MASON FULLER

What's the Big Idea? Vintage

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

STUDY NOTES of Mice and Men BMI Educational Services Encourages teachers to structure literacy education around clearly stated, essential questions, and describes how this approach can increase a student's abilities for comprehension and retention.

The Odyssey Harper Collins

REA's MAXnotes for John Steinbeck's *Of Mice and Men* MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

Skellig Farrar, Straus and Giroux (BYR)

The Odyssey is one of the oldest works of Western literature, dating back to classical antiquity. Homer's epic poem belongs in a collection called the Epic Cycle, which includes the *Iliad*. It was

originally written in ancient Greek, utilizing a dactylic hexameter rhyme scheme. Although this rhyme scheme sounds beautiful in its native language, in modern English it can sound awkward and, as Eric McMillan humorously describes it, resembles "pumpkins rolling on a barn floor." William Cullen Bryant avoided this problem by composing his translation in blank verse, a rhyme scheme that sounds natural in English. This epic poem follows Ulysses, one of the Greek leaders that brought an end to the ten-year-long Trojan war. Longing for home, he travels across the Mediterranean Sea to return to his kingdom in Ithaca; unfortunately, our hero manages to anger Neptune, the god of the sea, making his trip home agonizingly slow and extremely dangerous. While Ulysses is trying to return home, his family in Ithaca is also in danger. Suitors have traveled to the home of Ulysses to marry his wife, Penelope, believing that her husband did not survive the war. These men are willing to kill anyone who stands in their way. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common

Core connections.

Speak: The Graphic Novel Delacorte Press

Scene by Scene Classroom Questions are essential resources for teachers, designed to save time and lead to rewarding classroom experiences. The guides are broken down by scene or chapter to complement the text they accompany. These guides provide a clear list of questions for every stage of teaching the text. Of Mice and Men Close Reading and Text-Dependent Questions Simon and Schuster

Young Adult Edition with Reader's Guide "Sometimes you know in your heart you love someone, but you have to go away before your head can figure it out." To trace the path of her missing mother, Sal embarks on a journey from Ohio to Idaho with her grandparents. On the road, Sal tells the strange and exciting story of her friend Phoebe. As the miles pass, Phoebe's tale becomes more and more outrageous, while Sal's own story begins to emerge. In unraveling Phoebe's mystery, Sal comes ever closer to finding out the truth behind her own bittersweet journey. What will she find at the end of the road?

The Play of Daniel Keyes' Flowers for Algernon Hayden

"*Of Mice and Men*" is a novella written by John Steinbeck, first published in 1937. Set during the Great Depression in California, it

tells the story of two displaced migrant ranch workers, George Milton and Lennie Small, who are trying to make a living during tough economic times. George is a small, quick-witted man, while Lennie is a physically strong but mentally disabled man with a childlike innocence. The two have a close bond, with George serving as a protector and caretaker for Lennie. The story follows their journey as they seek employment and dream of owning their own piece of land, which they call a little farm where they can live off the fat of the land. However, their dreams are constantly threatened by the harsh realities of their circumstances and the cruelty of the world around them. The novella explores themes of friendship, loneliness, isolation, and the harshness of society, as well as the plight of marginalized individuals during the Great Depression. It is a poignant and timeless work that continues to resonate with readers due to its powerful portrayal of human relationships and the struggle for survival.

From the New York Times bestselling author of *Rules of Civility*. 'A comic masterpiece.' The Times 'Winning . . . gorgeous . . . satisfying . . . Towles is a craftsman.' New York Times Book Review 'A work of great charm, intelligence and insight.' Sunday Times 'Everything a novel should be: charming, witty, poetic and generous. An absolute delight.' Mail on Sunday 'If we do a better book than this one on the book club this year we will be very very lucky.' Matt Williams, Radio 2 Book Club 'Abundant in humour,

history and humanity' Sunday Telegraph 'Wistful, whimsical and wry.' Sunday Express On 21 June 1922 Count Alexander Rostov - recipient of the Order of Saint Andrew, member of the Jockey Club, Master of the Hunt - is escorted out of the Kremlin, across Red Square and through the elegant revolving doors of the Hotel Metropol. But instead of being taken to his usual suite, he is led to an attic room with a window the size of a chessboard. Deemed an unrepentant aristocrat by a Bolshevik tribunal, the Count has been sentenced to house arrest indefinitely. While Russia undergoes decades of tumultuous upheaval, the Count, stripped of the trappings that defined his life, is forced to question what makes us who we are. And with the assistance of a glamorous actress, a cantankerous chef and a very serious child, Rostov unexpectedly discovers a new understanding of both pleasure and purpose.

Beyond the Sky and the Earth Blue Box Press

We live in an age of economics. We are encouraged not only to think of our work but also of our lives in economic terms. In many of our practices, we are told that we are consumers and entrepreneurs. What has come to be called neoliberalism is not only a theory of market relations; it is a theory of human relations. *Friendship in an Age of Economics* both describes and confronts this new reality. It confronts it on some familiar terrain: that of friendship. Friendship, particularly close or deep friendship, resists categorization into economic terms. In a sustained investigation of friendship, this book shows how friendship offers an alternative to neoliberal relationships and can help lay the groundwork for resistance to it.

