HARLEY MORROW

The Human Magnet Syndrome Touchstone

"So compelling in its exploration of the human psyche, it's as hard to put down as a thriller...such a force of energy, intensity, and straightforwardness. Copyright © Libri GmbH. All rights reserved.

Christian Minimalism Simon and Schuster

"Ever wonder what it's like to perform in a mega hit musical (when you have little idea what you're doing)? From her audition to closing night -- to every moment in between -- Felicia takes you behind the scenes of her first professional show (ever!) as she understudies the lead character of Elphaba in Wicked's San Francisco company. As she leaps professional hurdles, she faces personal challenges as well: falling in love after heartbreak (with a spatula-wielding muscle hunk), living far away from home (in the worst neighborhood of all time), confronting her overachiever demons (and an all-consuming fear of failure), and learning, time and again, what it means to be green"--P. [4] of cover.

On the Road Less Traveled Bantam

Ten years after the worldwide bestseller *Good to Great*, Jim Collins returns with another groundbreaking work, this time to ask: why do some companies thrive in uncertainty, even chaos, and others do not? Based on nine years of research, buttressed by rigorous analysis and infused with engaging stories, Collins and his colleague Morten Hansen enumerate the principles for building a truly great enterprise in unpredictable, tumultuous and fast-moving times. This book is classic Collins: contrarian, data-driven and uplifting.

The Road Less Travelled W. W. Norton & Company

In the 1980s and 1990s, thousands of women wrote to psychiatrist M. Scott Peck, MD, to thank him for pulling them through difficult patches of their lives with his ground-breaking and best-selling self-help book, *The Road Less Traveled*. Yet Peck's own life was in turmoil. While his readers, and those who attended his spiritual workshops and talks, told him how his words had helped them make decisions about their marriages, careers, insecurities and self-doubts, in 1992 one woman told *Life* magazine that after one spiritual group session she had been seduced by Peck. M. Scott Peck's *The Road Less Traveled* began with the words, "Life is difficult." He made it difficult for his family, so difficult that only two of his three children attended his funeral. Arthur Jones' *Boomer Guru* explores that dichotomy in a deeply researched biography based primarily on hours of recorded interviews with the frank but conflicted guru. This biography of "the nation's shrink" is that rare account: a psychiatrist on the couch. Peck's *The Road Less Traveled* had more than 10 million "boomer" readers. The book spent more than a decade on the *New York Times* Best Seller List, longer than any other book by a living author in that category. On the 10th anniversary of Peck's death, this candid biography of the boomer guru is an intriguing recap of both the times and the man.

People of the Lie Simon and Schuster

An ALA Top Ten Best Book for Young Readers, Shortlisted for the Waterstone's Book Prize and a *Publisher's Weekly* "Flying Start" book Amy Curry's year sucks. And it's not getting any better. Her mother has decided to move, so somehow Amy has to get their car from California to the East Coast. There's just one problem: since her father's death Amy hasn't been able to get behind the wheel of a car. Enter Roger, the son of a family friend, who turns out to be funny, nice . . . and unexpectedly cute. But Roger's plans involve a more "scenic" route than just driving from A to B, so suddenly Amy finds herself on the road trip of a lifetime. And, as she grows closer to Roger, Amy starts to realise that sometimes you have to get lost to find your way home. . . Praise for Amy & Roger's Epic Detour 'One of the most touching, irresistible, and feel-good road trips I've been on in a long, long while. Amy & Roger is a book to love.' Deb Caletti, National Book Award Finalist 'A near-perfect summer read that should leave readers with a thirst for travel and romance.' *Publishers Weekly*, Starred Review 'This entertaining and thoughtful summertime road trip serves up slices of America with a big scoop of romance on the side.' *Kirkus Reviews* 'A classic literary road trip is what Matson delivers in high style...if all road trips were like this, nobody'd ever stay home.' BCCB 'An emotionally rewarding road novel.' *School Library Journal*

Glimpses of the Devil Capparoo Books

'The overall purpose of human communication is - or should be - reconciliation. It should ultimately serve to lower or remove the walls of misunderstanding which unduly separate us human beings, one from another...' Although we have developed the technology to make communication more efficient and to bring people closer together, we have failed to use it to build a true global community. Dr M. Scott Peck believes that if we are to prevent civilization destroying itself, we must urgently rebuild on all levels, local, national and international and that is the first step to spiritual survival. In this radical and challenging book, he describes how the communities work, how group action can be developed on the principles of tolerance and love, and how we can start to transform world society into a true community.

