Acclaimed journalist Ted Conover sets a new standard for bold, in-depth reporting in this first-hand account of life inside the penal system at Sing Sing. When Ted Conover's request to shadow a recruit at the New York State Corrections Officer Academy was denied, he decided to apply for a job as a prison officer himself. The result is an unprecedented work of eyewitness journalism: the account of Conover's year-long passage into storied Sing Sing prison as a rookie guard, or "newjack." As he struggles to become a good officer, Conover angers inmates, dodges blows, and attempts, in the face of overwhelming odds, to balance decency with toughness. Through his insights into the harsh culture of prison, the grueling and demeaning working conditions of the officers, and the unexpected ways the job encroaches on his own family life, we begin to see how our burgeoning prison system brutalizes everyone connected with it. An intimate portrait of a world few readers have ever experienced, Newjack is a haunting journey into a dark undercurrent of American life.

This book will also help you to perform your job to the best of your ability. Let's face it - whether you like it or not, the New York State Commission of Corrections Minimum Standards are the laws of the State of New York. If you do not know these rules and guidelines, you may be in violation of the law- potentially causing yourself unnecessary liability. As a corrections professional, you owe it to yourself to know these rules inside and out. The reason that I sat down and compiled this information is because while I was studying the New York State Commission of Corrections Minimum Standards, I had a hard time reading through the boring page after page of legal terminology. So as a study guide for myself, I decided to break down the information into smaller pieces so that I could better understand the information. The end result is this study guide! An enraging, necessary look at the private prison system, and a convincing clarion call for prison reform." —NPR.org New York Times Book Review 10 Best Books of 2018 \* One of President Barack Obama's favorite books of 2018 \* Winner of the 2019 J. Anthony Lukas Book Prize \* Winner of the Helen Bernstein Book Award for Excellence in Journalism \* Winner of the 2019 RFK Book and Journalism Award \* A New York Times Notable Book A ground-breaking and brave inside reckoning with the nexus of prison and profit in America: in one Louisiana prison and over the course of our country's history. In 2014, Shane Bauer was hired for \$9 an hour to work as an entry-level prison guard at a private prison in Winnfield, Louisiana. An award-winning investigative journalist, he used his real name; there was no meaningful background check. Four months later, his employment came

to an abrupt end. But he had seen enough, and in short order he wrote an exposé about his experiences that won a National Magazine Award and became the most-read feature in the history of the magazine *Mother Jones*. Still, there was much more that he needed to say. In *American Prison*, Bauer weaves a much deeper reckoning with his experiences together with a thoroughly researched history of for-profit prisons in America from their origins in the decades before the Civil War. For, as he soon realized, we can't understand the cruelty of our current system and its place in the larger story of mass incarceration without understanding where it came from. Private prisons became entrenched in the South as part of a systemic effort to keep the African-American labor force in place in the aftermath of slavery, and the echoes of these shameful origins are with us still. The private prison system is deliberately unaccountable to public scrutiny. Private prisons are not incentivized to tend to the health of their inmates, or to feed them well, or to attract and retain a highly-trained prison staff. Though Bauer befriends some of his colleagues and sympathizes with their plight, the chronic dysfunction of their lives only adds to the prison's sense of chaos. To his horror, Bauer finds himself becoming crueler and more aggressive the longer he works in the prison, and he is far from alone. A blistering indictment of the private prison system, and the powerful forces that drive it, *American Prison* is a necessary human document about the true face of justice in America.

PULITZER PRIZE WINNER • NATIONAL BOOK AWARD FINALIST • The definitive history of the infamous 1971 Attica Prison uprising, the state's violent response, and the victim's decades-long quest for justice. "Gripping ... deals with racial conflict, mass incarceration, police brutality and dissembling politicians ... Makes us understand why this one group of prisoners [rebelled], and how many others shared the cost." —The New York Times On September 9, 1971, nearly 1,300 prisoners took over the Attica Correctional Facility in upstate New York to protest years of mistreatment. Holding guards and civilian employees hostage, the prisoners negotiated with officials for improved conditions during the four long days and nights that followed. On September 13, the state abruptly sent hundreds of heavily armed troopers and correction officers to retake the prison by force. Their gunfire killed thirty-nine men—hostages as well as prisoners—and severely wounded more than one hundred others. In the ensuing hours, weeks, and months, troopers and officers brutally retaliated against the prisoners. And, ultimately, New York State authorities prosecuted only the prisoners, never once bringing charges against the officials involved in the retaking and its aftermath and neglecting to provide support to the survivors and the families of the men who had been killed. Drawing from more than a decade of extensive research, historian Heather Ann Thompson sheds new light on every aspect of the uprising and its legacy, giving voice to all those who took part in this forty-five-year fight for justice: prisoners, former hostages, families of the victims, lawyers and judges, and state officials and members of law enforcement. *Blood in the Water* is the searing and indelible account of one of the most important civil rights stories of the last century.
