The Attributes of God New Growth Press

This book shows special attention to the ultimate enemy of humankind, the Antichrist. By pointing out his characters, genius and other attributes, Pink manages with scripture to show how dangerous this man will be and what we need to look out for in this modern age.

Satan and His Gospel Darolt Books

Why does the New Testament contain four Gospels—four different accounts of the same Man? And don't the Gospels contradict one another? Masterful Bible teacher Arthur Pink explains how the four Gospels do not contradict but rather collaborate in order to provide us with a deeper, multifaceted description of the person of Jesus Christ. In Matthew, we see Jesus as Messiah and King of the Jews. In Mark, we are introduced to the Servant of Jehovah. In Luke, we see the human Jesus as the Son of Man, Adam's descendant. Finally, in John, we thrill to the supernatural Jesus who is undoubtedly the Son of God. No believer can truly know Jesus without having an understanding of the four distinct roles He fulfilled in His time on earth. Pink's in-depth look at the four Gospels will boost your faith and bring you ever closer to a Savior who is fully human, fully divine, and above everything, Lord of all.

Arthur W. Pink has become known as a masterful expositor of the Word of God. Both his expository works and some of his doctrinal works have long been in print. His deep concern for experimental Christianity and the practical Christian life, however, is not so well known. Yet he wrote many short series and single articles on what Scripture has to say about the inner man. And in writing these articles Pink expounded the Scriptures as penetratingly as he did in his expository and doctrinal writings. His practical Christianity, then, is not a collection of pious thoughts on the Christian life or a simple outline of Scripture, but a full treatment of the subject.

Who of us can possibly imagine the excruciating pain of being crucified? But further, who would imagine that in the midst of this ghastly punishment that brings on unrelenting headaches and mental disorientation, a crucified man would actually give thought to the needs of others? This book explores in detail the nature of crucifixion and then invites the reader to listen in stunned silence to the amazing seven sayings of Jesus of Nazareth while hanging on the cross, as he focuses his attention on others in the first three sayings, and only then on his own distressing situation. His last four sayings give expression to his utter spiritual and physical anguish and conclude with a cry of victory and then a cry in which he commits himself to God.

Historically, the book of Exodus treats of the deliverance of Israel from Egypt; but viewed doctrinally, it deals with redemption. Just as the first book of the Bible teaches that God elects unto salvation, so the second instructs us how God saves, namely, by redemption. Redemption, then, is the dominant subject of Exodus. Following this, we are shown what we are redeemed for—worship, and this characterizes Leviticus, where we learn of the holy requirements of God and the gracious provisions He has made to meet these. In Numbers we have the walk and warfare of the wilderness, where we have a typical representation of our experiences as we pass through this scene of sin and trial—our repeated and excuseless failures, and God's long-sufferance and faithfulness.

The Seven Sayings of Jesus on the Cross Moody Publishers

THE DEATH OF THE LORD JESUS CHRIST is a subject of never-failing interest to all who study prayerfully the scripture of truth. This is so, not only because the believer's all both for time and eternity depends upon it, but also, because of its transcendent uniqueness. Four words appear to sum up the salient features of this mystery of mysteries: the death of Christ was natural, unnatural, preternatural, and supernatural. The death of Christ was natural. By this we mean that it was a real death. It is because we are so familiar with the fact of it that the above statement appears simple and commonplace, yet, what we here touch upon is to the spiritual mind one of the main elements of wonderment. The one who was "taken, and by wicked hands" crucified and slain was none other than Jehovah's "Fellow". The blood that was shed on the accursed tree was divine - "The church of God which he purchased with his own blood"

Seven Words You Never Want To Hear Lulu.com

The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him—often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of A.W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. The perfect introductory text, 'The Attributes of God' also has enough depth and meat to satisfy the more experienced reader.

"Opinion has been much divided concerning the design, scope, and application of the Sermon on the Mount. Most commentators have seen in it an exposition of Christian ethics. Men such as the late Count Tolstoi have regarded it as the setting forth of a "golden rule" for all men to live by. Others have dwelt upon its dispensational bearings, insisting that it belongs not to the saints of the present dispensation but to believers within a future millennium. Two inspired statements, however, reveal its true scope. In Matthew 5:1, 2, we learn that Christ was here teaching His disciples. From Matthew 7:28, 29, it is clear that He was also addressing a great multitude of the people. Thus it is evident that this address of our Lord contains instruction both for believers and unbelievers alike." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death,' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.