Bowling Alone: Revised and Updated Simon and Schuster

From Simon & Schuster, *Exploring the Road Less Traveled* is Alice and Walden Howard's study guide for small groups, based on M. Scott Peck's classic bestseller. After careful field testing over a period of years, group leaders Alice and Walden Howard now present a companion volume—an experiential guide that enriches our understanding of Dr. Peck's phenomenal work.

Further Along the Road Less Travelled Farrar, Straus and Giroux

"So compelling in its exploration of the human psyche, it's as hard to put down as a thriller...such a force of energy, intensity, and straightforwardness.

Great by Choice PublicAffairs

"Confronting and solving problems is a painful process which most of us attempt to avoid. Avoiding resolution results in greater pain and an inability to grow both mentally and spiritually. Drawing heavily on his own professional experience, Dr M. Scott

Peck, a psychiatrist, suggests ways in which facing our difficulties - and suffering through the changes - can enable us to reach a higher level of self-understanding. He discusses the nature of loving relationships- how to distinguish dependency from love; how to become one's own person and how to be a more sensitive parent. This is a book that can show you how to embrace reality and yet achieve serenity and a richer existence. Hugely influential, it has now sold over ten million copies - and has changed many people's lives round the globe. It may change yours."

What Return Can I Make? Church Publishing, Inc.

I Am Not Perfect is a simple statement of profound truth, the first step toward understanding the human condition, for to deny your essential imperfection is to deny yourself and your own humanity. The spirituality of imperfection, steeped in the rich traditions of the Hebrew prophets and Greek thinkers, Buddhist sages and Christian disciples, is a message as timeless as it is timely. This insightful work draws on the wisdom stories of the ages to provide an extraordinary wellspring of hope and inspiration to anyone thirsting for spiritual growth and guidance in these troubled times. Who are we? Why do we so often fall short of our goals for ourselves and others? By seeking to understand our limitations and accept the inevitability of failure and pain, we begin to ease the hurt and move toward a greater sense of serenity and self-awareness. *The Spirituality Of Imperfection* brings together stories from many spiritual and philosophical paths, weaving past traditions into a spirituality and a new way of thinking and living that works today. It speaks to anyone who yearns to find meaning within suffering. Beyond theory and technique, inside this remarkable book you will find a new way of thinking, a way of living that enables a truly human existence.

Further Along the Road Less Traveled Simon and Schuster

The Pulitzer Prize-winning view of the continent, across the fortieth parallel and down through 4.6 billion years Twenty years ago, when John McPhee began his journeys back and forth across the United States, he planned to describe a cross section of North America at about the fortieth parallel and, in the process, come to an understanding not only of the science but of the style of the geologists he traveled with. The structure of the book never changed, but its breadth caused him to complete it in stages, under the overall title *Annals of the Former World*. Like the terrain it covers, *Annals of the Former World* tells a multilayered tale, and the reader may choose one of many paths through it. As clearly and succinctly written as it is profoundly informed, this is our finest popular survey of geology and a masterpiece of modern nonfiction. *Annals of the Former World* is the winner of the 1999 Pulitzer Prize for Nonfiction.

Further Along the Road Less Traveled Random House

Peck's views on being a separate courageous individual.

The Road Less Traveled and Beyond Simon & Schuster

WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which

the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The Road Simon and Schuster

Just as *The Road Less Traveled* provided hope and guidance for individuals seeking growth, this major new work by M. Scott Peck, M.D., offers a needed prescription for our deeply ailing society. Our illness is Incivility--morally destructive patterns of self-absorption, callousness, manipulateness, and materialism so ingrained in our routine behavior that we do not even recognize them. There is a deepening awareness that something is seriously wrong with our personal and organizational lives. Using examples from his own life, case histories, and dramatic scenarios of businesses that made a conscious decision to bring civility to their organizations, Dr. Peck demonstrates how change can be effected and how we and our organizations can be restored to health. This wise, practical, and radical book is a blueprint for achieving personal and societal well-being.

Eureka: Road Less Traveled Simon and Schuster

"Ehrlich's insightful self-help guide will resonate with Christians wishing to streamline an overstuffed life."—Publishers Weekly Logically, we all know our purpose in life is not wrapped up in accumulating possessions, wealth, power, and prestige—Jesus is very clear about that—but society tells us otherwise. *Christian Minimalism* attempts to cut through our assumptions and society's lies about what life should look like and invites readers into a life that Jesus calls us to live: one lived intentionally, free of physical, spiritual, and emotional clutter. Written by a woman who simplified her own life and practices these principles daily, this book gives readers a fresh perspective on how to live out God's grace for us in new and exciting ways and live out our faith in a way that is deeply satisfying.

