Desolation Angels Jabberwocky Literary Agency, Inc.

(FAQ). The Beat Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting-edge works that shaped this fascinating cultural and literary movement. Disillusioned with the repression and conformity encompassing post-World War II life in the United States, the Beat writers sought creative alternatives to the mind-numbing banality of modern culture. Beat Generation writers were no strangers to controversy: Both Allen Ginsberg's prophetic, William Blakean-style poem "Howl" (1956) and William S. Burroughs' groundbreaking novel Naked Lunch (1959) led to obscenity trials, while Jack Kerouac's highly influential novel On the Road (1957) was blamed by the establishment for corrupting the nation's youth and continues to this day to serve as a beacon of hipster culture and the bohemian lifestyle. The Beat writers shared a vision for a new type of literature, one that escaped the boundaries of academia and employed an organic use of language, inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism (Kerouac coined this writing style "spontaneous prose"). In search of deeper meaning, Beat Generation writers experimented not only with language but also with spirituality, art, drugs, sexuality, and unconventional lifestyles. Although the movement as a whole flamed out quickly in the early 1960s, replaced by the onset of the hippie counterculture, the Beats made an indelible mark on the nation's consciousness and left a long-lasting influence on its art and culture. This book details the movement its works, creative forces, and its legacy.

Who Killed Hunter S. Thompson? Lonely Planet

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Epic Drives of the World Open Road Media

The Awakener is Helen Weaver's long awaited memoir of her adventures with Jack Kerouac, Allen Ginsberg, Lenny Bruce, and other wild characters from the New York City of the fifties and sixties. The sheltered but rebellious daughter of bookish Midwestern parents, Weaver survived a repressive upbringing in the wealthy suburbs of Scarsdale and an early divorce to land in Greenwich Village just in time for the birth of rock 'n' roll—and the counterculture movement known as the Beat Generation. Shortly after her arrival Kerouac, Ginsberg, and company—old friends of her roommate—arrive on their doorstep after a non-stop drive from Mexico. Weaver and Kerouac fall in love on sight, and Kerouac moves in. " ... Weaver] paints a romantic picture of Greenwich Village in the 1950s and '60s, when she worked in publishing and hung out with Allen Ginsberg and the poet Richard Howard and was wild and loose, getting high and falling into bed almost immediately with her crushes, including Lenny Bruce ... Her

descriptions of the Village are evocative, recalling a time when she wore 'long skirts, Capezio ballet shoes and black stockings,' and used to 'sit in the Bagatelle and have sweet vermouth on the rocks with a twist of lemon.' Early on, she quotes Pasternak: 'You in others: this is your soul.' Kerouac's soul lives on through many people—Joyce Johnson, for one—but few have been as adept as Weaver at capturing both him and the New York bohemia of the time. He was lucky to have met her."—Tara McKelvey, The New York Times Book Review “There is a tendency for memoirs written by women about The Great Man to be self-abnegating exercises in a kind of inverted narcissism—the author seeking to prove her worth as muse, as consort, as chosen one. Not so with Helen Weaver’s beautiful, plainspoken elegy for her time spent with Jack Kerouac, who suddenly appeared at her door in the West Village one white, frosty morning with Allen Ginsberg, who knew Weaver’s roommate, in tow.”—New York Post "Helen Weaver’s book was a revelation to me! ... This is the most graphic, honest, shameless, and moving documentary of what the newly liberated women in cities got up to—how they lived, loved, and created. Who knew? It is time they did! And here’s how.”—Carolyn Cassady "Weaver recreates the excitement of a time when things were radically changing and shows us what it was like living with an eccentric genius at the turning point of his life. Eventually she asks Jack to leave but they remain friends, and over the years her respect for his writing grows even as Kerouac's reputation undergoes a gradual transition from enfant terrible to American icon. She comes to realize that by writing On the Road he woke America up—along with her—from the long dream of the fifties. And the Buddhist philosophy that once struck her as Jack's excuse for doing whatever he liked because 'nothing is real, it's all a dream' eventually becomes her own." "Helen Weaver's memoir is a riveting account of her love affair and friendship with Jack Kerouac. She is both clear-eyed and passionate about him, and writes with truly amazing grace."—Ann Charters Helen Weaver has translated over fifty books from the French of which one, Antonin Artaud: Selected Writings (Farrar, Straus and Giroux) was a Finalist for the National Book Award in translation in 1976. She is co-author and general editor of the Larousse Encyclopedia of Astrology and author of The Daisy Sutra, a book on animal communication. She lives in Kingston, New York.

