Tidying Up Art

RAMOS JAYLEN

Spark Joy Harper Collins
"While putting a copy of this book on your nightstand would be a sign of good taste, who cares about good taste? Are you willing to be seen reading a book titled *Censorship Now!!* in public? If so, your skin might burn with funny glances from squares, scolds and looky-loos. But on the inside, you'll feel your brain throbbing as it swells to accommodate some hilarious, absurd and radical new strategies on how to live in our ridiculous world." -- Washington Post
"Svenonius' new book is *Censorship Now!!*, and the title alone shows just how provocative the author

can be. A collection of essays previously published by Vice, Jacobin, and others, it sets up numerous enemies--both real and straw--for Svenonius to knock down....It's all couched in a style that's part anarchist tirade, part postmodern critique, and part punk-rock snottiness--yet it's addictively ridiculous." --NPR "Censor it all. Film, TV, music, politics, books, news, art--censor all of it. That's the guiding principle of local radical punk Ian Svenonius' latest essay collection, *Censorship Now!!*" --Washington City Paper, Critics' Pick Named a Favorite Book of 2015 by Jason Diamond at Vol. 1 Brooklyn "Gonzo ecstasy for those who have come to know Svenonius's self-aware political meditations....And though

the essays Svenonius writes are not themselves unclear, the process of talking about what he's written involves discussions that some might find uncomfortable. His books make more sense the more you dissect them. So keep them in your back pocket and read them, one word at a time." --Los Angeles Review of Books "A new collection of essays by everyone's favorite supercilious rock theorist...Svenonius has always been the smartest kid in the room....In print, Svenonius is like that curmudgeonly pal that you adore because, even while his insight quivers between humor, paranoia, and antisocial ire, he never dispels your fascination in how he gets there." --SF Weekly "Ian Svenonius is best known as the frontman of bands

like the Make-Up and Nation of Ulysses, but he's also a brilliant cultural critic with a talent for coming up with the hottest takes you'll ever read. In this collection, Svenonius makes compelling arguments in favor of censorship and hoarding books and records, amid polemics against Apple and Ikea, the yuppification of indie rock, and the shaving of pubic hair." --Buzzfeed

"The essays in *Censorship Now!!* are equally packed with modest proposals and mock-revolutionary rhetoric, but there are grains of truth in pieces like 'The Historic Role Of Sugar In Empire Building' and 'Heathers Revisited: The Nerd's Fight For Niceness'--they're just buried somewhere between tongue and cheek." --The A.V. Club

"*Censorship Now!!* simultaneously deals in the heated rhetoric of insurgent calls to action, the seductive broad strokes of propaganda, and the clever winking of surrealist humor. Often when I'm really convinced Svenonius has gone off a paranoid deep end, the next sentence hits back with knowingly-hilarious exaggeration or profoundly spot-on analysis, realigning my

perspective and making me wonder again....It's fitting that a book whose intentions are ambiguous begins with a call to censor art and ends by letting art do the talking." --Pitchfork Ian F.

Svenonius's new collection of sixteen essays and stories, entitled *Censorship Now!!*, is reorganizing people's ideas about censorship, Ikea, documentary filmmaking, the Berlin Wall, the film *Heathers*, the twist, the frug, the mashed potato, shaving one's body, Apple, Inc., Nordic functionalism, the supposed benevolence of the Wikipedia, hoarding, college rock, the origins of the Internet, and more. It's an underground smash which has been met with a horrified gasp in all respectable quarters and gog-eyed enthusiasm in artist garrets the world over.

Marie Kondo will help you declutter your life with her new major Netflix series *Organise the World with Marie Kondo*. *Spark Joy* is an in-depth, line illustrated, room-by-room guide to decluttering and organising your home, from bedrooms and kitchens to bathrooms and living rooms as well as a wide range of items in different categories, including clothes, photographs, paperwork, books, cutlery, cosmetics, shoes, bags, wallets and valuables. Charming line drawings explain how to properly organise drawers, wardrobes, cupboards and cabinets. The illustrations also show Ms Kondo's unique folding method, clearly showing how to fold anything from shirts, trousers and jackets to skirts, socks and bras. The secret to Marie Kondo's unique and simple KonMari tidying method is to focus on what you want to keep, not what you want to get rid of. Ask yourself if something 'sparks joy' and suddenly it becomes so much easier to understand if you really need it in your home and your life. When you surround yourself with things you love you will

find that your whole life begins to change. Marie Kondo's first book, *The Life-Changing Magic of Tidying*, presents her unique tidying philosophy and introduces readers to the basics of her KonMari method. It has already transformed the homes and lives of millions of people around the world. *Spark Joy* is Marie Kondo's in-depth tidying masterclass, focusing on the detail of how to declutter and organise your home.

