AP Q&A Statistics McGraw Hill Professional

Designed exclusively for use with The Practice of Statistics by Darren Starnes, Josh Tabor, David Moore and Daniel Yates, the Strive for a Five Guide helps students evaluate their understanding of the material covered in the textbook, develop conceptual understanding and communication skills, and ultimately prepare for success, equipping them with all the skills needed to excel on the AP® Statistics Exam. This book is divided into two sections. The first is a study guide to be used throughout the AP Statistics course, and the second includes preparation with additional AP® test strategies, including two full-length AP® style practice exams, each with 40 multiple-choice questions, 5 free response questions and finished with an investigative task. These features better enforce students' understanding of the subject.
