Beyond the Trauma of the Past to a New Era of Creativity Createspace Independent Pub

• Offers an in-depth experience of alchemical transmutation to cleanse old parts of the psyche and clear space for the shift to 5D through 9D consciousness • Reveals the astrological factors at play behind the multitude of crises hitting the world stage in 2018, 2019, and 2020, including the Covid-19 pandemic • Continues the story from Revelations of the Ruby Crystal and Revelations of the Aquarian Age With the Age of Aquarius dawning, six friends connected by ancient wisdom, spiritual revelation, past lives, and sexual alchemy discover the connections between seemingly disconnected events--environmental collapse, schisms in the Catholic Church, the refugee crisis, political breakdown in the United States, the shift out of the age of oil to the high-tech economy, and the Covid-19 pandemic. The characters, as well as readers, experience moving out of fear-based consciousness to the higher dimensions. The story begins in Florence, Italy, at an art soirée in honor of Armando Pierleoni's visionary painting of Jesus and Mary Magdalene. In addition to the six friends--Armando, his photographer wife Jennifer, New York Times journalist Simon, his mystical wife Sarah, Jungian analyst Lorenzo, and exotically beautiful and astrologically insightful Claudia--the dinner party also includes Alessandro de Medici, later revealed to be a master alchemist, and the Jesuit priest Father Giorgio Faccini, the Vatican archivist and a covert agent for the Church's secret agenda. As the Aquarian vibrations intensify, Claudia sees the astrological factors at play behind the multitude of crises hitting the world stage, and then Covid-19 hits Italy. In the rapidly escalating tension, the deepest fears and greatest joys of the characters' lives are revealed. Armando has a spiritual breakthrough and high initiation with Lorenzo in his tower, and the friends discover alchemical keys and the perennial wisdom--long suppressed by the Church--that will help humanity transcend.

Eye of the Centaur Simon and Schuster

In this book I take you on a journey as unusual as that of Chiron's orbit as it meanders far out into the distant realm of Uranus and then all the way back to Saturn. The book starts off with the Chiron

mythology. You will discover how the theme of connecting two worlds lies everywhere about the place. We then turn our gaze to the lives of Abraham Lincoln and Charles Lindbergh: two lives created by the same soul. As we unravel how these lives are connected, we catch a first glimpse of how Chiron relays a trauma charge from Lincoln's life to that of Lindbergh and how that trauma charge is connected to a life immediately prior to Lincoln's: the life of a Himalayan yogi who died with an unfulfilled wish of bringing about racial equality. The Planetary Nodes are brought in to show how there is not only trauma and healing continuity between these three lives but also continuity in the nature of will (the south nodes of Mars and are traced from Lindbergh all the way back to the life of the yogi). In the final chapters of the book, I use the planetary nodes to show you how the lives of Anne Frank and Barbro Karlén - two consecutive lives created by the same soul - are connected and how Chiron transfers trauma from Anne's life to that of Barbro in an attempt to heal the pain, overcome the trauma and so evolve. The chapters in between these two bookends take you deep into the lives and charts of Richard Nixon, Nina Simone, Jim Jones and Josef Mengele. These chapters are rich in biographical detail and extremely well-referenced, so that you may relate astrological findings back to the actual life as lived by the person. As we go through these lives and corresponding charts, you will discover how there are four trauma indicators in any given chart and how Chiron brings past-life trauma into the current life - and with it the potential for healing. For each of the charts belonging to these four lives I give you the full orbital picture for Mercury right up to Neptune, so that via their respective south and north nodes you may grasp the evolutionary meaning of a planet's actual movement. In addition to being handed the Chiron key, allowing you to work therapeutically with your clients as past-life trauma is reenacted in their lives and you help them on their path of healing, this book shows you how to use the planetary nodes in individual chart analysis. It is my sincere hope and stated wish in writing and teaching this material that you may use it in your own healing process and in that of your clients.

I am a Chironic astrologer. You won't find that word in the dictionary, but there are quite a few of us, and our number is increasing day by day. We are astrologers who believe that discovering the truth is more important than personal theories, and also that we should always keep our minds open to

the ideas of others. By the time you finish reading this book you will know even more about what a Chironic astrologer is. Perhaps you, too, may like to become one. Who knows, perhaps you already are one. - Zane Stein

The Alchemy of Nine Dimensions Inner Traditions / Bear & Co

The author faces archetypal, cosmic lords within herself. These inner lords are a reflection of humankind's age-old struggle with "the gods who came down to Earth," who intervened with human reality and limited our freedom.

