Labour Market Penguin
Pocket Rough Guide Istanbul contains
everything you need to know about this
unique, continent-straddling city - from
insightful coverage of the key sights to
expert reviews of the very best
restaurants, bars, clubs and shops.
Image-packed sample itineraries help
you plan your time in the city to the best
advantage, while the equally colourful

"Best of" section ensures you don't miss any highlights, from the tile-spangled interior of the landmark Blue Mosque to the Europe to Asia (and back again!) ferry ride. The rest of the guide is broken-up into areas for ease of navigation, with expert accounts of all major and many minor sights, as well as honest reviews of the best places to enjoy a real kebab, dance at a Bosphorus-front club, buy some souvenir Turkish delight - and much more. The Pocket's easy to use format, full-colour street plans make it the ideal companion to one of the world's great cities. Now available in ePub format.

Navy and Army Illustrated Rough Guides UK

For European countries (both east and west) this volume provides statistical

data on demographic trends and forecasts, and other such matters.

Pocket Rough Guide Istanbul Turkey Real Estate Yearbook 2008

As competition between companies increases, the need for effective public relations and advertising campaigns becomes imperative to the success of the business. However, with the introduction of new media, the nature of these campaigns has changed. Today's consumers have more awareness and diversified ways to obtain knowledge, and through new media, they can provide feedback. An understanding of how to utilize new media to promote and sustain the reputation of an organization is vital for its continued success. The Handbook of Research on New Media Applications in Public Relations and

Advertising is a pivotal reference source that provides vital research on the application of new media tools for running successful public relations and advertising campaigns. While highlighting topics such as digital advertising, online behavior, and social networking, this book is ideally designed for public relations officers, advertisers, marketers, brand managers, communication directors, social media managers, IT consultants, researchers, academicians, students, and industry practitioners.

Social media has become an integral part of society as social networking has become a main form of communication and human interaction. To stay relevant, businesses have adopted social media tactics to interact with consumers, conduct business, and remain competitive. Social technologies have reached a vital point in the business world, being essential in strategic decision-making processes, building relationships with consumers, marketing and branding efforts, and other important areas. While social media continues to gain importance in modern society, it is essential to determine how

it functions in contemporary business. The Research Anthology on Strategies for Using Social Media as a Service and Tool in Business provides updated information on how businesses are strategically using social media and explores the role of social media in keeping businesses competitive in the global economy. The chapters will discuss how social tools work, what services businesses are utilizing, both the benefits and challenges to how social media is changing the modern business atmosphere, and more. This book is essential for researchers, instructors, social media managers, business managers, students, executives, practitioners, industry professionals, social media analysts, and all audiences interested in how social media is being

used in modern businesses as both a service and integral tool.

The authors also provide expert background on Turkish history, literature, music and film and the guide comes complete with easy-to-read maps

for every region. The Rough Guide to Turkey is your ultimate handbook to this fascinating country.

Politics, Literature, Science and Art Real Estate Publishers BV

This book evaluates the global labour market in the context of gender equality, and the associated policies and regulations, particularly in developing markets, to recommend measures for encouraging gender equality. It exposes the barriers that women employees encounter as well as some of the societal and workplace policies they, specifically, are subject to. Important themes within this topic include participation rates, the looming gap in hourly pay, availability of part-time and full-time positions, value, and social status associated with jobs held by men and women. The book

examines how global gender policy objectives, such as gender equality in careers, gender balance in decision-making, and gender dimensions in research, can be incorporated into policy frameworks. The book analyzes the gendered nature of assumptions, processes and theories. The juxtaposition between family and work, tradition and modernity, and dependency and autonomy, clearly still seems to be misunderstood. Therefore, the book asks whether work improves women's positions in society and/or changes their roles in their families. The authors explore and uncover the connections among employment, entrepreneurship, migration economies, and gender global labour markets and provide helpful solutions to the

perceptions surrounding women's status, risks, and inequality that limit their economic participation. This insightful read provides comprehensive details on a variety of themes and encourages further research on policies that are key to promoting gender equality. The book will appeal to postgraduate students and researchers of labour and feminist economics, the economics of gender, women's studies and sociology.

Doc Holliday Penguin

A handbook to the diverse Caribbean nation that comprises the small island of Tobago and its more rural and much larger neighbour, Trinidad. Features include: critical listings of the best places to stay and eat; practical tips on how to explore; and coverage of the islands'

cultural life, including Trinidad's world-famous carnival, traditional Indian festivals, indigenous music and local folklore. The guide also provides tips on birdwatching and exploring forested peaks and mangrove flats, as well as diving and snorkelling.

Handbook of Research on New Media Applications in Public Relations and Advertising Rough Guides

"You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday." - Publishers Weekly "An engagingly written, persuasively argued, solidly documented work of scholarship that will

surely take its place in the literature of the Old West." -Booklist In Doc Holliday: The Life and Legend, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited

exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history.
