How to Match Horoscopes for Marriage V&S Publishers

This study of the birth horoscopes for the marriage partners gives sufficient basic clues for a happy partnership or otherwise. A Scientific methodology based on compatibility on Moon and other aspects is evolved for matching the horoscopes for marriage partners. The magnetic control, amenability, psychological dispositions, mental qualities, bodily/physical contacts, affection, harmony, progeny, temperament, character, pulse or nervous energy indicating physiological and to certain amount hereditary factors, duration of married life, widowhood etc. are considered for matching horoscopes. Tables for compatibility points are given. Accordingly, a criteria is evolved for matching of the two horoscopes as poor, fair, good, very good, excellent. The complete scheme can be computerized. Model horoscopes of couples with successful marriage and prosperity are also given for ready interpretation of this methodology. This book will make a useful addition to present literature on matching horoscopes for marriage. It will be received with interest and approbation by the students as well as scholars in the subject particularly the scientific astrologers.

This book critically examines domestic violence law in India. It focuses on women's experiences and perspectives as victims and litigants, with regard to accessibility to law and justice. It also reflects on the manner in which the legal process reproduces gender hierarchies. This volume: Analyzes the legal framework from a gender perspective to pinpoint the inherent stereotypes, prejudices and discriminatory practices that come into play while interpreting the law; Includes in-depth interviews and case studies, and explores critical themes such as marriage, rights, family, violence, property and the state; Presents alternatives beyond the domain of law, such as qualitative medical care and legal aid facilities, shelter homes, short-stay homes, childcare facilities, and economic and social security provisions to survivors and their children. Drawing on extensive testimonies and ethnographic studies situated in a theoretical framework of law, this book will be of great interest to scholars and researchers of law, gender, human rights, women's studies, sociology and social anthropology, and South Asian studies.

Parashari Jaimini and Tajik are the three most popular systems of Vedic Astrology. Parashar gives more importance to the planets while Jaimini considers the rashis to be more important. Tajik is mainly used in Prashna Shastra and in Varshaphal. Tajik diverts slightly always from the main stream of the traditional methods and employs newer techniques of Astrology. 'Tajik Neelakanthi', of Acharya Neelakantha, which was composed in the 16th century AD, is the base of Taik Jyotish. This does not mean that Varshaphal and Prashna techniques were not practised in vedic Astrology before this. 'Uttar Kalamrit' of Kalidas mentions and describes the computation of Varshaphal dasha which is different from the 'Mudda dasha' of Varshaphal. Apart from this, 'Shat Panchashikha' of Prithyushyas is the established classic of Prashna Shastra, which was composed centuries before 'Tajik Neelakanthi'. Ancient Kairaleeya Jyotish is also well known for considering Prashna to be their main technique. The influence of Greek and Arab culture is clearly seen on the word 'Tajik'. Arrival of the invaders from Western Asia initiated the exchange of culture between India and West Asia. This exchange introduced some newer techniques to our Vedic Astrology. One of these techniques was Tajik. This has been marked as the beginning of Tajik jyotish. Tajik word does not belong to Sanskrit. There are different opinions regarding this issue. Some scholars consider it to be a distorted form of the word 'Jatak'. Another view is that meaning of Tajik is a horse in Turkish and Persian language. The speed of this technique has been compared to that of a horse and for this reason it has been named Tajik. In any case the influence of Mohammedans on this knowledge is very clear. This is also confirmed by the other words of Tajik, namely mudda, muntha, saham and the names of the Tajik yogas like Ithasal, Ikkabal, Ishraf, nakta, radda and khallasar etc. Moving at the average speed of 1° per day, Sun completes one round of the Zodiac in one year. For casting the annual horoscope we select the time when Sun reaches the longitude of the natal Sun. The horoscope cast for that date and time becomes the annual horoscope and the Varshaphal is decided on the basis of this horoscope. In a similar manner prediction for any year of the person's life can be given on the basis of the annual horoscope. In other words the annual horoscope is based on the longitude of the natal Sun and not on the date and time of birth. This also means that the date, day and time of the annual horoscope is generally different from that of the birth horoscope.