How Quantum Theory and Mayan Cosmology Explain the Origin and Evolution of Life ChironRainbow Bridge Between the Inner and Outer Planets

With scholarly exactitude tempered by decades of counseling experience, evolutionary astrologer and guide Alice Loffredo shares powerful understandings that will allow you to end the pain of your karmic wounding. Here, in *Healing the Karmic Wounds*, she hands over the keys for opening the treasure buried in the astrological symbolism of your birth chart, the treasure that makes that healing possibility a reality, now, in this lifetime. A core principle of evolutionary astrology is that what went wrong, or never got done, in the karmic past is carried forward into this lifetime, including wounds that can lock us into repetitive, hard-to-break patterns that block us from realizing our potentials and reaching our goals. Hidden deep in unconscious emotional memory, these wounds only get stronger, deeper, and more disruptive until we consciously take on the intention and responsibility to heal them. The challenge is huge. The rewards are life-changing. The road is clear.

She explains how kundalini energy--the "liquid light of sex" that lies at the base of the spine--is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency, and in many cases, a cascade of health, emotional, and relationship problems as well as extreme anxiety. She shows that by understanding these astrological transits, you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts--now updated through 2050 for those born between 1930 and 2000--detailing the cycles of Saturn, Uranus, and Chiron, so you do not need your birth chart to use this book. She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras, and integrate the power of kundalini for physical, emotional, and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of

great life change.

Astrology and the Rising of Kundalini Createspace Independent Publishing Platform

A well-researched work of fiction from bestselling author Barbara Hand Clow • A contemporary spiritual and erotic thriller that reveals esoteric teachings on Jesus and Mary Magdalene, holy relics, sacred sexuality, and art • Contains hidden secrets on the use of crystals as well as extraordinary information about secret societies • Continues the story from *Revelations of the Ruby Crystal* • From the bestselling author of *The Pleiadian Agenda* (98,000 copies sold) and *The Mayan Code* (57,000 copies sold) Shortly after his wedding at his family's ancient castle in Tuscany, sophisticated and mysterious Armando Pierleoni reveals his richly symbolic painting of the love between Jesus and Mary Magdalene to his bride Jennifer. Deeply affecting all who view it, the alchemical portrayal leads Armando, Jennifer, and their friends on a contemporary journey into the esoteric mysteries of divine marriage, sacred sexuality, the Black Madonna, and the transformative power of holy relics. The group of friends--Jennifer's journalist brother Simon, his mystical wife Sarah, Jungian analyst Lorenzo, exotically beautiful and insightful Claudia, and Armando and Jennifer--discover past-life connections and the power of sacred sex as a path to the divine. They explore how the Knights Templar collected the bones of the Jesus family from the Talpiot tomb in Jerusalem and eventually placed them in reliquaries throughout the world--including within the Medici Chapel in Florence and in the Four Corners region of the American Southwest. When Armando's magical painting of Jesus and Mary Magdalene goes on display in the Medici Chapel and is viewed by thousands, the painting's power coalesces with Aquarian vibrations to trigger a mass kundalini rising within the Chapel, activating the sacred bones in the reliquaries. The activated bones enable the Light to flow into the world, awakening Christ Consciousness around the globe.

Awakening the Planetary Mind Simon and Schuster

A guide to using astrology to identify your core wounds and heal them using psychological techniques, affirmations, and self-compassion • Explains how the placement of Chiron in your birth chart identifies the core wounds and unconscious patterns that block empathy and self-forgiveness • Offers a descriptive chapter for each of the 12 zodiac sign placements for Chiron, revealing how Chiron affects you psychologically, emotionally, sexually, spiritually, socially, financially, and intellectually • Provides specific steps for each sign to shift self-destructive patterns as well as powerful affirmations infused with Reiki healing energy We all have experienced disappointment, sadness, rejection, or the loss of something meaningful in our lives. When you are wounded, innate animalistic instincts for self-protection kick in as a means for survival. These behavior patterns are a natural and necessary coping strategy, at first. But many dwell far too long in these patterns and separate themselves from their source of inner wisdom and intuition. Using astrology as a diagnostic tool, Lisa Tahir reveals how to use the astrological placement of the minor planet Chiron in your birth chart to identify the core wounds and unconscious patterns that block your capacity to have self-empathy and to forgive. Coining the phrase "Chiron Effect" to describe the magnetic pull that individuals have around specific areas of vulnerability, she explains how, like a raw nerve, the placement of Chiron describes what parts of our lives we might edit or hide for fear of being rejected as well as the areas of sensitivity where we are triggered. Offering a chart and online links to allow you to determine Chiron's placement in your chart, the author explains how Chiron affects you

