Bhagavad Geeta

The Bhaktivedanta Book Trust International, Inc.

This collection of articles by Srila Prabhupada from Back to Godhead magazine covers knowledge of the soul and the practice of bhakti-yoga. These interviews, lectures, and essays cover topics such as the goal of human life, seeking a true spiritual teacher, reincarnation, super-consciousness, Krishna and Christ, and spiritual solutions to today's social and economic problems. *Vedic Mathematics Made Easy* Createspace Independent Publishing Platform

Srimad Bhagavad Gita a Commentary on the Bhagavad Gita by Bankim Chandra Chatterjee (1902 - Published Posthumously). The Bhagavad Gita often referred to as simply the Gita, is a 700 verse Hindu scripture in Sanskrit that is part of the Hindu epic Mahabharata (chapters 23-40 of the 6th book of Mahabharata). The Gita is set in a narrative framework of a dialogue between Pandava prince Arjuna and his guide and charioteer Lord Krishna. Facing the duty as a warrior to fight the Dharma Yudhha or righteous war between Pandavas and Kauravas, Arjuna is counselled by Lord Krishna to "fulfill his Kshatriya (warrior) duty as a warrior and establish Dharma."

Sanskrit Self Learner

(*Bengali Edition*) Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math)

The quality of our consciousness can go up or down based on how

we see the world and act in it. When we act like the eternal spiritual beings that we are - small parts of a supreme whole - makes us happy. But if we focus our attempts at happiness on the temporary body and mind - on matter - and make those our life's priority, our consciousness will shrink and we'll be miserable. Spiritual elevation - raising our consciousness to higher levels - happens quickly when we revive our God consciousness. In this compact book, Srila Prabhupada recommends seeing the world as it is - a temporary place full of anxiety - and then taking the road to higher consciousness by rediscovering our relationship with the Supreme Person, Krishna. Anyone can become elevated; the journey begins with a single step up.

Pranab Gita - Volume 1 Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math)

With its systematic analysis of major themes, this Comprehensive Gita Guide represents a one-of-a-kind companion for beginners, advanced students and experienced scholars. With encyclopedic knowledge and an insider's understanding of the text, the author guides us in simple accessible prose to the very heart of the Gita's sublime conclusions.

Mahabharata-Krishnakatha and Bhagavatapurana, an International Literature Survey Penguin

This small booklet published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is a compilation from the teachings of the Holy Mother Sri Sarada Devi, the divine consort of Sri Ramakrishna Paramahansa. Simple, yet sublime, these teachings of the Holy Mother are an invaluable guide to spiritual aspirants.

Bhagavad Gita Reference Guide Taylor & Francis

Rabindranath Tagore reinvented the Bengali novel with Farewell Song, blurring the lines between prose and poetry and creating an effervescent blend of romance and satire. Through Amit and

Labanya and a brilliantly etched social milieu, the novel addresses contemporary debates about 'good' and 'bad' writing, the nature of love and conjugality, and the influence of Western culture on Bengali society. Set against the idyllic backdrop of Shillong and the mannered world of elite Calcutta society, this sparkling novel expresses the complex vision and the mastery of style that characterized Tagore's later works. Tagore was not only an immensely versatile poet; he was also a great short story writer, novelist, playwright, essayist, and composer of songs. Amartya Sen Bhagavad Gita Rendered in the Languages of the World The Bhaktivedanta Book Trust

Srimad Bhagavat Gita is a scripture for the entire mankind. This scripture which took birth in the middle of a war field as the teachings for a warrior - whose emotions overtook his commitment to duty - is capable of leading us in the right path. It instructs us on the arts of living, working, worshipping, looking at our relationship with Nature (Prakrithi) and, thereby, leading a purposeful life. Srimad Bhagavat Gita is a mine of treasures for any human being. It enlightens us that we are children of immortality, and exhorts us to discharge our duties and responsibilities with the Fire of Knowledge (Jnaanaagni) as the means to live up to that Truth. In this book, the reader is taken step-by-step to reach the final goal of experiencing that bliss and seeing the Prakrithi as the cause for performing all bounden duty. The uniqueness of this book is that it gives the entire essence of the teachings of the Gita, chapter-wise, as contained in its eighteen chapters, in a precise, concise and simple form to understand the eternal principles of living without any dogmatic presumptions. This book explains how the teachings in the Gita are relevant for the present society.

An Experiential Commentary on Srimad Bhagavad Gita in the Light of Kriya Yoga The Bhaktivedanta Book Trust

Queen Kunti, a tragic and heroic figure, emerges from an explosive era in the history of ancient India. Her teachings are simple and illuminating outpourings revealing the deepest transcendental emotions of the heart and the deepest philosophical and theological penetrations of the intellect. At the conclusion of the devastating Kurukshetra war, Queen Kunti approaches Lord Krishna as He prepares to depart the scene of the battle. Kunti's words are words of glorification impelled by a divine love steeped in wisdom. Kunti's spontaneous glorification of Lord Krishna and her description of the spiritual path are immortalized in the Mahabharata and the Bhagavata Purana (Srimad-Bhagavatam), and they have been recited, chanted, and sung by sages and philosophers for thousands of years. As they appear in the First Canto of the Bhagavatam, Queen Kunti's celebrated prayers consist of only twenty-six couplets (verses 18 through 43 of the Eighth Chapter), yet they are considered a philosophical, theological, and literary masterpiece. Let her heartfelt words of wisdom bring solace to your soul.

