Rajiv Gandhi Assassination Partridge Publishing

Will sex tourism blossom in Kashmir? Ajit Chak speaks of many mysteries in his book Kashmir Storm. He speaks in a muted voice about the riots of 1984. He speaks of how a leader from South India could have driven a wedge between the Gandhi family and the Nehru family in the Congress Party and how Rajiv Gandhis security was compromised. He links Rajivs death in South India to the downfall of the Congress in Uttar Pradesh and the rise of regional parties in the state and the breakdown of law and order there. He talks of how customs in Uttar Pradesh promote rape within marriage, how giving tee shirts and mobile phones to girls can actually increase cases of rape, and lastly he talks in detail about the Muslim politics of the nation in UP, where almost half the entire population of Mulsims in the nation lives and works. The year is 2016. Sex tourism is booming in Kashmir as the states economy has collapsed

following the floods and inflow of Jehadis. Since prostitution is legal in Kashmir, there is little the police can do about it. Under Article 370, no Indian law can apply in Kashmir. The book reverses the Love Jihad theory has a Muslim heroine who goes through all kinds of risks for her paramour a Hindu lad from Noida and Delhi. The girl who has come from Pakistan to India eventually decides to move in with him and settle down as she cannot live without him. The book also skims through the plight of Kashmiri Pandits and how they were driven out of Kashmir.

Religion in Politics Article 19

On John Constable as a proto-abstractionist of pastoral landscape One of Britain's greatest landscape painters, John Constable was brought up in Dedham Vale, the valley of the River Stour in Suffolk. The eldest son of a wealthy mill owner, he entered the Royal Academy Schools in 1800 at the age of 24, and thereafter committed himself to painting nature out of doors. His "six-footers," such as *The Hay Wain* and *The Leaping Horse*, were designed to promote landscape as a subject and to stand out in the Academy's Annual Exhibition. Despite this, he sold few paintings in his lifetime and was elected a Royal Academician late in his career. With texts by leading authorities on the artist, this handsome book looks at the freedom of Constable's late works and records his enormous contribution to the English landscape tradition. John Constable (1776-1837) is one of Britain's best-known artists, and is often considered one of the greatest landscape painters of all time. He was born near the River Stour in Suffolk, an

area the artist depicted so frequently that it is referred to as "Constable country." Pastoral scenes were unfashionable at the time and Constable struggled to establish himself as a painter. He was finally elected a Royal Academician in 1829, and in 1832, he exhibited *The Opening of Waterloo Bridge*--an effort 13 years in the making--at the Summer Exhibition.

Keeping the Peace Sura Books

How has the valley of Kashmir, famed for its beauty and tranquility, become the focus of a dispute with the potential for nuclear conflict? How does the Kashmir separatist movement challenge the integrity of the Indian state and threaten the stability of a region of tremendous strategic importance? As Pakistan and India square up for what may become a major regional conflict, Victoria Schofield's timely book examines the Kashmir question, from the period when the valley was an independent kingdom to its current status as a battleground for two of the world's newest nuclear powers: India and Pakistan. Schofield now traces the origins of the conflict in the 19th century and explains the serious issues that divide India and Pakistan and assesses the military positions of both states as their troops mass along the border.

The Traffic in Narcotics and Drug Addiction

This Book Gives The Inside Story Of The Ethnic Armed Conflicts And Discovers The Excellent And Harmonious Relations Between Common People In The Valley And Hills, And Discusses The Causes Of The Ethnic Conflict.