psychologically, emotionally, sexually, spiritually, socially, financially, and intellectually depending on the sign and house it falls within. She outlines how to begin healing your core wounds through empathy and self-forgiveness, providing several steps for each sign placement to shift self-destructive patterns and learn to protect yourself as well as powerful affirmations infused with Reiki healing energy to help you anchor a new belief system. As Lisa Tahir reveals, once identified, your personal Chiron placement can become the source of your greatest healing and empowerment. By recognizing your core wounding and learning to offer yourself empathy and forgiveness, you can finally break free from suffering, end self-sabotage, and allow your life to unfold in a new way.

An Astrological and Psychological Perspective Simon and Schuster

A nationally known astrologer explores the connection between spiritual emergencies at age 30, 40, and 50 and key astrological passages of Saturn, Uranus, and Chiron. • Provides techniques for directing the kundalini energy released during planetary passages for optimal personal and psychic development. • Includes charts for birth years starting in 1930 so that readers can determine the timing of their planetary passages. • By Barbara Hand Clow, author of the bestselling *Pleiadian Agenda* (60,000 copies sold). Kundalini--the energy of eros that lies at the base of the spine--can be overwhelming once activated. Times of activation coincide with the key astrological passages of Saturn, Uranus, and Chiron in one's birth chart and are often experienced as periods of spiritual emergency, confusion, and imbalance. In *Liquid Light of Sex*, Barbara Hand Clow opens up new dimensions for understanding what occurs during these key life passages, which most of us experience three times in our lives. In the author's words, "we form at age 30, we transform at age 40, and we transmute at age 50." Focusing on the transformation at age 40--the time of imbalance and spiritual confusion often referred to as the "midlife crisis"--she explores how kundalini energy, the liquid light of sex, can be creatively channeled by unblocking the chakras. Offering effective methods for achieving physical, emotional, and spiritual growth during this important life passage, *Liquid Light of Sex* presents a roadmap for using celestial cycles to navigate positively and productively in times of great life change.

Chiron and the Healing Journey Destiny Books

This is a revised and expanded edition of Barbara and Gerry Clow's classic 2004 text. This sequel to the bestselling underground classic *The Pleiadian Agenda* outlines their theory of the nine dimensions of human consciousness and how those nine dimensions have become essential to our evolutionary survival. Incorporating the research and insight of the Swedish biologist Carl Calleman, the Clows demonstrate how recent scientific discoveries validate their theories. The existence of the nine dimensions of human consciousness can be proved by science. The most controversial aspect of this book is their exploration of the Mayan prophecies. Counter to much of the prevailing opinion, the fulfillment of the prophecies will not result in the Apocalypse, but will usher in a new and expanded era of human consciousness. They also assert that the beginning of this new era begins not on December 21, 2012—but on October 28, 2011—making the time of the great shift in consciousness just around the corner. Provocative and informative, the Clows have provided an explanation and roadmap for the future. It will be embraced by all who are interested in the evolution of human consciousness.

Archetypal Powers in the Horoscope Bear

Explains the core concepts of astrology and how they relate to elements of fiction, and offers guidance on developing characters, plots, and themes using astrological imagery and symbolism.

