Are you having trouble communicating with your Arab friends? Have you wasted a lot of time learning the Modern Standard Arabic 'MSA' and got nowhere? Well, this book can solve all of these problems! the Arab world. Lebanese is spoken worldwide and almost every Arabic country can understand the Lebanese dialect. This book will give you the first steps for achieving the beginner level in Lebanese Arabic. It includes grammar, comprehension, vocabulary and tests. It is also written in Latin letters, so that you can understand how to pronounce the words and letters correctly. By the end of this book you can achieve:

- * Learn the basics of the Lebanese/Levantine Dialect
- * Learn the internet language on how Arabs communicate on Social Media
- * Focusing more on the Levantine/Middle Eastern dialect than Fusha

About the Author: Ali Matar, born in Beirut/Lebanon, is the founder and creator of the YouTube channel MatarTV (over 34000 subscribers/August 2019), where he crushed stereotypes, habits and struggles of the younger Lebanese/Arab people in a funny way. Making Out in Japanese Collins Arabic Phrasebook and Dictionary Gem Edition (Collins Gem)

Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the killer before he finds me. I have to play the best football of my life. I have to stay alive long

enough to get a ticket out of hell.

Making Out in Japanese is a fun, accessible and thorough Japanese phrase book and guide to the Japanese language as it's really spoken. Sugoku suki! Mata aeru?—(I'm crazy about you! Shall we meet again?) Answer this correctly in Japanese, and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Japanese classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios, but chances are while in Japan you will spend a lot more time trying to make new friends or start new romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Japanese phrasebook makes this possible. Making Out in Japanese has been updated and expanded to be even more helpful as a guide to modern colloquial Japanese for use in everyday informal interactions—giving access to the sort of catchy Japanese expressions that

aren't covered in traditional language materials. As well as the Romanized forms (romanji), each expression is now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly. Explanations of basic Japanese grammar, such as intonation, word stress, and particles. A guide to male and female usage. Romanized forms of words and phrases (romanji). Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana).