Marriage is one of the most sacred and pious social events of life in the context of Indian culture. It is solemnized to become a vital bond between the two marrying partners who are mostly two different human souls of opposite sex. It can thus fill one's life with immense and perpetual joy or it can mean otherwise as well. It has in fact a cosmic relevance for the continuance of the mankind and humanity in the universe. The union of the two persons of opposite sexes makes the beginning or the commissioning of a new family. Marriage is a part of our culture almost since the creation of humanity. It is a socially approved union ship or relationship between two individuals of opposite sex, to call themselves as life partners after marriage. The family grows by the birth of the children, which is a direct manifestation of destiny. So marriage and matters related to it are destined or destiny related as per "Shastra" s" and Vedic philosophy, which is the crux of the human existence. There is a well-known saying which says that the "Marriages are settled in heaven and celebrated on Earth".

Pitra Dosh is generally interpreted as the curse of ancestors. If Pitra Dosh is formed in your horoscope, it does not mean that your Pitras (Ancestors) are cursing you; it means that your Pitras are themselves cursed by virtue of their bad karmas. A part of this curse or karmic debt has been forwarded to you. Pitra Dosh is an inheritance of karmic debt of the family line and you have to accept it, whether or not you want to. This book features comprehensive details about various aspects related to the concept of Pitra Dosh. The book features a chapter on Pitra Dosh and 12 chapters on different types of Pitra Dosh formed in 12 houses of horoscope. Important factors which may affect the results given by Pitra Dosh are discussed in details. These factors include placements of relevant planets in various houses, signs, nakshatras and navamshas; influences of other benefic and malefic planets; and the impact of overall horoscope as well as planetary periods on Pitra Dosh. This way, a logical, balanced and comprehensive approach has been implemented.

Astrology can be considered a useful branch of knowledge only if its concepts and principles could be applied to assess the personality and life of a person, and to look into the years ahead to tell him as to what is in store for him.

There are several books written by eminent writers on this subject but there is not a single book which has covered all technical and scientific information and observation experienced by modern scientist of the Era like 'Hippocrate' (father of the medicines), Dr. William Mckay Davidson M.D. of Chicago, Dr. Kirillian of Russia, Upanishads of India (a great scientific book of ancient time which is a challenge to medical sciences and modern reserchist and many more). It was therefore my strong desire to produce such a work on this subject of 'Astrology which would be completed in all respect and there would arise no necessity of referring to any other book on this subject.

Lal Kitab - a Rare Book on Astrology Clarkson Potter

This book deals with the fundamentals of Horoscope matching. Today "Horoscope matching" has become the indispensable part of Hindu marriage. But it has not been mentioned in any old Jataka scripture of Astrology. However, it has been described in the Muhurta scriptures of the same. In Ramayan, marriage of Rama, Bharata, Lakshmana and Shatrughna has been described elaborately. But, in this great epic also Horoscope matching has not been mentioned. Likewise, in Mahabharata, too, it has not been cited. Therefore, it can be said that Horoscope matching in Astrology was not in practice a few centuries ago. But, the community accepted and made it an indispensable part keeping its usefulness in view. Different systems of Horoscope matching are in practice in different parts of India. In North India, Ashtakuta matching is in practice whereas in South Dasakuta matching is in fashion. But Ashtakuta matching is in vogue in most part of India. This is why the All India Federation of Astrologers' Societies has accepted and prescribed this system of Ashtakuta matching for the courses of its students. The book has been written keeping in view the courses introduced by the All India Federation of Astrologers' Societies, Delhi. The students are advised to study "Kundali Milana-Sukhi Dampatya Jeevana Ka Adhar" because prediction of a happy married life cannot be made by Ashtakuta matching only. This shows only the amity, love and mutual understanding between the two. But to determine the age, health and ups and downs in life of the couple some other aspects such as Period-sub-period, Dosha Samya etc. are also essential to be analyzed. An analysis of long conjugal life is essential for its stability. So, apart from Ashtakuta matching, we should keep in view other aspects also. To know all this, "Kundali Milan - Sukhi Dampatya Jeevana Ka Adhara" is prescribed.
