This ground-breaking book provides fascinating insights into the fast-emerging body of research that explores the relationship between sport, theology and disability within a social justice framework. In the shadow of two major sport-faith events that fore-fronted the theology of disability sport, the Vatican's international conference—Sport at the Service of Humanity and the Inaugural Global Congress on Sports and Christianity York St John University, UK, at which Dr Brian Brock led a thematic strand on the topic—this book provides a foundation for further research and practice. This text is a timely and important synthesis of ideas that have emerged in two previously distinct areas of research: (i) 'disability sport' and (ii) the 'theology of disability'. Examples of subjects addressed in this text include: elite physical disability sport—Paralympics; intellectual disability sport—Special

Olympics; equestrian sport; church, sport and disability, and; theologies of embodiment, competition and mercy. This book, written by leaders in their respective fields, begins a critical conversation on these topics, and many others, for both researchers and practitioners. The chapters originally published in the *Journal of Disability and Religion and Quest*.

In an age where the Church ruled and anything but the missionary position with your spouse was a sin, people still wanted more. That is clear from the fact that this book exists, was translated from the original French to English, and at least one parliamentarian admitted to reading it. I'll add in my own assumption that even without this book there would be a lot of people asking for forgiveness for their bedroom activities based on the Church's guidelines. Samuel Pepys, an Admiral and Parliamentarian purchased his own copy in England, in 1668 when he saw it in an average book store. Though, he notes he bought it in plain binding as he intended to burn it after reading as not to disgrace himself if someone found it. He skipped church the next day to peruse his purchase and on conclusion wrote this in his diary: "It was not amiss for a sober man once to read over to inform himself in the villainy of the world... it did force my prick beyond stand all the while."

This tale of murder at a snowed-in country house is a “constant puzzle to the end . . . alive with wit” (The New York Times). The unspeakably wealthy (and generally unspeakable) Jonathan Royal has decided to throw a party and, just for fun, has studded the guest list with people who loathe one another. When a blizzard imprisons them all in Royal’s country house, murder ensues, and there are nearly as many suspects as there are potential victims. Eventually, Inspector Alleyn makes his way through the snow to put things right, in this classic whodunit by the Mystery Writers of America Grand Master. “A smooth yarn.” —Kirkus Reviews (starred review)

The Children Of Dynmouth - a classic prize-winning novel by William Trevor Penguin Decades bring you the novels that helped shape modern Britain. The 1970s was a decade of anger and discontent. Britain endured power cuts and strikes. America pulled out of Vietnam and saw its President resign from office. Feminism and face lifts vied for women's hearts (and minds). And for many, prog rock, punk and disco weren't just music but ways of life. William Trevor's The Children of Dynmouth (Winner of the

Whitbread Award and shortlisted for the Booker Prize) was first published in 1976 and is a classic account of evil lurking in the most unlikely places. In it we follow awkward, lonely, curious teenager Timothy Gedge as he wanders around the bland seaside town of Dynmouth. Timothy takes a prurient interest in the lives of the adults there, who only realise the sinister purpose to which he seeks to put his knowledge too late. 'A small masterpiece of understatement ... a work of rare compassion' Joyce Carol Oates, New York Times If you enjoyed The Story of Lucy Gault and Love and Summer, you will love this book. It will also be adored by readers of Colm Toibin and William Boyd. William Trevor was born in Mitchelstown, County Cork. He has written eighteen novels and novellas, and hundreds of short stories, for which he has won a number of prizes including the Hawthornden Prize, the Yorkshire Post Book of the Year Award, the Whitbread Book of the Year Award and the David Cohen Literature Prize in recognition of a lifetime's literary achievement. In 2002 he was knighted for his services to literature. His books in Penguin are: After Rain; A Bit on the Side; Bodily Secrets; Cheating at Canasta; The Children of Dynmouth; The Collected Stories (Volumes One and Two); Death in Summer; Felicia's Journey; Fools of Fortune; The Hill Bachelors; Love and Summer; The Mark-2 Wife; Selected Stories; The Story of Lucy Gault and Two Lives.