Scenes Along the Road Penguin

Written in 1967 from the vantage point of the psychedelic sixties, Vanity of Duluoz is a fascinating portrait of the artist as a young man Originally subtitled "An Adventurous Education, 1935-1946," Vanity of Duluoz presents the formative years in the life of Jack Duluoz—Kerouac's alter ego—beginning with his high school experiences as a sporting jock in small-town New England and his time at Columbia University on a football scholarship. Just as Jack's glamorous new adult life begins, so does World War II, and he joins the US Navy to travel the world. The more he experiences, the more he realizes the limits of his former plans, and decides to and return to New York, where he collides with the start of the Beat movement, and a riot of drugs, sex and writing. Vanity of Duluoz was Kerouac's final work published before his death in 1969.

Desolation Angels Canongate Books

Best known for his "Legend of Duluoz" novels, including On the Road and The Dharma Bums, Jack Kerouac is also an important poet. In these eight extended poems, Kerouac writes from the heart of experience in the music of language, employing the same instrumental blues form that he used to fullest effect in Mexico City Blues, his largely unheralded classic of postmodern literature. Edited by Kerouac himself, Book of Blues is an exuberant foray into language and consciousness, rich with imagery, propelled by rythm, and based in a reverent attentiveness to the moment. "In my system, the form of blues choruses is limited by the small page of the breastpocket notebook in which they are written, like the form of a set number of bars in a jazz blues chorus, and so sometimes the word-meaning can carry from one chorus into another, or not, just like the phrase-meaning can carry harmonically from one chorus to the other, or not, in jazz, so that, in these blues as in jazz, the form is determined by time, and by the musicians spontaneous phrasing & harmonizing with the beat of time as it waves & waves on by in measured choruses." —Jack Kerouac

The Devastation of Baal Hal Leonard Corporation

Written over the course of three days and three nights, The Subterraneans was generated out of the same kind of ecstatic flash of inspiration that produced another one of Kerouac's early classics, On The Road. Centering around the tempestuous breakup of Leo Percepied and Mardou Fox—two denizens of the 1950s San Francisco underground—The Subterraneans is a tale of dark alleys and smoky rooms, of artists, visionaries, and adventurers existing outside mainstream America's field of vision.

Desolation Angels Verso Books

A handbook for conscious personal and planetary change that will transform the current world crisis into planetary shift toward the mind of God.* Outlines the issue plaguing the world and moving it toward breakdown. * Replaces the limited consciousness of our failing society with the quantum consciousness that is rooted in the new science field.* Provides a specific process to shift consciousness, The Future of the Future.

Kerouac on Record Penguin

What exactly is goodness? Where is it found in the literary imagination? Toni Morrison, one of American letters’ greatest voices, pondered these perplexing questions in her celebrated Ingersoll Lecture, delivered at Harvard University in 2012 and published now for the first time in book form. Perhaps because it is overshadowed by the more easily defined evil, goodness often escapes our attention. Recalling many literary examples, from Ahab to Coetzee’s Michael K, Morrison seeks the essence of goodness and ponders its significant place in her writing. She considers the concept in relation to unforgettable characters from her own works of fiction and arrives at conclusions that are both eloquent and edifying. In a lively interview conducted for this book, Morrison further elaborates on her lecture’s ideas, discussing goodness not only in literature but in society and

history—particularly black history, which has responded to centuries of brutality with profound creativity. Morrison’s essay is followed by a series of responses by scholars in the fields of religion, ethics, history, and literature to her thoughts on goodness and evil, mercy and love, racism and self-destruction, language and liberation, together with close examination of literary and theoretical expressions from her works. Each of these contributions, written by a scholar of religion, considers the legacy of slavery and how it continues to shape our memories, our complicities, our outcries, our lives, our communities, our literature, and our faith. In addition, the contributors engage the religious orientation in Morrison’s novels so that readers who encounter her many memorable characters such as Sula, Beloved, or Frank Money will learn and appreciate how Morrison’s notions of goodness and mercy also reflect her understanding of the sacred and the human spirit.