Awakening the Planetary Mind Simon and Schuster

A CONTEMPORARY CLASSIC. This in-depth study of the minor planet Chiron traces the development of the archetype of the Shaman, or Wounded Healer, which accompanies the soul's journey of awakening. It also demonstrates how this theme is reflected in the astronomical picture, and in turn revealed in the individual horoscope. Chiron's story in Greek mythology is explored and illuminated with skilled interpretation, and there are two large sections detailing Chiron's symbolism and meaning through the signs and houses, and aspecting the planets. The chapter on transits describes the profound process which Chiron signals as it moves around the horoscope over time. This book is essential reading for anyone seeking to shed light on the astrological symbolism and meaning of Chiron. Chiron was discovered in 1977 as a celestial anomaly, but is now in a class of its own. In the early 1990s, exciting discoveries within astronomical science revealed a new category of objects, named the Centaurs'. Chiron is considered the major representative of this group which comprises short-orbit comets that cross the paths of the planets from Jupiter to Pluto. The symbolism of this is perfect, as Chiron stands for that luminous thread of consciousness which links the inner and outer dimensions of our human experience, helping us to make sense of our suffering in a deeply personal way, and thus to release our attachment to it. This book is a classic of original thinking, inspiration, depth of astrological experience and careful research. It has more than stood the test of time, and is appreciated by an ever-growing number of astrologers who focus on the soul's unfoldment through life experience, bitter or sweet. This book has addressed and accompanied the healing journey of many thousands of people all over the world. REVISION This edition of 'Chiron and the Healing Journey' represents a major revision of the best-selling previous editions, first published in 1989 and 1999 by Arkana, and in April 2010 in paperback by Starwalker Press. Changes include an entirely new section on the astronomy of Chiron, and how it is reflected in the mythology. The final section 'Spirit of the Age' has been rewritten to address more precisely our contemporary concerns. There is much new case material illustrating Chiron in the horoscope, and the reader is also briefly introduced to other Minor Planets in the same category as Chiron. The mythological base has also been expanded, and there is an in-depth exploration of the 'Chiron Return' which occurs at age 50, representing a major 'rite of passage' for everyone.

Chiron Llewellyn Worldwide Limited

Chiron is the smallest planet in our solar system and was discovered only in the 1970s. In this comprehensive study of the planet, Melanie Reinhart examines its meaning and symbolism in psychological terms, and explores how it has added another dimension to astrology. Named after the mythical centaur, Chiron is identified with the figure of the 'wounded healer,' and represents a spirit of philosophical independence, compassion, and a sense of trust in our inner selves. Rich in mythological anecdotes, literary allusions, and historical perspectives, with in-depth case studies, information tables, and a completely updated and expanded ephemeris for the twenty-first century, *Chiron and the Healing Journey* is an indispensable book for the practicing astrologer and will fascinate anyone interested in the subject.

Trauma Key Bear

A debut novel from bestselling author Barbara Hand Clow • An intricately layered erotic thriller that reveals esoteric teachings on prophecy, power, ritual, and divination • Includes dramatic insights into the suppressed discoveries of the first Christian heretics and secret power rituals at work in the Vatican • From the author of *The Pleiadian Agenda* and *The Mayan Code* In her debut as a novelist, bestselling author and acclaimed spiritual teacher Barbara Hand Clow weaves an erotically charged story of romance, deep earth forces, psychic powers, aristocracy, and Vatican world control centered on an ancient ruby that inspires mystical visions. Set in Rome in 2012, the story follows Sarah Adamson, a beautiful young Catholic graduate student from Boston studying at the Vatican Library for her thesis on the first Christian heretic, Marcion of Pontus. She is being courted by two utterly different men: Simon Appel, a descendent of the kabbalist Isaac Luria who covers Vatican affairs for the New York Times, and Armando Pierleoni, the heir to an ancient Italian aristocratic family with strong ties to the Vatican. After a terrible encounter with the dark side at a castle in Tuscany, Sarah is given a ring set with a ruby crystal, a powerful stone that was once the third eye of an ancient Buddha statue in Nepal. With the mystic ring on her finger, Sarah's visionary abilities are ignited. She remembers her past life as the Sibyl of Cumae, a Roman oracle whose powers are now being channeled by the Vatican to maintain world control. As Sarah's research and visions reveal the cause of evil in the Church and Simon's reporting exposes the depth of the sexual abuse scandals surrounding the Vatican, the two form an alliance with an ex-lover of both Simon and Armando, Claudia, who describes secret priestly power rituals going on in Vatican City. As the heightened energies of the winter solstice of 2012 arrive and 2013 dawns, will Simon and Sarah be able to harness their divine powers for transformation? Will the Vatican seek new direction as it elects a new pope? Revealing the very nature of how evil gets into the world, this novel of romance, mystery, heresy, and spirituality uncovers the esoteric foundations for the emergence of a golden new age.

