Gentlemanly
Warfare* New York :
AMACOM
In his international
bestseller "Leading

Change," Kotter provided an action plan for implementing successful transformations. Now, he shines the spotlight on the crucial first step in his framework: creating a sense of urgency by getting people to actually see

and feel the need for change.

The Hot Sauce

Principle Our Sunday Visitor

From the author of the bestselling *Anam Cara* comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O'Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today.

In To Bless the Space Between Us, his compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O'Donohue looks

at life's thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O'Donohue explains “blessing” as a way of life, as a lens through which the whole world is transformed.

O'Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

The PIWG Bible Study Book is ideal for individuals, or for small groups, Sunday School classes, and discipleship classes at your church Pursuing Intimacy With God website: www.intimacywithgod.com God has used the PIWG I & II studies to bless many people: "Words to appreciate I just can't find but please accept my gratitude. The study has really transformed my life and family." - Samuel "The time and effort you sow into reaching thousands upon thousands of people globally has and continues to touch lives and edify the body of Christ. I am thankful to God and to your ministry for your work." - Carlos, South

Africa "We want you to know how much this guide has been a blessing to us. We have been using it on a regular basis and I'm sure it will always be a resource in our permanent library. Keep doing what you are doing. This has really changed our lives."- Carrie, US

"What an awesome thing that your ministry is sharing with the world. God's word is user friendly, spoken as Jesus did where all can understand and want to learn more of Jesus, study more and do his will. I have never found such detailed shared information of God's word all in one book." - Ruby, US

"Thank you so much for your website. I've benefited so much from it and it has helped me so much in

my relationship with Jesus! I believe its the no1 thing I need to pursue." - Zsuzsi, Hungary

"Your website, what I've read so far is an overwhelming refreshing shower to my spirit. To discover a ministry that focuses on loving God is so utterly a confirmation to me. What could be more important? Fathomless depths. Thank you for your precious hearts." - Julia, US

"Just wanted to say thanks for this site. I typed in the search because this is what God has been doing in my life. Drawing me into intimacy." - Stephen, Australia

"The material on your website is awesome. Glory to God!" - Ray, US

"I am in awe of the study book. I did not expect to receive so much

information. Thank you." - Olivia US "I have been blessed by your site & studies." - Dorota, Poland "The study was excellent ! I could understand it. It was done beautifully and simply... God has changed our lives through this study. We are both working for a soft and humble heart." - Nancy, US "Once again I cant thank you enough; your help is much appreciated and I am so grateful towards you for this." - John, Ireland "I will certainly join in praying for this study and for you as you continue to work with it as the Lord directs. Those weeks of study were so very meaningful to me! - Reid, US "Hi, Thank you for publishing this great material." - Johan, South Africa

"Praise the Lord. Please I request a copy of your wondrous book." - Meshak, Uganda

The Ride of a Lifetime InterVarsity Press

You always knew digital was going to change things, but you didn't realize how close to home it would hit. In every industry, digital competitors are taking advantage of new platforms, tools, and relationships to undercut competitors, get closer to customers, and disrupt the usual ways of doing business. The only way to compete is to evolve. James McQuivey of Forrester Research has been teaching people how to do this for over a decade. He's gone into the biggest companies, even in traditional industries like

insurance and consumer packaged goods, and changed the way they think about innovation. Now he's sharing his approach with you. McQuivey will show you how Dr. Hugh Reinhoff of Ferrokin BioSciences disrupted the pharmaceutical industry, streamlining connections with doctors and regulators to bring molecules to market far faster--and then sold out for \$100 million. How Charles Teague and his team of four people created Lose It!, a weight loss application that millions have adopted, achieving rapid success and undermining titans like Weight Watchers and Jenny Craig in the process.

Our Iceberg Is Melting Simon and Schuster

#1 NEW YORK TIMES

BESTSELLER • A memoir of leadership and success: The executive chairman of Disney, Time's 2019 businessperson of the year, shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's most beloved companies and inspiring the people who bring the magic to life. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR** Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the

concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Today, Disney is the largest, most admired media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he learned while running Disney and leading its 220,000-plus employees, and he explores the principles that are necessary for true leadership,

including:

- Optimism. Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming.
- Courage. Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity.
- Decisiveness. All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale.
- Fairness. Treat people decently, with empathy, and be accessible to them.

This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio

grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal" Iger writes. "Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives."

