Welcome to

Albert's The  
Hazel  
Wood—the  
fiercely  
stunning New  
York Times

bestseller  
everyone is  
raving about!  
Seventeen-  
year-old Alice  
and her  
mother have  
spent most of  
Alice's life on

the road, always a step ahead of the uncanny bad luck biting at their heels. But when Alice's grandmother, the reclusive author of a cult-classic book of pitch-dark fairy tales, dies alone on her estate, the Hazel Wood, Alice learns how bad her luck can really get: Her mother is stolen away—by a figure who claims to come from the Hinterland, the cruel supernatural world where

her grandmother's stories are set. Alice's only lead is the message her mother left behind: "Stay away from the Hazel Wood." Alice has long steered clear of her grandmother's cultish fans. But now she has no choice but to ally with classmate Ellery Finch, a Hinterland superfan who may have his own reasons for wanting to help her. To retrieve her mother, Alice must venture first to the

Hazel Wood, then into the world where her grandmother's tales began—and where she might find out how her own story went so wrong. Don't miss the New York Times bestselling sequel to *The Hazel Wood*, *The Night Country*, out now, or *Tales from the Hinterland*, coming January 12, 2021! **King of Scars** Henry Holt and Company (BYR) Beloved of readers and booksellers,

our Fierce Reads program has garnered tons of enthusiastic fans since its inauguration in 2012. Now, the authors you know and love are coming together in one book! With standalone short stories from a handpicked set of FR authors, this fabulous collection will often feature characters or worlds from existing Fierce Reads titles. Extended, personal introductions from each

author will make this a must-buy for fans as well as a fantastic portal for engaging new readers with the program. With a wide range of genres and subject matter, there will be something here for everyone! Simon and Schuster As broad as our exponentially growing cultural fascination with caped crusaders is, it runs just as deep as this long awaited anthology

underscores. Liesa Mignogna the VP, Editorial Director at Simon Pulse and editor of this anthology can expound on the virtues of Batman (her wedding was even Batman-themed) but it's her retelling of incredibly harrowing yet ultimately inspiring encounters with The Dark Knight over the years, as she struggled to coexist with the supervillains in her own family that birthed this

collection. Last Night, A Superhero Saved My Life gives readers the chance to connect to their beloved authors, while those same authors connect to their beloved superheroes, and within that feedback loop of respect and admiration lies a stellar, and phenomenally accessible, anthology full of thrills, chills, and spills. Contributors include New York Times bestsellers Christopher

Golden, Leigh Bardugo, Brad Meltzer, Neil Gaiman, Carrie Vaughn, Jodi Picoult, and Jamie Ford, as well as award-winners and mainstays like Joe R. Lansdale, Karina Cooper, and Ron Currie, Jr among many others. Last Night, A Superhero Saved My Life's authors share their most hilarious and most heart wrenching experiences with their chosen defender to explain why

superheroes matter, what they tell us about who we are, and what they mean for our future.