The Mayan Code Penguin (Non-Classics)

• Bestselling author Barbara Hand Clow examines legendary cataclysms and shows how we are about to overcome the collective fear they have instilled in us. • The long-awaited follow-up that continues the revelations begun in *The Pleiadian Agenda*, which has sold more than 60,000 copies. • Explains why, contrary to many prophets of doom, we are actually on the cusp of an era of incredible creative growth. The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the "mythic" catastrophes of history--the fall of Atlantis, the Biblical Flood--were actual events. In *Catastrophobia* Barbara Hand

Clow shows that a series of cataclysmic disasters, caused by a massive disturbance in the Earth's crust 11,500 years ago, rocked the world and left humanity's collective psyche permanently scarred. We are a wounded species, and this unprocessed fear, passed from generation to generation, is responsible for our constant expectations of apocalypse, from Y2K to the famed end of the Mayan calendar in 2012. *Catastrophobia* reveals the insidious global forces that have used these collective fears to control humanity for thousands of years. But we are in the midst of a tremendous shift in the Earth's 26,000-year precessional cycle, and there is every indication that the changes in consciousness over the last 30 years are the beginnings of a collective healing from these deep fears, heralding a new age where we will see that the era of cataclysms is ending and a time of extraordinary creative activity is at hand.

A Visionary Guide Into Past Lives Inner Traditions / Bear & Co

Bestselling author Barbara Hand Clow shows how the Mayan Calendar is a bridge to galactic wisdom that fosters personal growth and human evolution • Unearths the meaning behind the calendar, its message for modern civilization, and what will happen when the calendar ends • Reveals how time acceleration is a manifestation of the acceleration of consciousness • By the author of *The Pleiadian Agenda* *The Mayan Code* is a deep exploration of how, as we approach the end of the Mayan Calendar, time and consciousness are accelerating, giving us a new understanding of the universe. Using Carl Johan Calleman's research, as well as the ideas of other Mayan Calendar scholars, Barbara Hand Clow examines 16.4 billion years of evolution to decode the creative patterns of Earth--the World Mind. These great patterns culminate in 2011, and then during 2012 major astrological influences will inspire us to attain oneness and enlightenment. *The Mayan Code* shows how the time cycles of the Calendar match important periods in the evolutionary data banks of Earth and the Milky Way Galaxy. These stages of evolution are converging during the final stage of the Calendar, the period between 1999 and 2011. War and territoriality, resource management and separation from nature, are all part of daily events we must process during these few short years: evidence of the tightening spiral of time that we experience as time speeding up. Barbara Hand Clow counsels that our own personal healing is the most important factor as we prepare to make this critical leap in human evolution--now referred to as the awakening of the World Mind.

A New Cosmology for the Age of Light Simon and Schuster

A record of past lives experienced through hypnotic regression • Unlocks the primordial memory bank of planetary consciousness • Explores the past lives of spiritual teacher Barbara Hand Clow at sacred sites during historical periods critical to the development of human consciousness • With illustrations by Angela Werneke, illustrator of *Medicine Cards* • First editions collectively sold 60,000 copies Combined for the first time in one updated and revised volume, the three books of *The Mind Chronicles Trilogy*--*Eye of the Centaur*, *Heart of the Christos*, and *Signet of Atlantis*--show that all the places, times, and beings we have ever known exist now in our memory banks. Using the mind state produced during 100 sessions of hypnotic regression, Barbara Hand Clow unlocks the primordial memory bank--the records of time in which all humans participate--offering readers critical information to reflect upon now. In *The Mind Chronicles*, Clow guides readers through 100,000 years of human history, using in-depth experiences of initiations and sacred ceremonies to illuminate the forgotten wisdom of our ancestors. The Transformative Power of Saturn, Chiron, and Uranus Astrology Classics

When Evolutionary Astrologer and Channel Tom Jacobs asked several Ascended Masters what will happen in 2012, he was answered with new insights about how to understand Chiron and help people heal wounding related to it. After using the information for several years in his practice, he produced an 11.5-hour audio course to relay all he had learned as an astrology teaching. This

groundbreaking material can be used to come out of victimhood once and for all, helping us connect with ourselves as the powerful, divine spiritual beings that we are. This book is a transcription of that audio course. It covers 2012/the end of the Mayan Calendar and how it leads to the Aquarian Age, Chiron's myth and archetypal process, and all the astrology of Chiron, all to enable astrologers and students to understand this view of Chiron from the Ascended Masters so the consciousness level of the Aquarian Age can be seeded firmly here and now.