The Teacher's Grammar of English with Answers Penguin
 ESPN basketball analyst and former Duke player Jay Bilas

looks at the true meaning of toughness in this New York Times bestselling book that features stories from basketball legends. If anyone knows tough, it's Jay Bilas. A four-year starter at Duke, he learned a strong work ethic under Coach Mike Krzyzewski. After playing professionally overseas, he returned to Duke, where he served as Krzyzewski's assistant coach for three seasons, helping to guide the Blue Devils to two national championships. He has since become one of basketball's most recognizable faces through his insightful analysis on ESPN's SportsCenter and College GameDay. Through his ups and downs on and off the court, Bilas learned the true meaning of

toughness from coaches, teammates, and colleagues. Now, in *Toughness*, he examines this misunderstood—yet vital—attribute and how it contributes to winning in sports and in life. Featuring never-before-heard stories and personal philosophies on toughness from top players and coaches, including Coach K, Bob Knight, Grant Hill, Mia Hamm, Jon Gruden, Tom Izzo, Roy Williams, Bill Self, Curtis Strange, and many others—Bilas redefines what it takes to succeed.

Power and Influence

John Wiley & Sons
Want to become a

better leader? Want to help others accelerate their own leadership development?

Leadership Haiku is an inviting and inventive exploration of how to become a better leader - without all the clutter of unnecessary words! Newer managers will welcome its insights and perspectives. More seasoned leaders will appreciate its relevance and range.

____ Most Learning

Takes Time. A

Surprising Amount, Though, Takes But A Haiku! ____

Toughness John Wiley & Sons

You've got a good idea. You know it could make a crucial difference for you, your organization, your community. You present it to the group, but get confounding questions, inane

comments, and verbal bullets in return.

Before you know what's happened, your idea is dead, shot down. You're furious.

Everyone has lost:

Those who would have benefited from your proposal. You. Your company. Perhaps even the country. It doesn't have to be this way, maintain John Kotter and Lorne Whitehead. In Buy-In, they reveal how to win the support your idea needs to deliver valuable results. The key? Understand the generic attack strategies that naysayers and obfuscators deploy time and time again. Then engage these adversaries with tactics tailored to each strategy. By "inviting in the lions" to critique your idea--and being

prepared for them-- you'll capture busy people's attention, help them grasp your proposal's value, and secure their commitment to implementing the solution. The book presents a fresh and amusing fictional narrative showing attack strategies in action. It then provides several specific counterstrategies for each basic category the authors have defined--including:

- Death-by-delay: Your enemies push discussion of your idea so far into the future it's forgotten.
- Confusion: They present so much data that confidence in your proposal dies.
- Fearmongering: Critics catalyze irrational anxieties about your idea.
- Character

assassination: They slam your reputation and credibility. Smart, practical, and filled with useful advice, Buy-In equips you to anticipate and combat attacks--so your good idea makes it through to make a positive change.

Buy-In Apress

Widely acknowledged as the world's foremost authority on leadership, the author provides a collection of his acclaimed "Harvard Business Review" articles.

Letter from the Birmingham Jail Simon and Schuster

With over one million copies in print, this classic from Charles E. Hummel has transformed the minds and hearts of generations of Christians. Its simplicity and depth is

a foundational resource for all who have felt overwhelmed by the responsibilities of each day, week, month and year. Hummel starts with Jesus' own model of work and ministry, a model that is at once unrushed and focused. From there he lays out how we can all set and live by priorities in a way that frees us from the tyranny of the urgent. Charles E. Hummel, who died in 2004, is the author of many books. He was president of Barrington College in Rhode Island and director of faculty ministries for InterVarsity Christian Fellowship/USA. Now thoroughly revised and expanded, Hummel's booklet offers ideas and illustrations for effective time management to help

even the busiest people find time for what's really important. *Change Xist Publishing*
Use design thinking for competitive advantage. If you read nothing else on design thinking, read these 10 articles. We've combed through hundreds of Harvard Business Review articles and selected the most important ones to help you use design thinking to produce breakthrough innovations and transform your organization. This book will inspire you to:
Identify customers' "jobs to be done" and build products people love

ideas provide, both to
accelerate their own
growth and that of
their companies,
should look no further.
HBR's 10 Must Reads
series focuses on the
core topics that every
ambitious manager
needs to know:

leadership, strategy, change, managing people, and managing yourself. Harvard Business Review has sorted through hundreds of articles and selected only the most essential reading on each topic. Each title includes timeless advice that will be relevant regardless of an ever-changing business environment.

Awesomely Simple
Harvard Business Review Press
Longlisted for the 2016 PEN/Robert W. Bingham Prize for Debut Fiction
Part fable, part allegory, *The Boatmaker* is the haunting and passionate story of a voyage of self-discovery. A fierce and complicated man wakes from a fever dream compelled to build a boat and sail

away from the isolated island where he was born. Encountering the wider world for the first time, the reluctant hero falls into a destructive love affair, is swept up into a fanatical religious movement, and finds himself a witness to racial hatred unlike anything he's ever known. The boatmaker is tempted, beaten, and betrayed: his journey marked by chilling episodes of violence and horror while he struggles to summon the strength to make his own way. *The Boatmaker* is a fable for our times, a passionate love story, and an odyssey of self-discovery.