Desolation Angels Bantam Books

From the author of the international bestseller *The Last Station*, a superb historical novel of the Apostle Paul, whose tireless and epic preaching of the message of Jesus brought Christianity into existence and changed human history forever. In the years after Christ's crucifixion, Paul of Tarsus, a prosperous tentmaker and Jewish scholar, took it upon himself to persecute the small groups of his followers that sprung up. But on the road to Damascus, he had some sort of blinding vision, a profound conversion experience that transformed Paul into the most effective and influential messenger Christianity has ever had. In *The Damascus Road* novelist Jay Parini brings this fascinating and ever-controversial figure to full human life, capturing his visionary passions and vast contradictions. In relating Paul's epic journeys, both geographical and spiritual, he unfolds a vivid panorama of the ancient world on the verge of epochal change. And in the alternating voice of the Gospel writer Luke, Paul's travel companion, scribe, and ghostwriter, a cooler perspective on his actions and beliefs emerges -- ironic but still filled with wonder at Paul's unshakable commitment to the Christ and his divinity.

The Scripture of the Golden Eternity City Lights Publishers

He was the leading light of the Beat Generation writers and the most dynamic author of his time, but Jack Kerouac also had a lifelong passion for music, particularly the mid-century jazz of New York City, the development of which he witnessed first-hand during the 1940s with Charlie Parker, Dizzy Gillespie and Thelonious Monk to the fore. The novelist, most famous for his 1957 book *On the Road*, admired the sounds of bebop and attempted to bring something of their original energy to his own writing, a torrent of semi-autobiographical stories he published between 1950 and his early death in 1969. Yet he was also drawn to American popular music of all kinds – from the blues to Broadway ballads – and when he came to record albums under his own name, he married his unique spoken word style with some of the most talented musicians on the scene. Kerouac's musical legacy goes well beyond the studio recordings he made himself: his influence infused generations of music makers who followed in his work – from singer-songwriters to rock bands. Some of the greatest transatlantic names – Bob Dylan and the Grateful Dead, Van Morrison and David Bowie, Janis Joplin and Tom Waits, Sonic Youth and Death Cab for Cutie, and many more – credited Kerouac's impact on their output. In *Kerouac on Record*, we consider how the writer brought his passion for jazz to his prose and poetry, his own record releases, the ways his legacy has been sustained by numerous more recent talents, those rock tributes that have kept his memory alive and some of the scores that have featured in Hollywood adaptations of the adventures he brought to the printed page.

Sidetripping University of Virginia Press

This book features 27 integrated essays that offer access to the art, life, and legacy of one of the world's most influential artists.

Some of the Dharma National Geographic Books

Before Jack Kerouac expressed the spirit of a generation in his 1957 classic, *On the Road*, he spent years figuring out how he wanted to live and, above all, learning how to write. *Atop an Underwood* brings together more than sixty previously unpublished works that Kerouac wrote before he was twenty-two, ranging from stories and poems to plays and parts of novels, including an excerpt from his 1943 merchant marine novel, *The Sea Is My Brother*. These writings reveal what Kerouac was thinking, doing, and dreaming during his formative years, and reflect his primary literary influences. Readers will also find in these works the source of Kerouac's spontaneous prose style. Uncovering a fascinating missing link in Kerouac's development as a writer, *Atop an Underwood* is essential reading for Kerouac fans, scholars, and critics.

Tristessa Last Gasp

Book 2 of the Best Selling Creation Abomination series William had only wanted to develop a method of cloning human tissue. But then, his work was stolen by his best friend and the very forces of the Devil began perverting his research for the sole purpose of bringing about the end of days. Armed with this knowledge, he decided to destroy Cenetics, the laboratory that stole his creation, along with their malevolent research. As a result, he was confined to a mental hospital, where he learned that this corrupt work was continuing at another facility. Now, William must escape in order to stop

Lucifer's plans. With the help of his wife, his father-in-law, and several angelic interventions, he must battle nefarious creatures, the powers of deception, and the prophecies of the Bible itself, to prevent the apocalypse and save humankind. In *Abomination Desolation*, ordinary people meet extraordinary events head-on, in a thrilling story leading up to the very end of the world.

