## **GLASS DARIEN**

---

**Anthem** Houghton  
Mifflin Harcourt  
About this Edition This  
2021-2022 Digital

Student Edition of Ayn  
Rand's Anthem was  
created for teachers  
and students receiving  
free novels from the  
Ayn Rand Institute, and  
includes a historic Q&A  
with Ayn Rand that  
cannot be found in any

other edition of Anthem. In this Q&A from 1979, Rand responds to questions about Anthem sent to her by a high school classroom. About Anthem Anthem is Ayn Rand's "hymn to man's ego." It is the story of one man's rebellion against a totalitarian, collectivist society. Equality 7-2521 is a young man who yearns to understand "the Science of Things." But he lives in a bleak, dystopian future where independent thought is a crime and where science and technology have regressed to primitive levels. All expressions of individualism have been suppressed in the world of Anthem; personal possessions are nonexistent, individual preferences are condemned as

sinful and romantic love is forbidden. Obedience to the collective is so deeply ingrained that the very word "I" has been erased from the language. In pursuit of his quest for knowledge, Equality 7-2521 struggles to answer the questions that burn within him — questions that ultimately lead him to uncover the mystery behind his society's downfall and to find the key to a future of freedom and progress. Anthem anticipates the theme of Rand's first best seller, *The Fountainhead*, which she stated as "individualism versus collectivism, not in politics, but in man's soul."

### **An Indigenous Peoples' History of the United States**

**(10th Anniversary Edition)** Lindhardt og Ringhof  
A best-selling journalist's illuminating tour through the hidden legacies and modern realities of British empire that exposes how much of the present-day United Kingdom is actually rooted in its colonial past. Empireland boldly and lucidly makes the case that in order to understand America, we must first understand British imperialism. "Empireland is brilliantly written, deeply researched and massively important. It'll stay in your head for years." —John Oliver, Emmy Award-winning host of "Last Week Tonight with John Oliver" With a new introduction by the author and a foreword

by Booker Prize-winner Marlon James A best-selling journalist's illuminating tour through the hidden legacies and modern realities of British empire that exposes how much of the present-day United Kingdom is actually rooted in its colonial past. Empireland boldly and lucidly makes the case that in order to understand America, we must first understand British imperialism. Empire—whether British or otherwise—informs nearly everything we do. From common thought to our daily routines; from the foundations of social safety nets to the realities of racism; and from the distrust of public intellectuals to the exceptionalism

that permeates immigration debates, the Brexit campaign and the global reckonings with controversial memorials, *Empireland* shows how the pernicious legacy of Western imperialism undergirds our everyday lives, yet remains shockingly obscured from view. In accessible, witty prose, award-winning journalist and best-selling author Sathnam Sanghera traces this legacy back to its source, exposing how—in both profound and innocuous ways—imperial domination has shaped the United Kingdom we know today. Sanghera connects the historical dots across continents and seas to show how the shadows of a colonial past still linger

over modern-day Britain and how the world, in turn, was shaped by Britain's looming hand. The implications, of course, extend to Britain's most notorious former colony turned imperial power: the United States of America, which prides itself for its maverick soul and yet seems to have inherited all the ambition, brutality and exceptional thinking of its parent. With a foreword by Booker Prize-winner Marlon James, *Empireland* is a revelatory and lucid work of political history that offers a sobering appraisal of the past so we may move toward a more just future.

U.S. History C. Press/F. Watts Trade  
 \* Finalist for the National Book Award in Poetry \* \* Winner of

the National Book Critics Circle Award in Poetry \* Finalist for the National Book Critics Circle Award in Criticism \* Winner of the NAACP Image Award \* Winner of the L.A. Times Book Prize \* Winner of the PEN Open Book Award \* ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Boston Globe, The Atlantic, BuzzFeed, NPR. Los Angeles Times, Publishers Weekly, Slate, Time Out New York, Vulture, Refinery 29, and many more . . . A provocative meditation on race, Claudia Rankine's long-awaited follow up to her groundbreaking book Don't Let Me Be Lonely: An American Lyric. Claudia Rankine's bold new book recounts mounting racial

aggressions in ongoing encounters in twenty-first-century daily life and in the media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV- everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, Citizen is a powerful testament to the

individual and collective effects of racism in our contemporary, often named "post-race" society.

Long Walk to Freedom

Government Printing Office

With Amusement for All contextualizes what Americans have done for fun since 1830, showing the reciprocal nature of the relationships among social, political, economic, and cultural forces and the ways in which the entertainment world has reflected, changed, or reinforced the values of American society.

By the Great Horn

Spoon! Pantheon

Serves as an index to Eric reports [microform].

**Empireland** Usborne Publishing Ltd

A supplemental textbook for middle and high school students, Hoosiers and the American Story provides intimate views of individuals and places in Indiana set within themes from American history.

