True love comes from the most forbidden places in this TikTok smash hit from New York Times bestselling author Penelope Douglas, now with bonus material! Jordan has nowhere else to go when her boyfriend offers to let her move in with him and his dad. Working a dead-end job, with her relationship sputtering, she jumps at the opportunity, expecting to help out around the house in exchange. What she doesn't anticipate is for her heart to race every time Pike pulls into the driveway, or to burn when their eyes meet over the breakfast table. He's kind and listens to her and protects her in a way no man ever has before. Her sister once told her there are no good men, and if you find one, he's probably unavailable. Only Pike isn't the unavailable one...she is. As the days go by, Pike's finding it anything but simple to have his son's girlfriend living in his house. He can't stop thinking about her and holding his breath every time they cross paths. It feels like she's becoming a part of him. Except he knows they're not free to give in to this. How could they when he's her boyfriend's father?

Everyone likes to be remembered on their birthday! However, finding a card with the perfect sentiment is challenging. After all, what single expression can give someone a good laugh, move them deeply, yet also make them feel appreciated? The Birthday Book says it all. You bring magic into the world my friend, and with your magic this world becomes a better place to live in. - Author unknown The Birthday Book is a curated collection of quotes taken from an amazing array of personalities including Dr. Seuss, Albert Einstein, William Shakespeare, Oscar Wilde, and many more. The quotes contained in this volume have been chosen for their ability to cast both levity and illumination across the path of life and aging. To describe them as "birthday quotes"

would be misleading; they are not about cake and ice cream. Instead, each quote has been selected from thousands for its insight on subject of birthdays, youth, aging, and the beauty of life. And of course, what birthday book would be complete without a little humor? This book has been organized into several sections: Humor about life and aging. How do we define youth and old age? What can we expect from each of life's stages? How can we make the most of life? Quotes that inspire. Aging can be a noble and graceful process, each chapter of life filled with its own unique pleasures, gratification, and advantages. Give this book in honor of someone special, or celebrate your own life! May it offer both wit and wisdom. Greeting cards are read once then thrown away, but a book of wisdom can inspire for a lifetime. Give an unforgettable gift! TheQuoteWell books are curated collections. Each book is the result of an exhaustive search from past through present for only the most amazing quotes on the subjects of Love, Life, Leadership, and more! The result is a chorus of profound wisdom emanating from a fascinating diversity of speakers.
