Fahrenheit 451 Rare Treasure Editions

A spellbinding story of three princesses and the destiny they were born for: seduction, conquest, and the crown. Immerse yourself in the first book in a new fantasy trilogy from the author of the New York Times bestselling Ash Princess series. Empress Margaraux has had plans for her daughters since the day they were born. Princesses Sophronia, Daphne, and Beatriz will be queens. And now, age sixteen, they each must leave their homeland and marry their princes. Beautiful, smart, and demure, the triplets appear to be the perfect brides—because Margaraux knows there is one common truth: everyone underestimates a girl. Which is a grave mistake. Sophronia, Daphne, and Beatriz are no innocents. They have been trained since birth in the arts of

deception, seduction, and violence with a singular goal—to bring down monarchies— and their marriages are merely the first stage of their mother’s grand vision: to one day reign over the entire continent of Vesteria. The princesses have spent their lives preparing, and now they are ready, each with her own secret skill, and each with a single wish, pulled from the stars. Only, the stars have their own plans—and their mother hasn’t told them all of hers. Life abroad is a test. Will their loyalties stay true? Or will they learn that they can’t trust anyone—not even each other?

"Extraordinary. Tokarczuk's novel is

funny, vivid, dangerous, and disturbing, and it raises some fierce questions about human behavior. My sincere admiration for her brilliant work." —Annie Proulx In a remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

Fire in Your Bones! 1st World Publishing Book Two in the critically acclaimed Fire Sermon post-apocalyptic trilogy, “with its well-built world, vivid characters and suspenseful plot” (Kirkus Reviews, starred review), is an exciting and thought-provoking continuation of this epic social commentary written by award-winning poet Francesca Haig. Four hundred years after a nuclear apocalypse, all humans are born in pairs: the Alphas, and their deformed Omega twins, who are ruthlessly oppressed. But

despite their claims of superiority, the Alphas cannot escape one harsh fact: Whenever one twin dies, so does the other. Following the events of *The Fire Sermon*, the Omega resistance has been brutally attacked, its members dead or in hiding. The Alpha Council’s plan for permanently containing the Omegas has begun. But all is not entirely lost: the Council’s seer, the Confessor, is dead, killed by her twin’s sacrifice. Cass is left haunted by visions of the past, while her brother Zach’s cruelty and obsession push her to the edge and threaten to destroy everything she hopes for. As the country moves closer to all-out civil war, Cass will learn that to change the future she will need to uncover the past. But nothing can prepare her for what she discovers: a deeply buried secret that

raises the stakes higher than ever before.

Bones Of Fire Henry Holt and Company (BYR)

This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of *The Message*. “In the time of a generation-wide breakdown in trust with leaders in every sphere of society, Eugene’s quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop.”—John Mark Comer, author of *The Ruthless Elimination of Hurry* “This hunger for something radical—something so true that it burned in his bones—was a constant in Eugene’s life. His longing for God ignited a ferocity

in his soul.” Encounter the multifaceted life of one of the most influential and creative pastors of the past half century with unforgettable stories of Eugene’s lifelong devotion to his craft and love of language, the influences and experiences that shaped his unquenchable faith, the inspiration for his decision to translate *The Message*, and his success and struggles as a pastor, husband, and father. Author Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson’s life, Collier offers an intimate, beautiful, and earthy look into a remarkable life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake; a kiss

from his wife, Jan; a good joke; a bowl of butter pecan ice cream. As you enter into his story, you'll find yourself doing the same—noticing how the most ordinary things shimmer with a new and unexpected beauty.

A searing memoir of reckoning and healing by acclaimed journalist Stephanie Foo, investigating the little-understood science behind complex PTSD and how it has shaped her life “Achingly exquisite . . . providing real hope for those who long to heal.”—Lori Gottlieb, *New York Times* bestselling author of *Maybe You Should Talk to Someone* By age thirty, Stephanie Foo was successful on paper: She had her dream job as an award-winning radio producer at *This American Life* and a loving boyfriend. But behind her office door, she was having panic attacks and sobbing at her desk every morning. After years of questioning what was wrong with herself, she was diagnosed with complex PTSD—a condition that occurs when trauma happens continuously,

over the course of years. Both of Foo's parents abandoned her when she was a teenager, after years of physical and verbal abuse and neglect. She thought she'd moved on, but her new diagnosis illuminated the way her past continued to threaten her health, relationships, and career. She found limited resources to help her, so Foo set out to heal herself, and to map her experiences onto the scarce literature about C-PTSD. In this deeply personal and thoroughly researched account, Foo interviews scientists and psychologists and tries a variety of innovative therapies. She returns to her hometown of San Jose, California, to investigate the effects of immigrant trauma on the community, and she uncovers family secrets in the country of her birth, Malaysia, to learn

how trauma can be inherited through generations. Ultimately, she discovers that you don't move on from trauma—but you can learn to move with it. Powerful, enlightening, and hopeful, *What My Bones Know* is a brave narrative that reckons with the hold of the past over the present, the mind over the body—and examines one woman's ability to reclaim agency from her trauma.

 From journalist and New York Times
 bestselling author Charles Blow comes a
 powerful manifesto and call to action, "a
 must-read in the effort to dismantle
 deep-seated poisons of systemic racism
 and white supremacy" (San Francisco

Chronicle). Race, as we have come to understand it, is a fiction; but, racism, as we have come to live it, is a fact. The point here is not to impose a new racial hierarchy, but to remove an existing one. After centuries of waiting for white majorities to overturn white supremacy, it seems to me that it has fallen to Black people to do it themselves. Acclaimed columnist and author Charles Blow never wanted to write a "race book." But as violence against Black people—both physical and psychological—seemed only to increase in recent years, culminating in the historic pandemic and protests of the summer of 2020, he felt compelled to write a new story for Black Americans. He envisioned a succinct, counterintuitive, and impassioned corrective to the myths that have for too

long governed our thinking about race and geography in America. Drawing on both political observations and personal experience as a Black son of the South, Charles set out to offer a call to action by which Black people can finally achieve equality, on their own terms. So what will it take to make lasting change when small steps have so frequently failed? It's going to take an unprecedented shift in power. The Devil You Know is a groundbreaking manifesto, proposing nothing short of the most audacious power play by Black people in the history of this country. This book is a grand exhortation to generations of a people, offering a road map to true and lasting freedom.

 Fire in His Bones

"But if I say, 'I will not mention him or
 speak anymore in his name,' his word is

in my heart like a fire shut up in my bones. I am weary of holding it in. Indeed, I cannot." - J. 20:9 Heinrich Ewald called Jeremiah, "the most human prophet." To Douglas Humphries, he's always been Jerry, "the prophet who talked back." Unexpectedly, blessedly standing in opposition to everything he thought it took to be one of the faithful. Jeremiah's story is one of rejection and destruction, tragic and yet profoundly hopeful. A true picture of what it costs to do the hard, right thing. What it means to follow God. What it means to even know God. And it found Douglas exactly when he needed it to. Part biblical analysis, part memoir, part confessional. As much a reaction to scripture as it is an investigation of it. This book brings new insight into an old, but all too

familiar story. A new way to consider an old, but dear prophet.

In a nation on the brink of war, a young art student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor.

Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept

through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers -- beautiful, haunted Akiva -- fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But

will Karou live to regret learning the truth about herself?
