best possible companion for your voyage.

*Pandemonium and Parade*  
Createspace Independent Publishing Platform  
Rakugo, a popular form of comic storytelling, has played a major role in Japanese culture and society. Developed during the Edo (1600–1868) and Meiji (1868–1912) periods, it is still popular today, with many contemporary Japanese comedians having originally trained as rakugo artists. Rakugo is divided into two distinct strands, the Tokyo tradition and the Osaka tradition, with the latter having previously been

largely overlooked. This pioneering study of the Kamigata (Osaka) rakugo tradition presents the first complete English translation of five classic rakugo stories, and offers a history of comic storytelling in Kamigata (modern Kansai, Kinki) from the seventeenth century to the present day. Considering the art in terms of gender, literature, performance, and society, this volume grounds Kamigata rakugo in its distinct cultural context and sheds light on the 'other' rakugo for

students and scholars of Japanese culture and history.

**Conversion** Andrews McMeel Publishing  
Combining coverage of the key concepts and tools within phonetics and phonology with a systematic introduction to Praat, this textbook provides a lively and engaging 'way in' to the discipline. The author first covers the fundamentals of the articulatory and

acoustic aspects of speech and introduces Praat as the main tool for examining and visualising speech. Next, the unit of analysis is gradually expanded (from syllables to words to turns and dialogues) and excerpts of real dialogues exemplify the core concepts for discovering how speech works. The final part of the book brings all the concepts and notions together with commentaries to the transcription of several short excerpts of dialogues. This book will

be essential reading for students on undergraduate courses in phonetics and phonology.
