**An Era of Darkness** Harper Collins  
The Research and Analysis Wing, India's shadowy external intelligence agency, is one of the country's least understood institutions—at least in part by design. Perhaps fittingly for a spy agency, there is very little information about R&AW in the public domain. What is this organisation, its structure, its role and vision? Why was it set up? Who are the people that run it? Set up in 1968, as a reaction to India's massive intelligence failure during the war with China, R&AW played a crucial role in the formation of Bangladesh. It has since carried out highly successful covert operations in Fiji, Afghanistan and Sri Lanka, and has countered and foiled Pakistani spy agency ISI's machinations in the subcontinent. R&AW has operations in other parts of the globe too; it played an important role during the Iran-Iraq war, for instance. No country can increase its global reach without intelligence support. That India has made enormous strides in its stature and influence is testimony to R&AW's success. Yet, public accounts of its work exist only in highly romanticised fictional stories.

Investigative journalist Yatish Yadav follows the lives of real agents and maps their actions in real situations. His conversations with Indian spies provide insight into how covert operations actually work. *RAW: A History of India's Covert Operations* is the first comprehensive account of Indian spy networks and their intelligence gathering, and their role in securing and advancing Indian interests. If there is a reunion in your future, whether as the organizer or a helping hand, *Reunion Planner* is one book you won't want to be without. *Reunion Planner* leaves nothing to chance. The contents include sections on the following: choosing the proper kind of reunion, recruiting volunteers, selecting the time and place, creating the program, guest speakers, budgeting, notifying the participants and promoting the event, planning meals and decorations, accommodations and transportation, souvenirs and fund raisers, photographers and videographers, building a genealogy, and finishing touches from road signs to thank-you notes and more.  
[RAW, a History of India's Covert Operations](#) BoD - Books on Demand  
It's been three years since Shahwaz Ali

Mirza and Vikrant Singh foiled dreaded terrorist Munafiq's attempt to leak State secrets from a naval server in Lakshadweep. Now posted with RAW, they have the task of providing security for BSF Special Director General Somesh Kumar, on his way to visit former Prime Minister Parmeshwar Naidu, who has been hospitalized after a car accident. However, Kumar's convoy is attacked by terrorists. They manage to kill him before being gunned down themselves. A tip-off leads the duo to a hotel on Mira Road where the prime suspect, Al Muqadam, is hiding. Vikrant recognizes him as Ayyub, the brother of one of his long-time informants, Mazhar Khan. Just when it looks like things can't get more difficult, Major Daniel Fernando gets in touch claiming that there is more to Naidu's accident than meets the eye. Soon, the entire team from the Lakshadweep operation finds itself getting together for a new mission... Hussain Zaidi is back with his irresistible cast of characters in this sizzling story of politics, betrayal and unimaginable terror.

The Meaning of Luck Trafford Publishing  
Reputed to have initiated the young British art movement, Hirst is considered the pre-eminent artist of his generation. This project brings together for the first time all his works in the collection of Charles Saatchi, his most prolific and proactive patron.

*Damien Hirst* Booth-Clibborn  
How big was the ancient city of Ayodhya? Why is this city so significant for Hindus? Who established the city and what did it look like? What did Lord Rama and Devi Sita's palace look like? What sort of animals were found in this ancient land? No one grows up in India untouched by the beautiful story of Lord Rama and Devi Sita. Every Dussehra we

celebrate the victory of Rama over Ravana, the victory of good over evil. Every Deepavali, we commemorate the return of Rama and Sita to Ayodhya and hear the tale of how the entire city was lit up to receive their beloved king and queen. But is the magnificent capital of Ayodhya just limited to this? Ayodhya was a renowned pilgrimage destination since the dawn of mankind, and after the birth of Lord Rama, it became a place of supreme importance for Hindus. Amazing Ayodhya is an attempt in gaining knowledge about this ancient city-its architecture, its design, its buildings and all the splendid details during the era when Lord Rama walked this earth. This splendidly researched book, replete with shlokas from the Valmiki Ramayana, offers authentic information about the city which will not only help understand the life and times of ancient Hindus but also the revered figures of Rama and Sita. Replete with descriptions, author Neena Rai draws out comparisons of an earlier era with our current life and culture, thus connecting the past with the present. She further compares Ayodhya with the cultures of other ancient civilisations so that the reader feels 'connected' to the past and the content of the book appears 'contemporary'. A fascinating account of an ancient city with significant contemporary relevance, Amazing Ayodhya is a must-read for a better understanding of history, scriptures and Hindu civilisation.

**Reunion Planner** Ballantine Books  
"Are you bitter? Frustrated? Seeking vengeance-or secretly pleased with an enemy's misfortune? Take 31 days to rejoice in God's forgiveness and discover how to forgive others by God's power"--

Whether a believer or not, a devotee or

an agnostic, an accomplished seeker or a simpleton, this is truly a book for all those who shall die!

**Strategy & Business Planning of Privately Held Companies** Westland Publications Limited

All of us love to spend. But before we can do that, we have to have earned or saved some money. Only sovereigns don't have to: they can print money, or borrow; in our country, where they own banks, they can use our deposits to lend and splurge for goals that may not always be economic in nature. Many rulers have succumbed to the temptation, with dire results - inflation, debased currency, payments crises, bankrupt banks, economic stagnation, loss of public confidence. After centuries of ruinous experiences, some governments learnt, others haven't, to control themselves, create self-governing Central banks and let them manage money and regulate banks. Sometime in 2015, news of unsustainable bad debts (non-performing assets or NPAs) in the Indian banking sector started to first trickle out, and then became a flood. In the forefront were some of India's largest government banks, and a series of tycoons who were running their empires on unpaid debts. The banks' problems landed on the table of Urjit Patel when he became Governor of Reserve Bank of India in September 2016. Based on thirty years of macroeconomic experience, he worked out the '9R' strategy which would save our savings, rescue our banks and protect them from unscrupulous racketeers. In this book, he explains the problem and how it blew up; and how he would have resolved it if he had not been prevented.

**Overdraft** Harper Collins

Stories can be both entertaining and

educative. They can also be insightful and illuminating, especially when they have travelled down the generations, through the centuries, taking on new meanings with each retelling. In this genre-bending book, the first of a series, Amish and Bhavna dive into the priceless treasure trove of the ancient Indian epics, as well as the vast and complex universe of Amish's Meluha (through his Shiva Trilogy and Ram Chandra Series), to explore some of the key concepts of Indian philosophy. What is the ideal interplay between thought and action, taking and giving, self-love and sacrifice? How can we tell right from wrong? What can we do to bring out the best in ourselves, and to live a life with purpose and meaning, not just one fuelled by the ego and material needs? The answers lie in these simple and wise interpretations of our favourite stories by a lovable cast of fictional characters whom you'll enjoy getting to know.

**Marketing** Aleph Book Company

A few years later, the young and weakened Mughal emperor, Shah Alam II, was browbeaten into issuing an edict that replaced his own revenue officials with the Company's representatives. Over the next several decades, the East India Company, backed by the British government, extended its control over most of India

*The Endgame* Bloomsbury Publishing  
 Reproduction of the original: *Historic Highways of America* by Archer Butler Hulbert

**Dharma** Genealogical Publishing Company  
 NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where

against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.
