The Complete Paintings Mitchell Lane Publishers, Inc.

Beyond the sunflowers, irises and portrait of Doctor Gachet, there is the man Van Gogh, signified by his fragility and talent. From his birth in 1853 to his death in 1890, the Post-Impressionist Van Gogh shaped 19th century concepts of painting, with his creativity and technique. He became a forerunner of the Expressionists, the Fauves and Modern art. Today, however, Van Gogh remains the symbol of a painter tortured by illness, by others and, above all, by himself. Explore the world of Post-Impressionism with a beautiful collection of paintings from this creative genius. The vibrant colours and whimsical brushstrokes within the paintings provide an insight into the volatile nature of Van Gogh's state of mind.

At a star-studded auction in 1990, a painting was sold for the record-breaking price of \$82.5 million. That painting, Vincent van Gogh's *Portrait of Dr. Gachet*, has seemed to countless admirers to portray our times as "something bright in spite of its inevitable griefs." This fascinating book reconstructs the painting's journey and becomes a rich story of modernist art and the forces behind the art market. Masterfully evoked are the lives of the thirteen extraordinary people who owned the painting and shaped its history: avant-garde European collectors, pioneering dealers in Paris and Berlin, a brilliant medievalist who acquired it for one of Germany's great museums, and a member of the Nazi elite who sold it

after it had been confiscated as a work of "degenerate art." Remarkable and riveting, *The Portrait of Dr. Gachet* illuminates, in dramatic detail, the dynamics of the art market and of culture in our time.

Vincent van Gogh was a restless soul. He spent his twenties searching for a vocation and once he had determined to become an artist, he remained a traveller, always seeking fresh places for the inspiration and opportunities he needed to create his work. *Living with Vincent van Gogh* tells the story of the great artist's life through the lens of the places where he lived and worked, including Amsterdam, London, Paris and Provence, and examines the impact of these cityscapes and landscapes on his creative output. Featuring artworks, unpublished archival documents and contemporary landscape photography, this book provides unique insight into one of the most important artists in history.

A Self-portrait in Art and Letters Running Press Book Publishers

VINCENT VAN GOGH: A Vincent Van Gogh Biography Vincent Van Gogh is one of the world's most well-known and revered artists - few people in the Western world have not heard his name and most will recognise his face from one of his many self-portraits or the numerous artistic representations of him on screen. His red beard, prominent cheekbones and expressive eyes make him a face that few can forget. Many of his paintings are instantly recognisable and reproductions of his most famous works hang in public buildings, workplaces and homes all over the world; *The Starry Night*, *Sunflowers*, *Portrait of Dr Gachet*, *Café Terrace at Night* and the *Wheatfields* paintings are some of the most widely reproduced images in the world. In fact, Van Gogh regularly comes up at the top of lists of the most famous and important artists to have ever lived. Few artists who came after Van Gogh would fail to acknowledge the legacy of his work and the impact it had on the progression of art in the twentieth century, which he barely lived to see.

Vincent van Gogh explores the life and work of the troubled artistic genius, brought close to the brink of madness, who left one of the most startling artistic legacies of the late nineteenth century when, in 1890, he took his own life. It follows the path that led him from his early attempts to forge a career, via his initial foray into the world of art during which he produced his famous earthy portrayals of Dutch peasants, such as *The Potato Eaters*, to the inspiration of colour and new styles that he discovered in Paris, to the sunlight of Provence with its fierce blues and yellows, and his final days in the village of Auvers-sur-Oise. Gloriously illustrated with such classics as his favourite *Sunflowers*, *Starry Night* and his self-portraits, it also contains rare documents such as van Gogh's letters to his brother and sister, the medical analysis of his illness and the announcement card of the artist's death in 1890.

An exhibition catalog tracing the evolution of Van Gogh's self-presentation in his art. This volume accompanies an exhibition at London's Courtauld Gallery, the first to explore the full chronological range of Vincent van Gogh's self-portraits. The myth of Van Gogh today is linked as much to his extraordinary life as it is to his world-famous paintings. His biography has often shaped the way his self-portraits have been (mis)understood. Spanning his entire career, this volume explores these highly personal paintings, analyzing the artist's self-representation in context to reveal the role it plays in his oeuvre. Of particular interest is the striking way the evolution of Van Gogh's self-representation can be seen as a microcosm of his development as a painter. In addition to the celebrated *Self-Portrait with Bandaged Ear*, the exhibition showcases a group of major masterpieces brought together from international collections, including the Van Gogh Museum in Amsterdam, the Musée d'Orsay in Paris, the Art Institute of Chicago, and the National Gallery of Art in Washington, DC, among others. Beautifully illustrated, this exhibition companion includes detailed entries on each work, an appendix illustrating all of Van Gogh's self-portraits, and three insightful essays on the theme.

A captivating and definitive account of the final days of Van Gogh's life and the incredible story of what followed. Divided into three parts, the book first examines the eventful days from the artists' departure from the asylum in Saint-Remy and arrival in Auvers until the shooting which brought his life to an end. During this time Van Gogh completed 70 paintings in 70 days. The second part delves deeper into the story of the artist's death, which has intrigued both experts and the public for years, revealing little-known stories and uncovering overlooked accounts. We then follow the story of how Van Gogh subsequently rose from relative obscurity to international renown and ultimately fame as one of the most recognisable and popular artists in the world.

This biography of Vincent van Gogh's sisters tells the fascinating story of the lives of these women whose history has largely been neglected. Many people are familiar with the life and art of Vincent van Gogh, and his extensive correspondence with his brother Theo. But their sisters—Ana, Lies, and Wil van Gogh—have gone overlooked until now. In this compelling group biography based on

extensive primary resources, art historian Willem-Jan Verlinden brings Vincent's three sisters into the spotlight. At a time when the feminist movement was beginning to take root and idealists were clamoring for revolution, the Van Gogh sisters recorded their aspirations and dreams, their disappointments and grief. Based on little-known correspondence between the sisters, this fascinating account of these remarkable women captures a moment of profound social, economic, and artistic change. With great clarity and empathy, *The Van Gogh Sisters* relates the sisters' intimate discussions of art, poetry, books, personal ambitions, and

employment. Their story will resonate with readers and broaden understandings of Vincent van Gogh's childhood. Set against the backdrop of a turbulent period in nineteenth-century history this story sheds new light on these impressive women, deepening our understanding of this unique and often troubled family.