Gītā-mādhurya Central Chinmaya Mission Trust

The authorised English translation of the profound Gita commentary of Swami Pranabananda Paramhansa, exalted disciple of Yogiraj Lahiri Mahasaya. Part one of two volumes. [Essays on the Gita](#) Rajpal & Sons

Srimad Bhagavadgita (A Vedanta Text) Upanisads are called Vedanta and the synthesis of its concepts is discussed in 'Brahma Sutra' by the great sage Vedvyas. The knowledge of the fundamental entities, as is propounded in the Upanisads, related to the Absolute (Brahma, Pure Self) is included in Srimad Bhagvadgita (Gita), the dialogue between Lord Srikrna and the mighty-armed Arjuna. That is why the Gita Text is also called a Vedanta Text. Although from the beginning to the end in the text the Blessed Lord Srikrna has given the sermons of carrying out one's duty inspired by one's own inborn nature, but to understand the entire teachings of the Lord the study of the complete text is essential. This is a unique text of metaphysics (the science of reality) and ethics (the art of union with the reality) by which, following the scriptural method of listening, analytical reasoning and firm meditation, a person gets spiritual happiness. Many enlightened sages and learned authors have written commentaries on Gita which are very valuable from the point of view of Religion and Philosophy. In the present text, taking help of

the few of these, effort is being made to present the subject matter in a different form. Based on personal experience the following five points are taken into consideration. First, a suitable title is given to each Sloka (verse) so that essentials of the subject matter are known in a short time from the contents of the text. Second, looking to the need of a large number of devotees who have no indepth knowledge of Sanskrit and its pronunciation, each Sloka is also given in the roman script. Third, the meaning of each Sanskrit word is explained in Hindi in such a way that entire meaning of the Sloka is easily understood and remembered. Fourth, keeping in view the pattern of present education and interest of young students, the meaning of each Sloka is also given in English along with Hindi. Fifth and the last point is about the short explanation of each Sloka. The thoughts of any one tradition in vogue are not fully incorporated but partly taken into consideration, which are essential to understand the in-depth meaning of the teachings and the rest is left to learned reader for his/her interpretations. It is advised to study the known standard texts for detailed explanations.

[The Message of Holy Mother](#) Lotus Press

"The true spiritual commentary on the Bhagavad Gita is hereby published. Other than Kriyanvitas, no one else will be capable of understanding this, the reason being that from the beginning to end, Kriya and the states of Kriya are described here. If ordinary people read this they can create opposite meanings and, only paying attention to the words and language, will create all kinds of complicated agrumentations; thus, not understanding the essence of this, they will go about with nothing but the words. But for aware and devoted Kriyavans, this is a jewel of the heart. As they progress in Kriya - in the same way will they easily be able to discern its [the work's] true significance." -distilled from the Introduction of the original Bengali Edition English translation by Yoga Niketan Print edition is 657 pages

[The Art of Eternal Love](#) The Bhaktivedanta Book Trust

All the literature of the world is puny and insignificant in front of the Bhagwat Gita- once remarked the famous American writer and philosopher, H.D. Thoreau. This book is an outcome of a deep study of the Gita over a long period and broadly covers the main teachings enshrined in the scripture. In fact, Gita is not merely a holy book meant for reverence and ritual worship, but it is a fountain spring of true knowledge and wisdom and can be

considered as a manual for righteous living. This small book acquaints the readers with the fundamentals of life, which include the human body and the soul, pleasure and pain, God and nature, good and evil, the different qualities inherent in human beings, yoga, meditation, desires and similar other aspects. The book has been specially designed for the busy man of the present day, who has no time to read voluminous titles! Some Glimpses: *The Goal of Life: The man who remains same in pain and pleasure, and who is wise makes himself fit for eternal life. *The Charity given as a matter of duty and without expectation of return, to the right and deserving person, at the right time and place is Satvik.

*Whatsoever makes the unwavering and unsteady mind wander away, let him restrain and bring it back to the control of the self alone. *A true devotee is one who has no ill-will to any being, who is friendly and compassionate, free from egoism and self sense, even-minded in pain and pleasure, and patient.

Bhagavad-Gita as it is Bhagavad Geeta Commentary on 'The Bhagavad Geeta' by Swami Mukundananda The Spiritual Heritage of India

The Nisargadatta Gita was first released on the internet in February 2008; since then it has been acclaimed worldwide as one of the best expositions of the teachings of Sri Nisargadatta Maharaj, and used as a meditation manual by many. The essence of the teaching has been expressed in a very clear and lucid style. The Nisargadatta Gita has only one chapter 'I AM', which consists of 231 condensed quotes of Sri Nisargadatta Maharaj along with a short commentary on each quote. These quotes have been prepared from a collection of 572 'I AM' quotes compiled from 10 main books (Beginning with 'I Am That') which cover almost all the recorded dialogues of Sri Nisargadatta Maharaj. This third edition is the first official printed version and has an appendix titled I Am That - A Realization, which is a tribute to the Guru by his disciple.

Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math)

This book, first published in 1962, is an analysis of the history of the philosophy of a country that has never distinguished philosophy from religion. Indian philosophy is not merely metaphysical speculation, but has its foundation in immediate perception. This insistence upon immediate perception rather than abstract reasoning is what distinguishes the Indian philosophy of religion from philosophy as Western nations know it.
