The title translates to "Remember you must die", which is the message delivered by a series of insidious phonecalls made to the elderly Dame Lettie Colston and her acquaintances. Who is making the calls and why? The recipients reflect on their past lives while they try to identify the culprit. Memento Mori (novel) - Wikipedia The blurb on the back of my paperback copy by Stephen Schiff of the New Yorker calls Memento Mori "A complex, beautiful, and terrifyingly insightful novel about old age." This is spot on! I was surprised to see that Muriel Spark was only 41 when she penned this because it seems to really get at the heart of being in your seventies and eighties. Memento Mori by Muriel Spark - Goodreads Muriel Spark's third novel, Memento Mori, published in 1959 is a blackly comedic, sometimes savage, sometimes tender journey towards death, following a group of aged upper middle class intellectuals, their servants and companions, towards their final breaths.