During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological

improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

*Hoosiers and the American Story* The New Press

After the publication of *Atlas Shrugged* in 1957, Ayn Rand occasionally lectured in order bring her philosophy of Objectivism to a wider audience and apply it to current cultural and political issues. These taped lectures and the question-and-answer

sessions that followed not only added an eloquent new dimension to Ayn Rand's ideas and beliefs, but a fresh and spontaneous insight into Ayn Rand herself. Never before available in print, this publishing event is a collection of those enlightening Q & As. This is Ayn Rand on: ethics, Ernest Hemingway, modern art, Vietnam, Libertarians, Jane Fonda, religious conservatives, Hollywood Communists, atheism, Don Quixote, abortion, gun control, love and marriage, Ronald Reagan, pollution, the Middle East, racism and feminism, crime and punishment, capitalism, prostitution, homosexuality, reason and rationality, literature, drug use,

freedom of the press, Richard Nixon, New Left militants, HUAC, chess, comedy, suicide, masculinity, Mark Twain, improper questions, and more. *American Anthem*(HOLT Holt McDougal Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular

attention to issues of race, class, and gender.

### **Farewell to**

**Manzanar** Houghton Mifflin Harcourt

Indiana Historical Society  
"Learn About the United States" is intended to help permanent residents gain a deeper understanding of U.S. history and government as they prepare to become citizens. The product presents 96 short lessons, based on the sample questions from which the civics portion of the naturalization test is drawn. An audio

CD that allows students to listen to the questions, answers, and civics lessons read aloud is also included. For immigrants preparing to naturalize, the chance to learn more about the history and government of the United States will make their journey toward citizenship a more meaningful one.

*American Government 3e* Graywolf Press  
Getting the Message Through, the companion volume to Rebecca Robbins Raines' Signal Corps, traces the evolution of the corps from the appointment of the first signal officer on the eve of the Civil War, through its stages of growth and change, to its service in Operation DESERT SHIELD/DESERT

STORM. Raines highlights not only the increasingly specialized nature of warfare and the rise of sophisticated communications technology, but also such diverse missions as weather reporting and military aviation. Information dominance in the form of superior communications is considered to be sine qua non to modern warfare. As Raines ably shows, the Signal Corps--once considered by some Army officers to be of little or no military value--and the communications it provides have become integral to all aspects of military operations on modern digitized battlefields. The volume is an invaluable reference source for anyone interested in the institutional history

of the branch. *A People's History of the United States* Holt Rinehart & Winston  
 Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. And he is used to everyone laughing at him. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller. *Te American Anthem* 2009 Mod W. W. Norton & Company  
 THE STORY: At the turn of the century, a young boy living in China with

his mother, travels to San Francisco, California, Land of the Golden Mountain, to be with his father, Windrider, a kite maker who immigrated there a few years earlier to take

Inter Rdr/Sty Am Anthem 2007 Holt Rinehart & Winston New York Times Bestseller Now part of the HBO docuseries "Exterminate All the Brutes," written and directed by Raoul Peck Recipient of the American Book Award The first history of the United States told from the perspective of indigenous peoples Today in the United States, there are more than five hundred federally recognized Indigenous nations comprising nearly three million people, descendants of the

fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. With growing support for movements such as the campaign to abolish Columbus Day and replace it with Indigenous Peoples' Day and the Dakota Access Pipeline protest led by the Standing Rock Sioux Tribe, An Indigenous Peoples'

History of the United States is an essential resource providing historical threads that are crucial for understanding the present. In *An Indigenous Peoples' History of the United States*, Dunbar-Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy

reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who, in 1836, wrote of the Seminoles: "The country can be rid of them only by exterminating them." Spanning more than four hundred years, this classic bottom-up peoples' history radically reframes US history and explodes the silences that have haunted our national narrative. *An Indigenous Peoples' History of the United States* is a 2015 PEN Oakland-Josephine Miles Award for Excellence in Literature. *Lies My Teacher Told Me* Createspace Independent Publishing Platform

Terrribly unhappy in his family's crowded New York City apartment, Sam Gribley runs away to the solitude-and danger-of the mountains, where he finds a side of himself he never knew.

**The National Anthem** Random House

Traces the history of the Star Spangled Banner, from a lawyer's poem written in 1814, through its official recognition as the national anthem in 1931, to its ongoing inspiration today.

Penguin

This third edition is greatly expanded with over 600 new entries to reflect the growing number of imaginative writings about the

Vietnam War.

**Fast Food Nation**

University Press of Kentucky  
Critically acclaimed when it was first published, Natalie Babbitt's Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting decades later. Now a major motion film available on streaming, featuring stars Alexis Bledel, Ben Kingsley, and Sissy Spacek! What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's

property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then

Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. This title has Common Core connections.