Life-changing Magic
Akashic Books

The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish*

Death Cleaning, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

Awakening Your Ikigai: How the Japanese Wake Up to Joy and Purpose Every Day Hay House, Inc

The book that inspired Marie Kondo's The Life Changing Magic of Tidying Up, Nagisa Tatsumi's international bestseller offers a practical plan to figure out what to keep and what to discard so

you can get--and stay--tidy, once and for all. Practical and inspiring, The Art of Discarding (the book that originally inspired a young Marie Kondo to start cleaning up her closets) offers hands-on advice and easy-to-follow guidelines to help readers learn how to finally let go of stuff that is holding them back -- as well as sage advice on acquiring less in the first place. Author Nagisa Tatsumi urges us to reflect on our attitude to possessing things and to have the courage and conviction to get rid of all the stuff we really don't need, offering advice on how to tackle the things that pile up at home and take back control. By learning the art of discarding you will gain space, free yourself from "accumulation syndrome," and find new joy and purpose in your clutter-free life.

"Some families are created in different ways but are still, in every way, a family." Writer and star of My Big Fat Greek Wedding, Nia Vardalos firmly believed she was supposed to be a mom, but Mother Nature and modern medicine had put her in a headlock. So she made a choice that

shocked friends, family, and even herself: with only fourteen hours' notice, she adopted a preschooler. Instant Mom is Vardalos's poignant and hilarious true chronicle of trying to become a mother while fielding nosy "frenemies" and Hollywood reporters asking, "Any baby news?" With genuine and frank honesty, she describes how she and husband Ian Gomez eventually found their daughter . . . and what happened next. Vardalos explores innovative ways to conquer the challenges all new moms face, from sleep to personal grooming, and learns that whether via biology, relationship, or adoption—motherhood comes in many forms. The book includes laugh-out-loud behind the scenes Hollywood anecdotes, plus an Appendix on how to adopt worldwide. Vardalos will donate proceeds from the book sales to charities.

Vardalos candidly shares her instant motherhood story that is relatable for all new moms (and dads!)

"Reading this will lead you to a better life." —Dean Nelson, author of *God Hides in Plain Sight* In The

100 Thing Challenge Dave Bruno relates how he remade his life and regained his soul by getting rid of almost everything. But The 100 Thing Challenge is more than just the story of how one man started a movement to unhook himself from consumerism by winnowing his life's possessions down to 100 things in one year. It's also an inspiring, invigorating guide to how we all can begin to live simpler, more meaningful lives.

Winner - American Graphic Design Award, Graphic Design USA Conveying the authors' love of the letterpress process and product, this book presents the technical, historical, aesthetic and practical information necessary for both students and instructors. The 2nd edition of *For the Love of Letterpress* includes an updated gallery of contemporary images of letterpress printing, as well as a new chapter of letterpress assignments from the United States, United Kingdom and Europe. Both additions attest to the dynamic and continued relevance of the media. The authors

show how contemporary digital processes have expanded the boundaries of traditional letterpress. By writing with passion and experience, they indicate why a 15th century printing technology based upon crafting with one's hands, still has appeal and value to 21st century artists and designers. Whether incorporated into an academic curriculum or used for self-study, *For the Love of Letterpress* is a must for students who wish to learn letterpress and instructors seeking inspiration and reference.

 Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband,

asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting.

Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

A comprehensive, upbeat guide to help you survive the moving process from start to finish, filled with fresh strategies and checklists for timing and supplies, choosing which

items to toss and which to keep, determining the best place to live, saying farewell and looking forward to hello. Moving is a major life change—time consuming, expensive, often overwhelming, and sometimes scary. But it doesn't have to be! Instead of looking at it as a burdensome chore, consider it a new adventure. Ali Wenzke and her husband moved ten times in eleven years, living in seven states across the U.S. She created her popular blog, *The Art of Happy Moving*, to help others build a happier life before, during, and after a move. Infused with her infectious optimistic spirit, *The Art of Happy Moving* builds on her blog, offering step-by-step guidance, much-needed comfort, practical information, and welcome advice on every step of the process, including: How to stage your home for prospective buyers How to choose your next neighborhood How to discard your belongings and organize your packing How to say goodbye to your friends How to make the transition easier for your kids How to decorate your new home How to build a new community And so much more. Ali shares invaluable

personal anecdotes from her many moves, and packs each chapter with a wealth of information and ingenious tips (Did you know that if you have an extra-large welcome mat at the entrance of your home, it's more likely to sell?). Ali also includes checklists for packing and staging, and agendas for the big moving day. Whether you're a relocating professional, newly married, a family with kids and pets, or a retiree looking to downsize, *The Art of Happy Moving* will help you discover ways to help make your transition an easier one—and be even happier than you were before.