When was the last time we truly paused to meditate and study the crucially important doctrine of the sovereignty of God? In this book A.W. Pink unpacks the theology of the sovereignty of God for us in a way few others have before or after him. Pink dives into Scripture not only to define the sovereignty of God; he goes on to help us apply the doctrine to various aspects of our lives. Pink passionately challenges us to wrestle with and accept a higher, deeper and broader view of our omniscient and omnipotent King.

The Seven Sayings of the Savior On the Cross Sovereign Grace Publishers,

Is the Devil a living reality, or is he nothing more than a figment of the imagination? Is the word "Satan" merely a synonym for wickedness, or does it stand for a concrete entity? In cultured circles it has become the custom to return a negative answer to these questions, and to flatly deny the existence of the Tempter. Among such people it is regarded as a mark of intellectual superiority to repudiate the personality of the Devil. By many, Satan is now looked upon as a product of priestcraft, a relic of superstition, the myth of a bygone age. With others, Satan is simply an abstraction, a mere negation, the opposite of good. "All the Devil there is, is the devil within you," is the last word of "modern thought." The words which Goethe puts into the mouth of Mephistopholes "I am the Spirit of Negation" is accepted as a good workable definition of the Devil. He is regarded as a mere abstract principle of evil. As someone has quaintly put it, "They spell Devil without a 'd', as they spell God with two 'o's'. Good and evil is their scheme." Totally based on the scriptures. This book presents biblical answers to that subject.

The Divine Covenants have an intimate connection with each other and a common relation to a single purpose, being, in fact, so many successive stages in the unfolding of the scheme of divine grace. They treat the divine side of things, disclosing the source from which all blessings come to men, and making known the channel (Christ) through which they flow to them. The everlasting covenant, with its shadowings forth His temporal covenants, form the basis of all His dealings with His people. This book will explore the following Covenants: PART ONE - THE EVERLASTING COVENANT PART TWO - THE ADAMIC COVENANT PART THREE - THE NOAHIC COVENANT PART FOUR - THE ABRAHAMIC COVENANT PART FIVE - THE SINAITIC COVENANT PART SIX - THE DAVIDIC COVENANT PART SEVEN - THE MESSIANIC COVENANT PART EIGHT - THE COVENANT ALLEGORY

"And seeing the multitudes, He went up into a mountain, and when He was set, His disciples came unto Him; and He opened His mouth, and taught them" (5:1, 2). Yet brief as these verses be, there are several things in them which call for careful consideration. First, we must notice the place from which this Sermon was preached. "As in other things, so in this, our Lord Jesus was but ill-accommodated: He had no convenient place to preach in, any more than to lay His head on. While the scribes and Pharisees had Moses' chair to sit in, with all possible ease, honour, and state, and there corrupted the Law; our Lord Jesus, the great Teacher of truth, is driven out to the desert, and finds no better place than a 'mountain' can afford.

Practical Christianity Sovereign Grace Publishers,

The philosophical strength of Christianity resides in its claim to Truth. The theological strength of Christianity resides in its identification of that Truth. Its metaphysical strength resides in its clarification of that Truth while its social strength is found in its call to existential relationship with that Truth

Exposition of the Sermon on the Mount Lulu Press, Inc

In this series of studies we do not propose to confine ourselves to the petitionary prayers of the apostle, but rather take in a wider range. In Scripture "prayer" includes much more than making known our requests to God, and this is something which His people need reminding of, and some of them instructing in, in these days of superficiality and ignorance. The very verse that presents the privilege of spreading our needs before the Lord emphasizes this very thing: "In every thing by prayer and supplication with thanksgiving let your requests be made known unto God" (Phil. 4:6). Unless gratitude be expressed for mercies already received and thanks be given for granting us the continued favor of petitioning our Father, how can we expect to obtain His ear and receive answers of peace! Yet prayer, in its highest and fullest sense, rises above thanksgiving for gifts vouchsafed: the heart is drawn out in contemplating the Giver Himself so that the soul is prostrated before Him in worship and adoration.

Gleanings from Joshua Sovereign Grace Publishers,

Spiritual growth is a mystery and is more evident in some than in others. The more the Holy Spirit shines upon the mind and puts forth His lifegiving influences in the heart, so much the more sin is seen, felt and loathed as the greatest of all evils. And this is an evidence of spiritual growth, namely, to hate sin as sin and to abhor it on account of its contrariety to the nature of God.