The Hunger for Depth and Meaning

IT Revolution
In this inspiring guide to successful

leadership, New York Times bestselling author John C. Maxwell shares his tried and true principles for maximum personal growth. Are there tried and true principles that are always certain to help a person grow? John Maxwell says the answer is yes. He has been passionate about personal development for over fifty years, and for the first time, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You

Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This third book in John Maxwell's Laws series (following the 2-million seller The 21 Irrefutable Laws of Leadership and The 17 Indisputable Laws of Teamwork) will help you become a lifelong learner whose potential keeps increasing and never gets "used up."
Sense and Sensibility Simon and Schuster
 From the award-winning historian, war reporter, and author Damien Lewis (Zero Six Bravo, Judy) comes the

incredible true story of the top-secret "butcher-and-bolt" black ops units Prime Minister Winston Churchill assigned the task of stopping the unstoppable German war machine. Criminals, rogues, and survivalists, the brutal tactics and grit of these "deniables" would define a military unit the likes of which the world had never seen. When France fell to the Nazis in spring 1940, Churchill declared that Britain would resist the advance of the German army--alone if necessary. Churchill commanded the Special Operations Executive to secretly develop of a very special kind of military unit that would operate on their own initiative deep behind enemy

lines. The units would be licensed to kill, fully deniable by the British government, and a ruthless force to meet the advancing Germans. The very first of these "butcher-and-bolt" units--the innocuously named Maid Honour Force--was led by Gus March-Phillipps, a wild British eccentric of high birth, and an aristocratic, handsome, and bloodthirsty young Danish warrior, Anders Lassen. Amped up on amphetamines, these assorted renegades and sociopaths undertook the very first of Churchill's special operations--a top-secret, high-stakes mission to seize Nazi shipping in the far-distant port of Fernando Po, in West Africa. Though few of these early

desperadoes survived WWII, they took part in a series of fascinating, daring missions that changed the course of the war. It was the first stirrings of the modern special-ops team, and all of the men involved would be declared war heroes when it was all over. The Ministry of Ungentlemanly Warfare focuses on a dozen of these extraordinary men, weaving their stories of brotherhood, comradely, and elite soldiering into a gripping narrative yarn, from the earliest missions to Anders Lassen's tragic death, just weeks before the end of the war. [Blue Ocean Strategy](#) Harvard Business Press The revised and updated tenth anniversary edition of the classic, beloved

business fable that has changed millions of lives in organizations around the world. Our Iceberg Is Melting is a simple story about doing well under the stress and uncertainty of rapid change. Based on the award-winning work of Harvard Business School's John Kotter, it can help you and your colleagues thrive during tough times. On an iceberg near the coast of Antarctica, group of beautiful emperor penguins live as they have for many years. Then one curious bird discovers a potentially devastating problem threatening their home—and almost no one listens to him. The characters in the story—Fred, Alice, Louis, Buddy, the Professor, and NoNo—are like people

you probably recognize in your own organization, including yourself. Their tale is one of resistance to change and heroic action, seemingly intractable obstacles and clever tactics for dealing with those obstacles. The penguins offer an inspiring model as we all struggle to adapt to new circumstances. Our *Iceberg Is Melting* is based on John Kotter's pioneering research into the eight steps that can produce needed change in any sort of group. After finishing the story, you'll have a powerful framework for influencing your own team, no matter how big or small. This tenth anniversary edition preserves the text of the timeless story, together with new

illustrations, a revised afterword, and a Q&A with the authors about the responses they've gotten over the past decade. Prepare to be both enlightened and delighted, whether you're already a fan of this classic fable or are discovering it for the first time.

The Heart of Change

Amazon Publishing

We are in the middle of an urgency epidemic. People find themselves overwhelmed and at a loss as to how to proceed in an environment that cuts them no slack, provides no respite, and is ever pushing them on. The sensation is akin to the one where it feels like hot sauce is on everything. The purpose of this book is to guide you through the urgency epidemic and put you

back in charge. Like a great chef, you'll learn the nuances of adding just the right amount of sauce to bring out the deep flavor and potential of yourself, your team, and your family, creating a menu of balance and perfect spice so that you are in charge of urgency and it no longer consumes your world.

Leading Change, With a New Preface by the Author Indie Books International
Changing Software Development explains why software development is an exercise in change management and organizational intelligence. An underlying belief is that change is learning and learning creates knowledge. By blending the theory of

knowledge management, developers and managers will gain the tools to enhance learning and change to accommodate new innovative approaches such as agile and lean computing. Changing Software Development is peppered with practical advice and case studies to explain how and why knowledge, learning and change are important in the development process. Today, managers are pre-occupied with knowledge management, organization learning and change management; while software developers are often ignorant of the bigger issues embedded in their work. This innovative book bridges this

divide by linking the
software world of
technology and

processes to the
business world of
knowledge, learning
and change.