The Power of Persuasion Penguin

"An engaging, highly readable survey of the sophisticated methods of persuasion we encounter in various situations. From television to telemarketing and from self-deception to suicide cults, Levine takes a hard look at all the ways we attempt to persuade each other--and how and why they work (or don't). . . . The next time you wonder what possessed you to pay \$50 for a medallion commemorating the series finale of *Friends*, you'll know where to turn." --Slashdot.org "If you're like most people, you think advertising and marketing work--just not on you. Robert Levine's *The Power of Persuasion* demonstrates how even the best-educated cynics among us can be victimized by sales pitches." --The Globe and Mail "Levine puts [his] analysis in the

service of his real mission--to arm the reader against manipulation." --The Wall Street Journal "This wonderful book will change the way you think and act in many realms of your life." --Philip Zimbardo former president, American Psychological Association

This is the definitive guide to *Of Mice and Men*, concise, and easy to read.

From Blood and Ash CreateSpace

Jeff Bussey walked briskly up the rutted wagon road toward Fort Leavenworth on his way to join the Union volunteers. It was 1861 in Linn County, Kansas, and Jeff was elated at the prospect of fighting for the North at last. In the Indian country south of Kansas there was dread in the air; and the name, Stand Watie, was on every tongue. A hero to the rebel, a devil to the Union man, Stand Watie led the Cherokee Indian Nation fearlessly and successfully on savage raids behind the Union lines. Jeff came to know the Watie men only too well. He was probably the only soldier in the West to see the Civil War from both sides and live to tell about it. Amid the roar of cannon and the swish of flying grape, Jeff learned what it meant to fight in battle. He learned how it felt never to have enough to eat, to forage for his food or starve. He saw the green fields of Kansas and Oklahoma laid waste by Watie's raiding parties, homes gutted, precious corn deliberately uprooted. He marched endlessly across parched, hot land, through mud and slashing rain, always hungry, always dirty and dog-tired. And, Jeff, plain-spoken and honest, made friends and

enemies. The friends were strong men like Noah Babbitt, the itinerant printer who once walked from Topeka to Galveston to see the magnolias in bloom; boys like Jimmy Lear, too young to carry a gun but old enough to give up his life at Cane Hill; ugly, big-eared Heifer, who made the best sourdough biscuits in the Choctaw country; and beautiful Lucy Washbourne, rebel to the marrow and proud of it. The enemies were men of another breed - hard-bitten Captain Clardy for one, a cruel officer with hatred for Jeff in his eyes and a dark secret on his soul. This is a rich and sweeping novel-rich in its panorama of history; in its details so clear that the reader never doubts for a moment that he is there; in its dozens of different people, each one fully realized and wholly recognizable. It is a story of a lesser -- known part of the Civil War, the Western campaign, a part different in its issues and its problems, and fought with a different savagery. Inexorably it moves to a dramatic climax, evoking a brilliant picture of a war and the men of both sides who fought in it.

In Dubious Battle Penguin

David Almond's Printz Honor-winning novel celebrates its 10th anniversary! Ten-year-old Michael was looking forward to moving into a new house. But now his baby sister is ill, his parents are frantic, and Doctor Death has come to call. Michael feels helpless. Then he steps into the crumbling garage. . . . What is this thing beneath the spiders' webs and dead flies? A human being, or a strange kind of beast never before seen? The only person Michael can confide in is his new friend, Mina. Together, they carry the creature out into the light, and Michael's world changes forever. . .

The Songs of St Petersburg Harper Collins

A spellbinding account of the real facts of the Central Park jogger case that powerfully reexamines one of New York City's most notorious crimes and its aftermath. • A must-read after watching Ava DuVernay's *When They See Us* On April 20th, 1989, two passersby discovered the body of the "Central Park jogger" crumpled in a ravine. She'd been raped and severely beaten. Within days five black and Latino teenagers were apprehended, all five confessing to the crime. The staggering torrent of media coverage that ensued, coupled with fierce public outcry, exposed the deep-seated race and class divisions in New York City at the time. The minors were tried and convicted as adults despite no evidence linking them to the victim. Over a decade later, when DNA tests connected serial rapist Matias Reyes to the crime, the government, law enforcement, social institutions and media of New York were exposed as having undermined the individuals they were designed to protect. Here, Sarah Burns recounts this historic case for the first time since the young men's convictions were overturned, telling, at last, the full story of one of New York's most legendary crimes.

These study notes are suitable for any course of study which includes this literary text. The study notes include detailed chapter summaries, study questions, character studies, essays on themes, language and style, suggestions for creative tasks and sample examination questions. As the free preview does not go as far as the essays on character and theme, an extract is given

below so that you can judge the level of detail and difficulty: George is a "bindlestiff" - an itinerant ranch hand. His physical characteristics are that he is "small", "dark of face" and has "sharp, strong features" (ch. 1, p. 2). In this initial description of George, there are also some hints about his character: he is "quick" and has "restless eyes". Later in the book, when he is talking to Slim, he says "I ain't so bright neither, or I wouldn't be buckin' barley for my fifty and found" (ch. 3, p. 44). This may be true, but he is certainly clever and wise. It could be that, when he says this, he is excusing himself, knowing that he could have achieved more if he did not have to look after Lennie. His wisdom and common sense are demonstrated in the next few pages when he advises Lennie to be careful about the pool because it "Looks kinda scummy" (ch. 1, p. 3). He explains to Lennie: "You never oughta drink water when it ain't running." By contrast, Lennie just puts his head in the water and gulps it "like a horse". This little incident brings out the contrast between the two men very early in the novel. We soon find out that Lennie is mentally disabled, and that George looks after him. The history of their relationship is explained later in the novel, when he is talking to Slim in chapter 3: "Him and me was both born in Auburn. I knowed his Aunt Clara. She took him when he was a baby and raised him up. When his Aunt Clara died, Lennie just come along with me out workin'." (ch. 3, p. 45)