When the Road Beckons Harper Collins

Using excerpts from both *The Road Less Traveled* and *The Different Drum*, Peck focuses on the important challenges of everyday life, from overcoming pain to caring for others to making hard decisions. Contains 365 daily meditations.

Ask a Manager Vintage

Updated with a new chapter that draws on behavioral finance, the field that studies the psychology of investment decisions, the bestselling guide to investing evaluates the full range of financial opportunities.

Further Along the Road Less Traveled Oxford University Press

A cultural "biography" of Robert Frost's beloved poem, arguably the most popular piece of literature written by an American "Two roads diverged in a yellow wood . . ." One hundred years after its first publication in August 1915, Robert Frost's poem "The Road Not Taken" is so ubiquitous that it's easy to forget that it is, in fact, a poem. Yet poetry it is, and Frost's immortal lines remain unbelievably popular. And yet in spite of this devotion, almost everyone gets the poem hopelessly wrong. David Orr's *The Road Not Taken* dives directly into the controversy, illuminating the poem's enduring greatness while revealing its mystifying contradictions. Widely admired as the poetry columnist for *The New York Times Book Review*, Orr is the perfect guide for lay readers and experts alike. Orr offers a lively look at the poem's cultural influence, its artistic complexity, and its historical journey from the margins of the First World War all the way to its canonical place today as a true masterpiece of American literature. "The Road Not Taken" seems straightforward: a

nameless traveler is faced with a choice: two paths forward, with only one to walk. And everyone remembers the traveler taking “the one less traveled by, / And that has made all the difference.” But for a century readers and critics have fought bitterly over what the poem really says. Is it a paean to triumphant self-assertion, where an individual boldly chooses to live outside conformity? Or a biting commentary on human self-deception, where a person chooses between identical roads and yet later romanticizes the decision as life altering? What Orr artfully reveals is that the poem speaks to both of these impulses, and all the possibilities that lie between them. The poem gives us a portrait of choice without making a decision itself. And in this, “The Road Not Taken” is distinctively American, for the United States is the country of choice in all its ambiguous splendor. Published for the poem’s centennial—along with a new Penguin Classics Deluxe Edition of Frost’s poems, edited and introduced by Orr himself—*The Road Not Taken* is a treasure for all readers, a triumph of artistic exploration and cultural investigation that sings with its own unforgettably poetic voice.

The Different Drum Andrews McMeel Publishing

“A riveting account that reaches beyond the market landscape to say something universal about risk and triumph, about hubris and failure.”—*The New York Times* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUSINESSWEEK In this business classic—now with a new Afterword in which the author draws parallels to the recent financial crisis—Roger Lowenstein captures the gripping roller-coaster ride of Long-Term Capital Management. Drawing on

confidential internal memos and interviews with dozens of key players, Lowenstein explains not just how the fund made and lost its money but also how the personalities of Long-Term’s partners, the arrogance of their mathematical certainties, and the culture of Wall Street itself contributed to both their rise and their fall. When it was founded in 1993, Long-Term was hailed as the most impressive hedge fund in history. But after four years in which the firm dazzled Wall Street as a \$100 billion moneymaking juggernaut, it suddenly suffered catastrophic losses that jeopardized not only the biggest banks on Wall Street but the stability of the financial system itself. The dramatic story of Long-Term’s fall is now a chilling harbinger of the crisis that would strike all of Wall Street, from Lehman Brothers to AIG, a decade later. In his new Afterword, Lowenstein shows that LTCM’s implosion should be seen not as a one-off drama but as a template for market meltdowns in an age of instability—and as a wake-up call that Wall Street and government alike tragically ignored. Praise for *When Genius Failed* “[Roger] Lowenstein has written a squalid and fascinating tale of world-class greed and, above all, hubris.”—*BusinessWeek* “Compelling . . . The fund was long cloaked in secrecy, making the story of its rise . . . and its ultimate destruction that much more fascinating.”—*The Washington Post* “Story-telling journalism at its best.”—*The Economist*

A World Waiting to Be Born Ballantine Books

A compilation of a series of lectures given by the author in relation to his book *The road less traveled*.