Street Art and Activism in the Greater Caribbean Liturgical Press

The classic autobiographical novel by Jack Kerouac featuring "one of the most true, comic, and grizzly journeys in American literature" (Time)—now in a new edition Originally published in 1965, this autobiographical novel covers a key year in Jack Kerouac's life—the period that led up to the publication of *On the Road* in September of 1957. After spending two months in the summer of 1956 as a fire lookout on Desolation Peak in the North Cascade Mountains of Washington, Kerouac's fictional self Jack Duluoz comes down from the isolated mountains to the wild excitement of the bars, jazz clubs, and parties of San Francisco, before traveling on to Mexico City, New York, Tangiers, Paris, and London. Duluoz attempts to extricate himself from the world but fails, for one must "live, travel, adventure, bless, and don't be sorry." *Desolation Angels* is quintessential Kerouac.

Scenes along the road Perigee Books

It all began thirty years ago on Mars, with a greenperson. But by the time it all finished, the town of Desolation Road had experienced every conceivable abnormality; from Adam Black’s Wonderful Travelling Chautauqua and Educational ‘Stravaganza (complete with its very own captive angel), to the Astounding Tatterdemalion Air Bazaar. Its inhabitants ranged from Dr. Alimantando, the town’s founder and resident genius, to the Babooshka, a barren grandmother who just wants her own child – grown in a fruit jar; from Rajendra Das, mechanical hobo who has a mystical way with machines to the Gallacelli brothers, identical triplets who fell in love with – and married – the same woman. REVIEWS “Ian McDonald’s *Desolation Road* is one of my most personally influential novels. It’s an epic tale of the terraforming of Mars, whose sweep captures the birth and death of mythologies, economics, art, revolution, politics... *Desolation Road* pays homage to David Byrne’s Catherine Wheel, to Ray Bradbury’s entire canon and to Jack Vance, blending all these disparate creators in a way that surprises, delights, then surprises and delights again.” – Cory Doctorow (Boing Boing) “McDonald’s first novel, it absolutely bowled me over when it came out, and while I have read everything he’s published since, and admire all of it and like most of it, this remains my favourite... some of the most beautiful prose imaginable... If you ever want to demonstrate how different science fiction can be, what an incredible range and sweep of things are published with a little spaceship on the spine, *Desolation Road* is a shining datapoint, because it isn’t like anything else and yet it is coming from a knowledge of what the genre can do and can be and making something new out of it.” – Jo Walton (Tor.com) “This is the kind of novel I long to find yet seldom do. *Desolation Road* is a rara avis... Extraordinary and more than that!” – Philip José Farmer

The Hermits of Big Sur Hachette Books

Eighteen stories of Christmas horror from bestselling, acclaimed authors including Scott Smith, Seanan McGuire, Josh Malerman, Michael Koryta, Sarah Pinborough, and many more. That there is darkness at the heart of the Yuletide season should not surprise. Charles Dickens' *A Christmas Carol* is filled with scenes that are unsettling. Marley untying the bandage that holds his jaws together. The hideous children--Want and Ignorance--beneath the robe of the Ghost of Christmas Yet to Come. The heavy ledgers Marley drags by his chains. In the finest versions of this story, the best parts are the terrifying parts. Bestselling author and editor Christopher Golden shares his love for Christmas horror stories with this anthology of all-new short fiction from some of the most talented and original writers of horror today.

Book of Blues Taylor & Francis

The Blood Angels Chapter and their successors mount a desperate defence of their home world of Baal from the predations of the tyrannid hive fleet Leviathan. After a brutal campaign in the Cryptus System fighting the alien tyrannids, Lord Dante returns to Baal to marshal the entire Blood Angels Chapter and their Successors against Hive Fleet Leviathan. Thus begins the greatest conflict in the history of the sons of Sanguinius. Despite a valiant battle in the void around Baal, the Blood Angels are unable to stop the tyrannids drawing ever closer, but their petitions for reinforcements are met with dread news. The Cadian Gate, the Imperium’s most stalwart bastion against Chaos, has fallen. In their darkest hour, no help will reach the beleaguered Dante and his warriors. Is this truly then the Time of Ending?

The Break-Up of Britain Penguin

With the publication of *On the Road* in 1957, Jack Kerouac became at once the spokesman and hero of the Beat Generation. Along with such visionaries as William S. Burroughs and Allen Ginsberg, Kerouac changed the face of American literature, igniting a counterculture revolution that even now, decades later, burns brighter than ever in *Desolation Angels*.

Goodness and the Literary Imagination Bloomsbury Publishing USA

A heart-breaking, staggering, soaring novel about war, music, loneliness and the redemptive power of the imagination
